Paddington 2 comes to theaters on January 12, 2018, with all of the friendship, humor, and marmalade that made the first film a critical and box office hit! Paddington has been in London for a few months now and has settled into his new home with the Browns. But he often thinks about his aunt Lucy back in Peru, and as her 100th birthday approaches, Paddington is eager to find the perfect present. He finds a one-of-a-kind book that he knows his aunt will love. But when the book is stolen, it's up to Paddington and the Browns to catch the thief and recover a most precious gift. Based on the major motion picture Paddington 2, this junior novel features a selection of full-color images from the film!

Steven Spielberg's classic sci-fi story of interplanetary friendship makes a perfect picture book for the whole family. When E.T. the Extra-Terrestrial was released in theaters back in 1982, its bittersweet story enchanted millions and the film surpassed Star Wars to become the highest-grossing movie of all time. Now the cinematic blockbuster is transformed into an illustrated storybook, with colorful, adorable drawings by Kim Smith. Here is a story you can't help but love: After E.T. is stranded on Earth, he

takes refuge with Elliott, a boy in need of a friend. Together they find a way to help E.T. get back home. Along the way, both child and alien learn important lessons about courage, friendship, and the power of imagination. This is the perfect read-along story for children, their parents, and E.T. fans across the universe.

Movies are not a waste of time if you're intentional about watching the movie you're viewing. Reel Leadership speaks to leaders and movie lovers who want to look at leadership and personal development in a new way. Author Joseph Lalonde wants leaders to enjoy entertainment without feeling guilty. When he began his own personal development journey, Lalonde discovered how leadership gurus try to dissuade people from enjoying regular forms of entertainment because they see it as a waste of time. He fell in line and believed this lie; that entertainment, especially movies, held no real value. Over time, he realized each movie provides a story with a moral premise or leadership lesson. In this book, you'll read about: David Hayter (the writer of X-Men 1 and 2) and how he dealt with a demanding director on set. Daniel Knudsen and how every great movie should have a moral premise. Marty Himmel and

how he overcame fear because of the movies he watched. Through Reel Leadership, you'll discover how movies provide more than just a quick escape. They are powerful tools for communicating leadership principles and how to find their leadership lessons.

*Michael Bond never intended to be a children's writer. Though an avid reader, he was by no means a model student and quit school at 14. He repaired rooftop radio transmitters during the bombing of Britain in World War II and later joined the army. He wrote about the war and more, selling stories here and there. One day, while searching for inspiration at his typewriter, hoping for a big story that would allow him to write full time, a stuffed bear on top of the shelf—a Christmas present for his wife—suddenly caught his eye. Bond poured his personal feelings about the events of his era—the refugee children his family had hosted in the countryside, a war-torn country in recovery, the bustling immigrant neighborhood where he lived—into the story of a little bear from Peru who tries very, very hard to do things right. The result was *A Bear Called Paddington*. An incredible true tale, *More than Marmalade: Michael Bond and the Story of Paddington Bear* is the first biography about the*

writer behind the beloved series. Author Rosanne Tolin reveals how world history, Bond's life, and 1950s immigrant culture were embedded into Paddington's creation, bringing middle-grade readers a delightful, informative, and engaging book with a timely message of acceptance.

David A. Carter has created an extremely imaginative pop-up dedicated to love. The book has seven spreads, each with a verse and a pop-up of different geometrical and abstract forms. Scattered among the pop-ups are hearts, some tiny and some large. There are hearts dangling from strings, hearts hidden in a forest, and hearts captured by the colors of the rainbow. Readers will be amazed by the final pop-up--an explosion of red foil hearts! The cover, too, sports red foil. This tribute to

love is sure to please sweethearts, young and old, throughout the years.

The classic novel about Paddington—who's now a major movie star! Paddington Bear had traveled all the way from Peru when the Browns first met him in Paddington Station. Since then, their lives have never been quite the same . . . for ordinary things become extraordinary when a bear called Paddington is involved. First published in 1958, *A Bear Called Paddington* is the first novel by Michael Bond, chronicling the adventures of this lovable bear. Paddington has charmed readers for generations with his earnest good intentions and humorous misadventures. This brand-new edition of the classic novel contains the original text by Michael Bond and illustrations by Peggy Fortnum.

Take a journey to help the Earth in the second book of the New York Times bestselling trilogy by Julian Lennon! Jump aboard the White Feather Flier, a magical plane that can go wherever you want. This time, Lennon's interactive book immerses children in a fun and unique journey where they can: Bring medicine to people in need! Dive below the ocean to bleached coral reefs! Visit the city to cultivate green spaces! Help the rain forest return and give its animals a home! Explore the planet,

meet new people, and help make the world a better place! The Flier's mission is to transport readers around the world, to engage them in helping to save the environment, and to teach one and all to love our planet. Just press a button printed on the page, and point the plane up in the air to fly, or down to land it! An inspiring, lyrical story, rooted in Lennon's life and work, Heal the Earth is filled with beautiful illustrations that bring the faraway world closer to young children. The book includes words to a new, special poem written by Julian Lennon, specifically for Heal the Earth. A portion of the proceeds from book sales will go to support the environmental and humanitarian efforts of the White Feather Foundation, the global environmental and humanitarian organization that Lennon founded to promote education, health, conservation, and the protection of indigenous culture.

influential filmmakers of our age When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In Everything Is Cinema, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with Breathless, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. Everything Is Cinema confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.

search for her daughter. Fifty-year-old Marcy Taggart's life is in shambles. Two years ago, her twenty-one-year-old daughter, Devon, perished in a canoeing accident. Her body was never found in the icy waters of Georgian Bay, and as a result Marcy has never fully accepted her death. She continues to see the young woman's face in crowds and has even stopped strangers on the street, certain she has finally discovered her long lost daughter. Now in Ireland, on what was originally intended to be a celebration of her twenty-fifth wedding anniversary—if, that is, her husband had not left her for another woman—Marcy yet again thinks she sees her daughter, casually strolling past her on the sidewalk. So begins Marcy's desperate search to find Devon, to find herself, and to find the disturbing truth that might, in the end, be her only salvation. Now You See Her vividly displays Fielding's rare talent for creating the kind of tension, suspense, and compelling heroines readers crave. Riveting from start to finish, it's one fans won't want to miss.
