'Raggedy Ann and the Paper Dragon' is written and illustrated by Johnny Gruelle. Gruelle (1880 - 1930), was an American artist and political cartoonist, as well as a children's book illustrator and author. The books of 'The Raggedy Ann Series' all feature their central protagonist, with red yarn for hair and a triangle nose - charting her considerable adventures. Gruelle created Raggedy Ann for his daughter, Marcella, when she brought him an old hand-made rag doll. He drew a face on it, and from his bookshelf, pulled a book of poems by James Whitcomb Riley, combining the names of two poems, 'The Raggedy Man' and 'Little Orphan Annie.' From this moment on, the much-loved children's series went from strength to strength. Sought after by collectors, this re-printed edition showcases Gruelle's original text, further enhanced by his wonderful colour drawings, in order that the two may be fully appreciated by young and old alike.

Bring children's imagination to life with 50 easy prop boxes that inspire creative play.

Poor old dragon. Nobody wants him in their story. Not Goldilocks, not Hansel and Gretel – no one. But Dragon will not give up! He shall continue on his course of finding someone who wants him in their story. ANYONE. His boundless enthusiasm surely won't get him into any trouble. Surely ... A glorious story about dragons, heroes and one very big sneeze. From author Lou Carter, a phenomenal new talent, and Deborah Allwright, illustrator of the bestselling The Night Pirates. This eBook comes with a glorious audio accompaniment, read by CBeebies star Justin Fletcher.

Come away to Wildflower Kingdom, a faraway fantasy land with princesses, unicorns, and even a dragon! Join eight-year-old Princess Olivia and six-year-old Princess Juniper, sisters who are always off to discover new adventures and important lessons. Juniper feels jealous when the queen says her older sister, Olivia, is big enough to ride the unicorns of Wildflower Kingdom all by herself. Juniper wants to ride by herself, too, and tries every trick she can think of to grow up fast. Can Juniper grow big and tall in just one afternoon? Or will she learn that she can still be a big help by being small? Find out in this fun fantasy princess story for kids ages 6-8.The Fairy Tale Chapter Book Series for Kids are an illustrated set of fantasy adventure books that can be read in any order.

This scrumptious New York Times bestseller has a whole lot of kick! Dragons love tacos. They love chicken tacos, beef tacos, great big tacos, and teeny tiny tacos. So if you want to lure a bunch of dragons to your party, you should definitely serve tacos. Buckets and buckets of tacos. Unfortunately, where there are tacos, there is also salsa. And if a dragon accidentally eats spicy salsa . . . oh, boy. You're in red-hot trouble. The award-winning team behind Those Darn Squirrels! has created an unforgettable, laugh-until-salsa-comes-out-of-your-nose tale of new friends and the perfect snack.

This volume explores Chinese reading development, focusing on children in Chinese societies and bilingual Chinese-speaking children in Western societies. The book is structured around four themes: psycholinguistic study of reading, reading disability, bilingual and biliteracy development, and Chinese children's literature. It discusses issues that are pertinent to improving language and literacy development, and complex cognitive, linguistic, and socio-cultural factors that underlie language and literacy development. In addition, the book identifies instructional practices that can enhance literacy development and academic achievement. This volume offers an integrative framework of Chinese reading, and deepens our understanding of the intricate processes that underlie Chinese children's literacy development. It promotes research in reading Chinese and celebrates the distinguished and longstanding career of Richard C. Anderson.

Between 1550 and 1650, Europe was swept by a fascination with wondrous accounts of monsters and other marvels - of valiant men slaying dragons, women giving birth to animals, young girls growing penises, and all manner of fantastic phenomena. Known as 'fairy tales,' these stories had many guises and inhabited a variety of literary texts. The first two collections of such fairy tales published on the continent, Giovan Francesco Straparola's *Le piacevoli notti* and Giambattista Basile's *Lo cunto de li cunti*, were greeted with much enthusiasm at home and abroad and essentially established a new literary genre. Contrary to popular thought, Italy, not Germany or France, was the birthplace of the literary fairy tale. This fascination with the marvellous also extended to the worlds of science, medicine, philosophy, and religion, and many treatises from the period focused on discussions of monsters, demons, magic, and witchcraft. In *Fairy-Tale Science* Suzanne Magnanini looks at these 'science fictions' and explores the birth and evolution of the literary fairy tale in the context of early modern discourses on the monstrous. She demonstrates how both the normative literary theories of the Italian intellectual establishment and the emerging *New Science* limited the genre's success on its native soil. Natural philosophers, physicians, and clergymen positioned the fairy tale in opposition in opposition to science, fixing it as a negative pole in a binary system, one which came to define both a new type of scientific inquiry and the nascent literary genre. Magnanini also suggests that, by identifying their literary production with the monstrous and the feminine, Straparola and Basile contributed to the marginalization of the new genre. A wide-ranging yet carefully crafted study, *Fairy-Tale Science* investigates the complex interplay between scientific discourse and an emerging literary genre, and expands our understanding of the early modern European imagination.

A delightful collection of modern Chinese tales The Dragon Daughter and Other Lin Lan Fairy Tales brings together forty-two magical Chinese tales, most appearing for the first time in English. These stories have been carefully selected from more than a thousand originally published in the early twentieth century under the pseudonyms Lin Lan and Lady Lin Lan—previously unknown in the West, and now acclaimed as the Brothers Grimm of China. The birth of the tales began in 1924, when one author, Li Xiaofeng, published a set of literary stories under the Lin Lan pen name, an alias that would eventually be shared by an editorial team. Together, this group gathered fairy tales (tonghua) from rural regions across China. Combining traditional oral Chinese narratives with elements from the West, the selections in this collection represent different themes and genres—from folk legends to comic tales. Characters fall for fairies, experience predestined love, and have love/hate relationships with siblings. Garden snails and snakes transform into cooking girls, and dragon daughters construct houses. An introduction offers historical and social context for understanding the role that the Lin Lan stories played in modern China. Appendixes include information on tale types and biographies of the writers and contributors. *The Dragon Daughter and Other Lin Lan Fairy Tales* is a captivating testament to the power of storytelling.

Enjoy this epic fantasy romance series by USA Today bestselling author M. Lynn. There is only one way to be free of the curse. Etta Basile has to die. The only other option is to give in to the magic that has held generations of her family tied to their greatest enemies. And Etta refuses to die. Thrust into a tournament to fight for her life, Etta knows something the royal family does not. If they have her killed, they too lose something they hold dear. Their beloved prince. His life is tied to Etta's by a power they can't imagine. If she survives the tournament, she must protect him at all costs, despite his family's persecution of her people. But as she searches for a way to break the unbreakable magic, she realizes he is not the enemy she wants to believe. The closer she gets to Prince Alexandre, the harder it is to remember who she truly is. A girl whose true identity must remain hidden. A girl with an illegal ability that can lead to her execution. A girl who has already lost everything there is to lose. As the Basile curse throws everything into question, Etta must figure out the difference between love and magic. If there is one at all. This set contains all seven books in the Fantasy and Fairytale series. Dive in to an epic adventure full of magic, forbidden romance, and dangerous rebellions. KEYWORDS: fantasy books, Rapunzel, fairytale fantasy, fantasy romance, romantic fantasy, full length fantasy, warrior queen, magic, boxset, box set, compilation, omnibus Other Authors You May Enjoy: Raven Kennedy, Kelly St. Clare, Caroline Peckham, Susanne Valenti, C.N Crawford, Elise Kova, Robin D. Mahle, Elle Madison, D.K. Holmberg, Cordelia Castel, Kay L Moody, and Alisha Klapheke.
