

Painless The Story Of Samantha Smith 3 By Devon Hartford

From the #1 internationally bestselling author Samantha King, a gripping, emotional psychological thriller about a mother's worst nightmare...The Sleepover asks "Who would you trust to keep your child safe?" It was meant to be the best night of her son's life... Was it his last? Izzy is thrilled when her shy, 12-year-old son is invited for his first sleepover. Nick has spent years being isolated and picked on; he deserves a night of fun and friendship. But Izzy is also nervous: it's a year to the day since bullies put Nick in the hospital. She drops him off at his new best friend's house with mixed feelings. Arriving to collect him the following morning, her worst fears come true...Nick isn't there. Who has taken her son? And will she ever get him back?

Discover how to identify hidden sugar traps in your food while reducing your sugar intake, losing weight, and improving your overall health Did you know that you may be consuming the equivalent of 22 teaspoons of added sugar a day? Added sugars are in practically everything you eat, and you probably eat much more of them than you think. In fact, 80 percent of the 600,000 consumer packaged foods sold in the United States contain added sugar. Most of us are eating way too much of the sweet stuff and don't even know it. Sugar Shock is the ultimate resource you need to break the hold sugar has on you. This easy-to-use guide will help you understand and gain control of the amount of added sugar you consume. It shares the science behind sugar: what it does to you, why your body is wired to crave it, and how to keep track of your intake. Plus, the extensive at-a-glance photo gallery shows hundreds of sugary packaged foods in the market, along with smart swaps for less sugary (but still delicious) options. There are also surefire low-sugar swaps for kids' cereals, snacks, and drinks that even your pickiest eater will love. Sugar Shock is packed with hundreds of nutritionist-approved sugar-zapping strategies: · Get Your Sugar Score - Take the Sweet Tooth Quiz and find out if your daily sugar dose is okay or out of whack. · 7-Day Sugar Tracker - Crack the deceptive code words and measurements that food labels use to fool you, and uncover the truth about your food choices. · Go Clean & Lean - Wean yourself from added sugars with an easy, painless 7-Day Sugar Step-Down Plan. Go further with a 21-Day Sugar-Detox Meal Plan chock-full of hearty meals and satisfying snacks. · 50 Shades of Sugar - Discover the 50+ (!!) types of sugar disguised in many of the foods you eat (hint: Just because a sweetener like honey is "natural" doesn't mean it's better). ·

Smart Sugar Swaps - Trade up to healthier foods that are just as crave-worthy with the Sugar Shock photo guide to beverages, snacks, breakfast, baked goods, soups, sauces—even cocktails! With everything you need take back control of your well-being and your waistline, Sugar Shock is your path to sweet victory and a slimmer, healthier you!

What exactly is a gene? How does cloning actually work? Are designer babies a bad idea? Could we ever clone a human? The Rough Guide To Genes & Cloning answers all these questions and more. From the inside story of cells and their structure and the sleuths who cracked the genetic code to DNA cloning, twins and Dolly the sheep. Illustrated throughout with helpful pictures and diagrams, this Rough Guide turns the microscope on the things that make us what we are.

FROM EXCITING AUTHOR OF PARANORMAL ROMANCE, BILLI JEAN

Sisterhood of Jade: Part One &- a box set 1 - Silver's Chance Within Derrick's hot embrace, Samantha discovers being the hunted just might not be as bad as she thought. 2 - A Spartan's Kiss After enduring centuries of life, Aeros the captain of the immortal Spartans, discovers his grey existence may end—in the arms of Tabithia. Only Tabithia is a witch guilty of crossing Ares, the god responsible for Areos' existence. 3 - Midnight Star Love can be tricky, but so can a Lykae determined to capture his reluctant mate's heart. The Sisterhood of Jade stories introduce a world filled with immortals living side by side with mortals, but undiscovered—at least in the beginning. As the tensions between the Death Stalkers—a brotherhood of immortals working to dominate the world—and the loosely banded together Immortal Council grow, so do the battles and bonds between the factions. If you like passionate erotic romance colored with witches, vampires, werewolves and the Faye, then this is a series you'll enjoy. Each story is filled with fast paced adventures with unexpected twists and turns right alongside deeply passionate love stories that are sure to burn the sheets up.

Now a high school junior, Samantha tries to decide whether she is ready to have sex with her boyfriend, who happens to be the president's son.

