Paper Plate Character Masks

A goofy and lonely denizen of the jungle has just one talent -- scaring other creatures with his big, scary teeth! What would he do without

Acces PDF Paper Plate Character Masks

them? Deep in the jungle lurks Alan the alligator, descended from a long line of very scary alligators. He prepares carefully -- polishing his scales, brushing each of his big, scary teeth, and practicing his frightening faces -- then sneaks into

Acces PDF Paper Plate Character Masks

the jungle to terrorize the jungle critters. ("I'm big, scary Alan! Fear my razor-sharp teeth!") But after a long day of scaring, Alan likes nothing better than to enjoy the crossword, run a warm mud bath, and take out his teeth, which nobody

else knows are false. Until one morning, when Alan wakes up and finds that his teeth are gone! Without those teeth, he's just not very scary, and scaring is the only thing he knows how to do. Or is it? Witty, charming, and playful

storytelling will have preschoolers cheering for Alan as he discovers a new way to fit in.

A hilarious read-aloud favorite about some foolish farm animals who decide to trade roles—and discover just how hard it is to do someone else's job, from award-winning author Lester L. Laminack and

Acces PDF Paper Plate Character Masks

celebrated illustrator Henry Cole. The Tuckers' farm is a peaceful place where everyone has a job and no one complains. That is, until a hapless peacock falls off the back of a passing truck and

stirs things up. Soon, customers are flocking to the farm to see what all the fuss is about. But the hens don't like the newcomer getting attention while they do all the hard work. When a wise old

helps orchestrate a job swap.
What follows is the riotous tale
of three hens who get in way
over their feathered heads,
and one very distressed
