of new readers each year. Subsequent works, such as *The Story of B* and *My Ishmael*, expanded upon his insights and teachings, but only now does he finally tackle the one question he has been asked hundreds of times but has never taken on: "How do you do what you do?" In *If They Give You Lined Paper, Write Sideways* Quinn elucidates for readers the methods behind his own thought processes, challenging and ultimately empowering them to view the world for themselves in creative, perhaps even revolutionary ways. *If They Give You Lines*

**Paper, Write Sideways also includes Quinn's never-before-published essays "The New Renaissance" and "Our Religions." There is a scientific consensus that global warming is approaching a tipping point beyond no return faster than had previously been predicted. Quinn has long portrayed humans as "a species of beings, which, while supposedly rational, are destroying the very planet they live on." So what are we to do? There has never been a plan for the future - and there never will be. But something extraordinary will happen in the next**