According to the last census, one in five people in the United States lives with a disability. Some are visible, some are hidden—but all

are underrepresented in media and popular culture. Now, just in time for the thirtieth anniversary of the Americans with Disabilities Act, activist Alice Wong brings together an urgent, galvanizing collection of personal essays by contemporary disabled writers. There is Harriet McBryde Johnson's "Unspeakable Conversations," which describes her famous debate with Princeton philosopher Peter Singer over her own personhood. There is columnist s. e. smith's celebratory review of a work of theater by disabled performers. There are original pieces by up-and-coming authors like Keah Brown and Haben Girma. There are blog posts, manifestos, eulogies, and testimonies to Congress. Taken together, this anthology gives a glimpse of the vast richness and complexity of the disabled experience, highlighting the passions, talents, and everyday lives of this community. It invites readers to question their own assumptions and understandings. It celebrates and documents disability culture in the now. It looks to the future and past with hope and love.

Psychoanalytic Perspectives on Virtual Intimacy and Communication in Film brings together a group of psychoanalysts to explore, through film, the new forms of communication, mainly the internet, that enter more and more frequently into the affective lives of people, their intimacy and even the analytic room. The contributors, all practising psychoanalysts, analyse the potential and surprising transformations that human relationships, including psychoanalysis, are undergoing. At present, it is difficult to value the future importance and predict the possible disquieting consequences of the use and abuse of the new technologies; we run the risk of finding ourselves unprepared to face this revolutionary transformation in human connections and affects. Will it be possible in a near future that human beings prefer to fall in love with a machine gifted with a persuasive voice instead of a psychoanalyst 'in person'? The contributors explore the idea that virtual intimacy could begin to replace real life, in sentimental and psychoanalytic relationships. Imagination and fantasy may be strengthened and may ultimately prevail over the body, excluding it entirely. Can the voice of the analyst, sometimes transmitted only by telephone or computer, produce a good enough analytic process as if it were in-person, or will it help to foster a process of idealisation and progressive alienation from real life and connections with other human beings? The film *Her* (2013), alongside others, offers a wonderful script for discussing this matter, because of the deep and thoughtful examination of love and relationships in the contemporary world that it provides. *Psychoanalytic Perspectives on Virtual Intimacy and Communication in Film* will be of great interest to all psychoanalysts and psychoanalytic psychotherapists interested in the ongoing impact of technology on human relationships.

In Alafair Burke's electrifying thriller, *Dead Connection*, a rookie detective goes undercover on the Internet dating scene to draw out a serial killer targeting single women in Manhattan. When two young women are murdered on the streets of New York, exactly one year apart, Detective Ellie Hatcher is called up for a special assignment on the homicide task force. The killer has left behind a clue connecting the

two cases to First Date, a popular online dating service, and Flann McIlroy, an eccentric, publicity-seeking homicide detective, is convinced that only Ellie can help him pursue his terrifying theory: someone is using the lure of the Internet and the promise of love to launch a killing spree against the women of New York City. To catch the killer, Ellie must enter a high-tech world of stolen identities where no one is who they appear to be. And for her, the investigation quickly becomes personal: she fits the profile of the victims, and she knows firsthand what pursuing a sociopath can do to a cop-back home in Wichita, Kansas, her father lost his life trying to catch a notorious serial murderer. When the First Date killer begins to mimic the monster who destroyed her father, Ellie knows the game has become personal for him, too. Both hunter and prey, she must find the killer before he claims his next victim—who could very well be her. Expertly plotted and perfectly paced, Dead Connection advances Alafair Burke to the front ranks of American thriller writers.

A character-driven study of some of the darkest moments in our national history, when America failed to prevent or stop 20th-century campaigns to exterminate Armenians, Jews, Cambodians, Iraqi Kurds, Bosnians, and Rwandans.

Everyone is dying to live in the Shadows of the Forest. They gave me three rules to follow in exchange for my brother's life: 1. Do not enter the West Wing; 2. Do not go outside after darkness falls; and 3. There is only one exit; The Gates. This is what happened when I broke them...

The 25 Laws of Parenting to Keep Your Kids on Track, Out of Trouble, and (Pretty Much) Under Control

Victory RUN 1-2-3

Ready Or Not

Journeying with her mother to an estranged aunt's Welsh farm, six-year-old Lily fixates on a fairy tale her cousins have invented and vanishes into a nearby forest, prompting the family adults to investigate kidnapping suspicions while the children wonder if the fairy tale is true. A first novel. 12,500 first printing.

