

Panis Angelicus Young Band Grade 2 5 Score And Parts

"This book presents music titles in which the organ is part of a chamber ensemble.

Alphabetized by composer, entries contain the bibliographical information for each title and a brief commentary or description, as well as information on the level of difficulty, timing, mood,

fingerings/pedalings, and other performance aids. The selections are suitable for concerts and religious services and are

written in a variety of styles, from Baroque to contemporary." "This catalogue will be of interest to church organists searching for a

piece for organ and brass appropriate for Easter, visiting instrumentalists choosing music for a Sunday service, teachers

introducing their organ students to the experience of accompanying a violin, and instrumentalists seeking a composition to play with the organ, among many

others."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

A Compendium of Articles from the Instrumentalist from 1946 to 1989 on the Administrative Side of Being a School Music Director

Renewal registrations. Music. Part 14B

This is a five-volume series on major contemporary composers and their works for wind band. Included in this initial volume are rare, behind-the-notes perspectives acquired from personal interviews with each composer. An excellent resource for conductors, composers or enthusiasts interested in acquiring a richer musical understanding of the composers' training, compositional approach, musical influences and interpretative ideas. Features the music of: Timothy Broege, Michael Colgrass, Michael Daugherty, David Gillingham, John Harbison, Karel Husa, Alfred Reed and others.

Teaching Brass helps music education students learn to play and teach brass instruments. It is unique in combining exercises, instruction, and reference material that students can use after they move into their teaching career. Written by five brass players, it addresses the problems of learning and teaching each instrument from the view of an expert teacher on each instrument. - Back cover.

Suggestions for Teaching Music in Primary Schools

Music, Books on Music, and Sound Recordings

Sound and taste conjugate a special relationship, and they are often presented and represented together. The linkage between music and food has been a traditional field for artists to suggest, among various emotions, love and sexual desire, happiness, fear, and rebellion, as well as environmental, urban, ethnic, and class values. This multi-author

book explores the interconnectedness of music and food and their meaningful relations. With a multicultural approach, chapters focus on various historical periods and world cultures. Music and food links are explored within the framework of different disciplines, such as musicology, literature, anthropology, and history. General lines for a theoretical base are developed by specialists from diverse fields.
