He is actually Azrael, the angel of death, an immortal sentinel created thousands of years ago before the dawn of man for the purpose of finding and destroying true evil. Azrael and his Core, a group of highly trained commandos, have just squashed attempted attacks on New York and Chicago by terrorists wielding neutron bombs. In the process, they discovered who was behind the threat: the Ba, an ancient warrior people controlled by a demon-the demon Azrael has been battling for more than three thousand years. Now the fight is about to come to a climax as Azrael and his team pursue the demon across the United States and Europe in a desperate effort to prevent a global nuclear holocaust.
