English grammar and practice fo Academic Purposes

The Oxford Guide to English Grammar is a systematic account of grammatical forms and the way they are used in modern standard English. It is designed for learners at intermediate and advanced levels and for teachers, and is equally suitable for quick reference to details or for the moreleisured study of grammatical topics. The emphasis is on meaning in the choice of grammatical pattern, and on the use of patterns in texts and in conversations.

How English Works

A Grammar Practice Book for Elementary to Lower-intermediate Students of English

Hướng dẫn tự học ngữ pháp tiếng Anh hiện đại kèm theo bài tập thực hành.

Oxford Practice Grammar Advanced is divided into 17 units which provide a review of the grammar of contemporary English. Within each unit there are separate sections on specific features e.g. Present Perfect or Past Simple.As well as the types of exercises you will be used to there are some exercises specifically designed for students who are becoming more advanced in English. Theseinclude: summary exercises, dictionary exercises, matching and editing activities.You can either start at the beginning and work through to the end or choose the order in which you

want to study the grammar topics, perhaps starting with those that aregiving you problems.Two-page tests at the end of each unit or section mean you can see how much you have learned and decide if you need more practice.For those unsure of some of the terminology there is also a Glossary explaining the meaning of all the grammatical terms.

Advanced : a grammar practice book for advanced students of English : with answers : [with complete interactive e-book including Pronunciation for grammar]

Each section opens with a lively presentation page which introduces the point of grammar. Grammar explanations are short, clear and easy to remember. Colour is used to highlight grammatical contrasts. Each grammar explanation is followed immediately by an activity, so that students can practise before moving on to the next explanation. Engaging practice activities include internet exercises which enable students to see how language is used in real life, and personalisation activities allow students to use the grammar to talk about themselves. The interactive e-books allow students to do all the exercises on a tablet or computer, both online and offline. Recordings of texts provide added listening practice.

The Good Grammar Book teaches all the grammar needed for speaking and writing in English. It explains the rules, shows how the language works, and gives plenty of practice. It can be used either with the coursebook in class or as extra practice at home.
