Since that time, his heart''s desire has been for children''s ministry. His goal is that each child would know they are loved, valued, and accepted; that teachers would be trained to fulfill their mandate to disciple kids; and that parents would be equipped to love their kids into God''s kingdom. To that end, he has traveled to hundreds of churches, spoken at hundreds of camps, and served as a children''s pastor for twenty-five years. He currently serves in Canada''s largest evangelical church, Centre Street Church, where he oversees kindergarten through fourth-grade children and their families. He is also a professional illusionist, having performed thousands of shows for over twenty-five years. Randy is married and has two daughters who joined his family through adoption. An exuberant, wildly inventive debut about a young woman fascinated by her ancestors' legendary "falling curse" and trying to keep her own family from falling apart. Marta and her twin brother Nick have always been haunted and fascinated by an ancestral legend that holds that members of their family are doomed to various types of falls. And when their own family collapses in the wake of a revelation and a resulting devastating fight with their Catholic mother, the twins move to Prague, the city in which their “falling curse” began. There, Marta and Nick try to forge a new life for themselves. But their ties to the past and each other prove difficult to disentangle, and when they ultimately return to their midwestern home and Nick falls from a balcony himself, Marta is forced to confront the truths they've hidden from each other and themselves. Ingeniously and unforgettably narrated by Marta as she reflects on all the ways there are to fall--from defenestration in nineteenth century Prague to the pratfalls of her childhood idol Buster Keaton, from falling in love to falling midflight from an airplane--Defenestrate is a deeply original, gorgeous novel about the power of stories and the strange, malleable bonds that hold families together.

One of our children even began using his Bible to speak out prophetic words and call out what God was doing in both the room and at home! You have potential, even if it's hidden. You have talent, even if you're afraid to use it. Your dreams just might change the world if you only believe the truth: I'm possible. Internationally known celebrity photographer and philanthropist Jeremy Cowart shares his powerful story of transcending the traditional, following his ideas into a life lived in the fullness of possibility. Jeremy started out as a failure. Growing up, his life was defined by the words I can't do it. Consistently bringing home poor grades, he felt overcome with the feeling that he just wasn't good enough. His parents refused to allow him to be crushed by his lack of self-confidence and reprogrammed his mind with a single sentence: I can do all things through Christ who strengthens me. Armed with that verse, Jeremy began to truly pursue his ideas, no matter how impossible they seemed. From becoming an award-winning

celebrity photographer and visual artist to a philanthropist dedicated to investing dignity and value in people from underserved communities, now Jeremy firmly believes "I'm Possible." This book is perfect for those seeking to: Appreciate your own unique talents and potential contributions to the world Speak your dreams aloud and take the first steps towards making them real Overcome feelings of fear and anxiety to discover your true purpose Build a fulfilling life you love In I'm Possible, Jeremy shares how he found inspiration in frustration, failed forward, and ultimately discovered his true purpose. It's a book that will inspire readers with the message that all things are possible when we engage our God-given purpose to change the world.