The New York Times bestselling first novel in the Bone Season series, an epic fantasy about a young woman fighting to use her powers and stay alive in an England entirely different from our own. In 2059, Scion has taken over most of the world's cities, promising safety for all the citizens it deems worthy and wiping out clairvoyants wherever it can find them. Paige Mahoney, though, is a clairvoyant--and a criminal just for existing. Paige is determined to fight Scion's power, and as part of the Seven Seals, Paige has found a use for her powers: she scouts for information by breaking into others' minds as they dream. But when Paige is captured and arrested, she encounters a power more sinister even than Scion. The voyant prison is a separate city, controlled by a powerful, otherworldly race. These creatures, the Rephaim, value the voyants highly--as soldiers in their army. Paige is assigned to a Rephaite keeper, Warden, who will be in charge of her care and training. He is her master. Her natural enemy. But if she wants to regain her freedom, Paige will have to learn something of his mind and his own mysterious motives. The Bone Season introduces a compelling heroine--a young woman learning to harness her powers in a world where everything has been taken

from her. It also introduces an extraordinary young writer, with huge ambition and a teeming imagination. Samantha Shannon has created a bold new reality in this riveting debut.

This fun-filled guide to learning vocabulary replaces the fear with fun! Students will learn the meanings of new words by seeing them used in amusing contexts, find examples of vocabulary for modern technology, learn Greek and Latin word roots, track progress with challenging games, and more. Titles in Barron's extensive Painless Series cover a wide range of subjects taught at middle school and high school levels. Perfect for supporting state standards, these books are written for students who find the subjects somewhat confusing, or just need a little extra help. The authors' main goal is to clear up confusion and pique interest by emphasizing the intriguing and often exciting ways in which students can put each subject to practical use. Most of these books take a lighthearted, humorous approach to their subjects, and offer fun exercises including puzzles, games, and challenging "Brain Tickler" problems to solve. Bonus Online Component: includes additional games to challenge students, including Beat the Clock, a line match game, and a word scramble. Includes a new appendix.

PainlessThe Story of Samantha Smith #3Devon Hartford

A Groundbreaking Four-Step Solution to Stress and Overwhelm—Tailored to Your Life Do more. Be more. Try harder. It's the battle cry of our culture, and it's making millions of us sick, tired, and frustrated. Why? Because we simply can't solve stress and overwhelm by doing more and more of what we've been doing. With *Overcoming Overwhelm*, Dr. Samantha Brody offers an alternative. "You don't need new ways to manage your stress," teaches Dr. Samantha, "you need to prevent it from overwhelming you in the first place." Using her proven and practical techniques that have already helped thousands, this pioneering naturopathic physician teaches you how to systematically undo overwhelm, with four simple steps: Step 1) Find Your True North. Clarify what is truly important to you. Who do you want to be, how do you want to feel, and what do you want your day-to-day life to look like? Step 2) Establish Your Foundation. Identify what roadblocks may get in your way of making the changes that will help you live the life of ease you crave. You'll make a plan for assembling a team that can help you reach your goals, and you'll fortify your mindset to prepare for success. Step 3) Take Your Overwhelm Inventory. Determine your unique causes of stress (some obvious, and many that will surprise you) in your physical surroundings, health, habits, relationships, thinking patterns, and more. Step 4) Create and Launch Your Personal Plan. Start making the targeted changes that will help you rid your life of overwhelm and radically improve your well-being on all levels—body, mind, and spirit. For decades, Dr. Samantha has helped people to transform their lives with her innovative approach. Now you can use the same tested tools and guidance to experience the freedom of better health, greater resilience, and peace of mind.

Examining more than 120 titles, this book discusses the history of verse novels, analyzes key works, and considers how this increasingly popular sub-genre of young adult fiction can grapple with content that distinguishes it from traditional fiction for teens.

