first language is not English. The book reflects the changes in the O Level Principles of Accounts syllabus and applies international accounting terminology. Beautifully written and wonderfully absorbing, *The Reckless Decade* is the most accessible survey history of America's turbulent 1890s ever composed.-Douglas Brinkley Just as we do today, Americans of the 1890s faced changes in economics, politics, society, and technology that led to wrenching and sometimes violent tensions between rich and poor, capital and labor, white and black, East and West. In *The Reckless Decade*, H. W. Brands demonstrates how we can learn about the

contradictions that lie at the heart of America today by looking at them through the lens of the 1890s.

*The Theory of Political Economy*

*Summerhill School*

*IGCSE English as a Second Language*

Arabic-English-Arabic Legal Translation provides a groundbreaking investigation of the issues found in legal translation between Arabic and English. Drawing on a contrastive-comparative approach, it analyses parallel authentic legal documents in both Arabic and English to examine the features of legal discourse in both languages and uncover the different translation techniques used. In so doing, it addresses the following questions: What are the features of English and Arabic legal texts? What are the similarities and differences of English and Arabic legal texts? What are the difficult areas of legal

translation between English and Arabic legal texts? What are the techniques for translating these difficult areas on the lexical and syntactic levels? Features include: A thorough description of the features of legal translation in both English and Arabic, drawing on empirical new research, corpus data analysis and strategic two-way comparisons between source texts and target texts Coverage of a broad range of topics including an outline of the chosen framework for data analysis, a historical survey of legal discourse developments in both Arabic and English and detailed analyses
