Silent Kingdom reveals the world beneath the waves in an ethereal collection of black-and-white underwater photography. Through stunning black-and-white images, award-winning photographer Christian Vizl uses a masterful control of light and shadow to portray the creatures of the sea as they are rarely seen, at

humans do not reign and discover an unforgettable world that few have ever seen. Though the ocean covers over 70 percent of planet Earth, over 80 percent of that vast wilderness remains unexplored. As human activity begins to impact these once-untouched regions, it is more important now than ever to acknowledge both the