*****This edition collects the entire four part series in one book. Bestselling author Devon Hartford puts a unique spin on the billionaire romance genre. Laughs, ugly cries, steam,**

suspense, and above all, surprises. River Freeman is still heartbroken long after the man she thought was her one true love mysteriously walked out of her life. Deep down, she knows she's not over him. She does her best to distract herself from her pain by focusing on paying her bills and finishing her associates degree. Rugged and enigmatic Drakken Skalakova fills the jagged hole in his heart with money, power, and the affection of every woman who lays eyes on him. He's visiting the U.S. for one year to oversee a top secret billion dollar business deal. The last thing he wants is a meaningful relationship. When Drakken and River's paths crash together, they can't deny their intense mutual attraction. They both crave the blissful distraction of down and dirty sex. Neither of them are looking for love. They both know love hurts too much. But a lot can happen in one year.

For the first time in her life, Daphne Bowman wants to get in shape. She wants her beauty back and she's determined to get it. The last thing she's looking for when she signs up for a membership at Body Fitness is a love connection. Apollo Armstrong is a personal trainer with an emotional hole in his heart that he is trying to fill with the love of a good woman. He's tired of meaningless dates with meaningless women who have nothing to offer but their bodies. He wants a real connection. From the moment they meet, their connection is electric. But is it enough to keep them together forever? **TAKING BACK BEAUTIFUL** is a fast read with loads of sweet and sexy feels, the scorching hot sex you expect, and the happy ending you demand. Both kinds.

Murray, a loner who communes with the dead in the town cemetery, hears the voice of a murdered cheerleader and tries to convince the adults that he knows what happened to her. But who believes him? He's a loser. Can he even believe in himself? Also comes Pearl, the daughter of the cemetery caretaker, who befriends Murray and tries to enter his world. Together they may prove the astonishing possibility that Nikki is closer than anyone thinks. "Dead Connection is a smart, funny, very clever page turner; unique and fun to read. As much as I wanted the mystery solved, I didn't want it to end. You're going to like this book." --Chris Crutcher

Have you ever dreamed of being a rock star? Girl guitar shredder Victory Payne dreams about it every night. She is the hottest lead guitar player on the night club scene of Hollywood's infamous Sunset Strip. With nothing but her car and her guitar, she's ready to claw her way to success. Victory never gives up. Like the rebel she is, Victory broke the only rule in Rock & Roll: Don't sleep with anyone in the band. She fell in love with her lead singer, the gorgeous and brooding Scott Walker. That's mistake number one. Mistake number two is a roadblock named Kellan Burns. Kellan is primed to claim the title of hottest lead guitar player in Los Angeles with his rugged good looks and his own guitar slung as low as his tight jeans. Kellan isn't the kind of guy to let some upstart babe with a six string stand in his way. Victory Payne, meet Kellan Burns. **BOOM**. You will need a fire extinguisher for this one. ***This edition collects the serialized novels Victory RUN 1, Victory RUN 2, and Victory RUN 3 into a single volume.

FEARLESS is the first in a series of full length novels. After moving from stuffy Washington D.C. to laid back San Diego, Samantha Smith hopes to shed her troubled past and reinvent herself as a freshman at San Diego University. Her parents are pressuring her to major in Accounting, because it's the safe thing to do. But Samantha really wants to try something more adventurous, and secretly dreams of ditching the business major to study Art instead. When she crosses paths with a handsome tattoo-clad bad boy, her life is turned upside down, and Samantha finds herself with more adventure than she ever dreamed possible. CONTENT WARNING: Due to sexual situations and strong language, this novel may not be appropriate for readers under 18.

The most entertaining way to master vocabulary for the SAT, ACT, GED, and GRE exams Do you need to brush up on your vocabulary skills for the SAT, ACT, GED, or GRE exam? It's that easy! 1000 cumulative vocabulary words, including synonyms Quotes taken from popular romantic comedies and dramas Other titles by Leaf: Defining Twilight, Defining New Moon, Defining Eclipse, and Defining Breaking Dawn Whether you're the queen of quoting Mean Girls or just want to find a more exciting way to build your vocabulary skills, Name That Movie! A Painless Vocabulary Builder: Romantic Comedy & Drama Edition is for you!

