Fortune,

In 1907 and  
again in 1908  
Adolf Hitler  
applied for  
entry at the  
Academy of Fine  
Arts in Vienna.  
He was rejected  
on both  
occasions - a

professor  
citing  
"unfitness for  
painting." It  
seems that this  
decision has  
been deemed by  
many historians  
as not a  
significant  
event. But what  
if Adolf Hitler  
had been

File Type PDF

accepted to the prestigious Academy of Fine Arts? Prior to this rejection, Adolf had sold some of his paintings so it would not have been unthinkable for him to have been accepted.

File Type PDF

Some have thought that perhaps he had been rejected by Jewish professors and so began his hatred of the Jews. Again, we have to think about what if Adolf Hitler had been

File Type PDF

accepted in the Academy of Fine Arts? Would that have change his path and therefore changed the course of history? Would someone else have simply taken his place? "The

File Type PDF

Artist Formerly  
Known as Adolf  
Hitler," is a  
novel that  
looks at what  
the world may  
have looked  
like had he  
chose a  
different  
course in life.  
For many  
people, the

File Type PDF  
Paper On Art  
Museum Visit

name Adolf  
Hitler is the  
embodiment and  
true definition  
of evil. The  
purpose of this  
book is not to  
venerate Adolf  
Hitler. This  
story is meant  
to have the  
reader think in  
a different way

File Type PDF  
Paper On Art

about Adolf  
Hitler. Was  
Adolf Hitler  
predestined to  
be the  
architect of  
one of the most  
horrendous and  
evil events in  
modern history,  
or was it  
simply a series  
of bad choices

File Type PDF

and decisions  
and eventually  
choosing the  
wrong course in  
life? There is  
evidence that  
in Adolf  
Hitler's youth,  
he had many  
interactions  
with Jewish  
people and in  
some cases,

ones. What were

those events or

that shaped his

What if we had

to walk a mile

File Type PDF

in Adolf  
Hitler's shoes?  
Many find such  
a thought  
preposterous.  
But what if we  
had his  
formative  
years? What if  
we had his  
physiology?  
What if we had  
the same path

File Type PDF

and obstacles  
to go down or  
around as he?  
Would we make  
the same  
decisions?

While we may  
judge people  
like Hitler,  
Stalin and Mao  
as ruthless and  
evil dictators,  
had we been

File Type PDF  
Paper On Art

born to live  
their lives,  
would we have  
made different  
choices while  
in their shoes?  
To this point,  
are all human  
beings just  
subject to  
their  
predestined  
fate, or do we

all the unfettered opportunity to make the correct or incorrect choices that lead us down a certain path? Another aspect of this novel looks at how the 20th

File Type PDF  
Paper On Art

century would  
have  
transpired, had  
Adolf Hitler  
chosen another  
path. Is it  
likely World  
War II would  
have occurred?  
If it hadn't  
what would the  
world look  
like? The war

File Type PDF  
Paper On Art

was directly responsible for the economic upturn for the United States and many countries, lifting them from the malaise of the Great Depression. What would have

File Type PDF  
Paper On Art  
Museum Visit

become of the  
Soviet Union?  
Would we have  
landed a man on  
the moon? The  
war brought  
about economic,  
political and  
technological  
changes to an  
extent that had  
never been  
experienced

before in history. What would this have meant for the Jewish race as well as all people all around the world? The book also looks at what might have happened to some notable

people affected  
directly or  
indirectly by  
Adolf Hitler  
had he lived  
his life  
differently.

What might have

Luxemburg and  
Karl Leibknecht?

File Type PDF

What might have happened to Ann Frank? Who was Ernst Thallman and Marla de los Remedios Alicia Rodriga Varo y Uranga? What is amazing to think in terms of, is that how could the decisions

completed with 105 visitors at three museums nation-wide. It was found that most art museum visitors reported experiencing some level of inspirational feelings during their visit. Visitors were

inspired by many different aspects of their visits, most frequently citing specific works of art, visual and technical aspects of the art on view, and the art as a representation of the artists' own inspiration and

action. Visitors also indicated that feeling inspired positively impacted their museum visits. Visitors who did not feel inspired overwhelmingly provided other positive emotional responses to their museum visits.

This study provides evidence that art museums are inspiring to their visitors, and could inform the expansion of emotion-based research in art museum spaces.