"The law says I can't love her. I don't care what the law says. I'm gonna love her anyway." -Lion Maxwell FEEL THE BEAST. The night the EMTs wheeled Lion Maxwell into my Emergency Room turned my life upside down. Although he was bloody and battered from defending his title as the reigning cruiserweight champion of Mixed Martial Arts, his cocky grin lit up the room. And every cell in my body. Our fiery chemistry was off the charts. The ER staff sensed it. Lion's entourage and his drooling groupies sensed it too. SHE SAID SHE DIDN'T WANT ME. SHE WAS WRONG. If the two of us had been alone, I might have done something entirely unprofessional and completely unethical right there in the exam room. But I was his attending physician. A sexual or romantic relationship with him was grounds for my termination or

worse, revoking my medical license. I wouldn't risk my career on a moment of passion. It didn't stop that arrogant caveman from doing everything he could to get me into his hospital bed. WANTING HIM WOULD RUIN ME... After denying his advances for weeks, the last thing I expected were the wild nights he would be spending in my bed. It was supposed to be nothing more than a secret fling. I knew it couldn't last. He was still my patient. What we were doing was wrong. If anyone found out, it could ruin my life. But we couldn't let go. We were bound to each other on some primal level that consumed us. Sometimes love is tragic. Sometimes two people aren't meant to be together. But sometimes, two people overcome all adversity and build a love that lasts forever. Deep in my heart I knew that Lion Maxwell could be my forever love. As long as we kept our love a secret. I wish I'd known beforehand that some secrets are too hard to keep... ***Broken Lion is a scorching hot standalone romance with an HEA and no cheating. When Samantha, the daughter of a Republican state senator, falls in love with the boy next door, she discovers a different way to live, but when her mother is involved in an accident Sam must make some difficult choices.

Having the same name and birthday as George Washington, a young boy wants everything else in his life just as Washington had it, but he can not find out what Washington ate for breakfast.

At last! The exciting, steamy, action packed conclusion to the Story of Samantha Smith! PAINLESS follows Samantha through the remainder of her first year in college at sunny San Diego University. Oh, and what about that hot hunk Christos Manos? When we last left him, his life balanced on the brink of disaster. What is going to happen to him? You'll have to read PAINLESS to find out! Find out what happens to Samantha, Christos, Romeo, Kamiko, Madison, Jake, and everyone else in PAINLESS, the third and final volume of the series! This book is full of surprises!! WARNING!! Once again, the steam factor in PAINLESS is much higher than in FEARLESS (book 1), but similar to RECKLESS (book 2).

CD-ROM contains: Discussion for thinking critically questions; case studies; NCLEX.

Samantha Barnett would describe herself as an ordinary girl. Flynn McGranger would call her beautiful—if he weren't about to destroy her career. A rich, successful journalist, Flynn aims to write a scathing review of Samantha's little bakery. He never mixes business with pleasure. But the secrets she's clearly keeping intrigue him, and her innocence has caught him off guard... What's happened to him? He's being ridiculous! The Christmas-coated town has gone to his head. Or has this small-town girl unlocked the city-slicker's heart?

Half-angel, half-demon Samantha struggles with her feelings for Bishop, whom her kiss is powerful enough to kill, and helps an angel-demon alliance fight a mysterious darkness that is triggering teen suicides.

An All-American Girl Novel

Dead Connection

Within Derrick's hot embrace, Samantha discovers being the hunted just might not be as bad as she thought. Samantha is on a mission—to find her missing twin. But when her hunt leads her straight into the arms of an ancient Lykae warlord bent on marking her as his—and keeping her away from any possible

harm—she's forced to battle him, Death Stalkers, and her own attraction to the over protective, but sexy wolf. Derrick is an ancient Lykae warlord tricked by the Death Stalkers and chained for centuries in one of their long forgotten halls. The last thing he ever expected was to be freed by not only a female, but also his mate. Now, new to this century and unsure of the reasons she denies their bond, hesd forced to fight by her side to win her heart. As the battle to keep Samantha safe intensifies, Derrick faces the biggest fight of his life—winning Samantha's heart and proving to her that together they just might tame each other.

Samantha and Christos ARE BACK!!!! "I've never given my heart to anyone, agápi mou. You are my first. And you will be my last. You are my forever." - Christos Manos, in RECKLESS (The Story of Samantha Smith #2) Now that Samantha Smith has confronted the demons from her dark past in FEARLESS, she's excited to jump into adulthood with newfound confidence and friends Romeo, Madison, and Kamiko. Samantha passionately hopes that her dreams of becoming an artist are more than girlish fancy. All she has to do for them to come true is change her major from Accounting to Art, but she fears her parents will fly off the handle when she reveals her intentions. Christos Manos, the ultimate bad-boy boyfriend, is committed to staying by Samantha's side, nurturing her and helping her discover her potential, no matter what obstacles are thrown in her way. When Samantha's life starts to unravel, Christos is the only person she can turn to for the emergency support she needs. But Christos is fighting his own dark demons, tangled secrets he's kept hidden from the beginning. Samantha will be tested to the limits of her resilience, and must discover how truly Fearless she can be in the name of love. WARNING!! The steam factor in RECKLESS will be significantly steamier than it was in FEARLESS.

From the heartbreaking Mi'kmaq story of Minnow, a mermaid in the Atlantic who must choose between two worlds to that of Water Lily and her five brothers, told by the Coos in British Columbia, creatures that inhabit fantastic realms appear in many First Nation stories. C. J. Taylor draws from those stories and from her own Mohawk heritage in this collection of haunting tales about some of the powerful spirits who touch the lives of human folk. The spirits of heaven and earth from the Ute help bring an understanding of the stars in the sky. The Cree story, "Souls in the Fog," presents the battle between the good and the evil-minded. The Ojibwa "Fairy Village" is a unique and touching love story. Illustrated with her own powerful oil paintings, this is a collection to read and an excellent story-teller's resource.

Queer history is a living practice. Talk to any group of LGBTQ people today, and they will not agree on what story should be told. Many people desire to celebrate the past by erecting plaques and painting rainbow crosswalks, but queer and trans people in the twenty-first century need more than just symbols—they need access to power, justice for marginalized people, spaces of belonging. Approaching the past through a lens of queer and trans survival and world-building transforms history itself into a tool for imagining and realizing a better future. *Living Queer History* tells the story of an LGBTQ community in Roanoke, Virginia, a small city on the edge of Appalachia. Interweaving historical analysis, theory, and memoir, Gregory Samantha Rosenthal tells the story of their own journey—coming out and transitioning as a transgender woman—in the midst of working on a community-based history project that documented a multigenerational southern LGBTQ community. Based on over forty interviews with LGBTQ elders, *Living Queer History* explores how queer people today think about the past and how history lives on in the present.

Ellyn Johnson is a struggling single mother living in The Bronx and like most women in her position she enjoys dreaming about what it might be like to be swept off her feet by a handsome, young Billionaire. A man who can solve all her problems, introduce her to the good life and, most importantly, make her happy. Ellyn knows that things like this normally only ever happen in fairy tales but she also knows that sometimes you have to get out there and make things happen for yourself. So when Ellyn hears of a party in Manhattan that will have lots of young, rich men attending she and her friend hatch a plan to try and sneak in. Only this plan involves her pretending to be someone she isn't. It is at this party that she meets Colon Hamilton the third, a billionaire who counts a talent agency as one of his many businesses. Colon is more than interested in getting to know Ellyn but does he want to know her or the woman she is pretending to be? And how long can she carry on dating a billionaire before her true identity is discovered?

A Novel

Laying Down the Law presents 25 no-nonsense rules that teach your kids values and discipline from the inside out NBC Today show expert Dr. Ruth Peters shares her best and newest advice for helping families restore order and keep the peace with proven, painless methods that once and for all get your children to: * Understand and follow

*your family's values * Do their work when and how YOU want it done--without whining * Follow your rules, even when their friends don't * Develop compassion and empathy Now, you'll know: * When snooping in their rooms is okay--and how to do it * When making peace is the WORST thing you can do * The 5 questions you must ask your teenager every time he leaves the house * Why your kids should earn their privileges--and how to get them to*

Clinical Case Studies for the Family Nurse Practitioner is a key resource for advanced practice nurses and graduate students seeking to test their skills in assessing, diagnosing, and managing cases in family and primary care. Composed of more than 70 cases ranging from common to unique, the book compiles years of experience from experts in the field. It is organized chronologically, presenting cases from neonatal to geriatric care in a standard approach built on the SOAP format. This includes differential diagnosis and a series of critical thinking questions ideal for self-assessment or classroom use.

How many ways can the past come back to haunt you? Hard-nosed Dallas detective Lee Henry Oswald is about to find out. When a bourbon-swilling Baptist preacher hires private detective Lee Henry Oswald to recover a stolen file, Oswald figures the job for a quick and painless infusion of cash. But nothing comes easily in Dallas for anybody named Oswald, especially when a psychopathic hit man from out of town shows up, intent on finding the same scrap of missing paper. With the police after him for a murder he didn't commit and his every move shadowed by the strange mobster, Hank Oswald gratefully accepts an extortion case in an effort to get out of town for a few days. State Senator Eddie Black, the tree-hugging black sheep of an oil-rich East Texas family, has a problem. Somebody wants him to change his vote on an important environmental bill. If he refuses, Black's long-time friend and his entire family will be killed, one by one, starting with the oldest child, the head-strong Tess McPherson. In the aftermath of a bloody encounter with the mobster at Tess McPherson's apartment, Oswald finally realizes the chilling connection between the two cases: a dead man named Billy Barringer, Hank's onetime best friend and the firstborn son of an East Texas crime boss. As the stakes mount, each treacherous step toward the missing file forces Oswald to confront the haunting memory of a split second decision which ultimately cost Billy Barringer his life. Now it looks like the dead man's family has teamed up with the new player in town, and everybody's got Oswald in their cross hairs. As the clock ticks down to a startling climax, Oswald races across the mean streets of Dallas to find the missing file and the secret it holds. Once the file is found, the explosive discovery forces a dangerous decision, one full of hard choices Oswald thought had been left long ago in his murky past.

Collecting The Story of Samantha Smith #1-3 Three full-length novels: Fearless, Reckless, and Painless At the age of sixteen, Samantha Smith's innocence was shattered in the blink of an eye. She kept the pain to herself for three years, burying her terrible secret beneath black clothes and black makeup, afraid to tell anyone. The price for her silence was the loss of her happiness and all of her friends. After moving from stuffy Washington D.C. to laid back San Diego, where Samantha is now a freshman at San Diego University, she is determined to find new friends and reclaim her optimistic spirit. Having thrown away her goth exterior, she hopes that her new sunny look will heal her wounds. Dreaming of adventure, she wishes to escape the humdrum middle-class existence that has repressed her fiery nature for as long as she can remember. But her parents are pressuring her to major in Accounting because it's the safe thing to do. Samantha secretly considers ditching the business major to study Art, a choice that would horrify her parents if they ever found out. When Samantha crosses paths with a

troubled, handsome, tattoo-clad bad boy, her life spins into overdrive, and Samantha finds herself juggling more adventure than she ever dreamed possible.

"This beautifully illustrated slice-of-life tale that shows two young women of color getting to know each other and creating a relationship is so warm and charming that readers will hardly notice how much they are learning about how to better interact with folx who are different from themselves and the importance of not making assumptions."

-- Kirkus Reviews "...soft, expressive art adds a visceral charge to the couple's very human experiences, which range from excitement and affection to pain and doubt." --

Publisher's Weekly "This wholesome plot focuses on building understanding, offering mutual support, and budding self-acceptance, as well as the importance of asking rather than making assumptions; avoiding othering; and regarding all those in one's orbit with compassion...A charming, sensitive story of love and acceptance." --School

Library Journal " In a technologically advanced near future, two young women bumble through their first dates and fights together as they enjoy the exhilaration of new

love....Always Human by Ari North is an endearingly feel-good sapphic romance set against a diverting futuristic backdrop." --Samantha Zabolki, Shelf Awareness First

serialized on the popular app and website WebToon, Always Human ran from 2015-2017 and amassed over 76,000 unique subscribers during its run. Now reformatted for a print

edition in sponsorship with GLAAD, Always Human is a beautifully drawn graphic novel about a developing relationship between two young women in a near-future, soft sci-fi

setting. Always Human is drawn in a manga-influenced style and with an incredible color palette that leaps off the page! In the near-future, people use technology to give

the illusion of all kinds of body modifications-but some people have "Egan's Syndrome," a highly sensitive immune system that rejects these "mods" and are unable

to use them. Those who are affected maintain a "natural" appearance, reliant on cosmetics and hair dye at most to help them play with their looks. Sunati is attracted to

Austen the first time she sees her and is drawn to what she assumes is Austen's bravery and confidence to live life unmodded. When Sunati learns the truth, she's still

attracted to Austen and asks her on a date. Gradually, their relationship unfolds as they deal with friends, family, and the emotional conflicts that come with every romance.

Together, they will learn and grow in a story that reminds us no matter how technology evolves, we will remain . . . always human. Rendered in beautiful detail and an

extraordinary color palette, Always Human is a sweet love story told in a gentle sci-fi setting by a queer woman cartoonist, Ari North.
