“Will keep readers on edge from start to finish.” —Kirkus Reviews Tell the truth. Or face the consequences. Clue meets Riverdale in this page-turning thriller that exposes the lies five teens tell about a deadly night one year ago. One year ago, there was a party. At the party, someone died. Five teens each played a part and up until now, no one has told the truth. But tonight, the five survivors arrive at an isolated mansion in the hills, expecting to compete in a contest with a \$50,000 grand prize. Of course...some things are too good to be true. Now, they realize they’ve been lured together by a person bent on revenge, a person who will stop at nothing to uncover what actually happened on that deadly night, one year ago. Five arrived, but not all can leave. Will the truth set them free? Or will their lies destroy them all?

This Lie Will Kill You

An extraordinary, providive novel based on the true story of a family of Polish Jews who scatter at the start of the Second World War, determined to survive, and to reunite. It is the spring of 1939, and three generations of the Kurc family are doing their best to live normal lives, even as the shadow of war grows ever closer. Driven by an extraordinary will to survive and by the fear that they may never see each other again, the Kurcs must rely on hope, ingenuity, and inner strength to persevere. Meet Sarah and David. Sarah and David are like any other couple. They met, they fell in love, but now they’re on the verge of divorce. On a routine trip to the marriage counsellor, they notice a few odd things -- the lack of cars on the road, the missing security guard, and the fact that their counsellor, Dr Kelly, is ripping out her previous client’s throat. Meet the zombies.Now, Sarah and David are fighting for survival in the middle of the zombie apocalypse. But just because there are zombies, it doesn’t mean your other problems go away. And if the zombies don’t eat their brains, they might just kill each other.

The New York Times bestseller by the author of The Bone Clocks and Cloud Atlas | Named One of the Best Books of the Year by San Francisco Chronicle, NPR, Los Angeles Times, The Guardian, The Telegraph, National Post, BookPage, and Kirkus Reviews Keep your eyes peeled for a small black iron door. Down the road from a working-class British pub, along the brick wall of a narrow alley, if the conditions are exactly right, you’ll find the entrance to Slade House. A stranger will greet you by name and invite you inside. At first, you won’t want to leave. Later, you’ll find that you can’t. Every nine years, the house’s residents—an odd brother and sister—extend a unique invitation to someone who’s different or lonely: a precocious teenager, a recently divorced policeman, a shy college student. But what really goes on inside Slade House? For those who find out, it’s already too late. . . . Spanning five decades, from the last days of the 1970s to the present, leaping genres, and barreling toward an astonishing conclusion, this intricately woven novel will pull you into a reality-warping new vision of the haunted house story—as only David Mitchell could imagine it. Praise for Slade House “A fiendish delight . . . Mitchell is something of a magician.”—The Washington Post “Entertainingly eerie. . . . We got to [Mitchell] for brain-tickling puzzle palaces, for character studies and for language.”—Chicago Tribune “A ripping yarn. . . . Like Shirley Jackson’s Hill House or the Overlook Hotel from Stephen King’s The Shining, [Slade House] is a thin sliver of hell designed to entrap the unwary. . . . As the Mitchellverse grows ever more expansive and connected, this short but powerful novel hints at still more marvels to come.”—San Francisco Chronicle “Like Stephen King in a fever. . . . Mitchell is, amazingly ingenious.”—The Guardian (U.K.) “A haunted house story that savors of Dickens, Stephen King, J. K. Rowling and H. P. Lovecraft, but possesses more psychic voltage than any of them.”—Pittsburgh Post-Gazette “Tightly crafted and suspenseful yet warmly human. . . . the ultimate spooky nursery tale for adults.”—The Huffington Post

NATIONAL BESTSELLER • A spare yet eloquent, bittersweet yet inspiring story of a man and a woman who, in advanced age, come together to wrestle with the events of their lives and their hopes for the imminent future. In the familiar setting of Holt, Colorado, home to all of Kent Haruf’s inimitable fiction, Addie Moore pays an unexpected visit to a neighbor, Louis Waters. Her husband died years ago, as did his wife, and in such a small town they naturally have known of each other for decades; in fact, Addie was quite fond of Louis’s wife. His daughter lives hours away, her son even farther, and Addie and Louis have long been living alone in empty houses, the nights so terribly lonely, especially with no one to talk with. But maybe that could change? As Addie and Louis come to know each other better—their pleasures and their difficulties—a beautiful story of second chances unfolds, making Our Souls at Night the perfect final instalment to this beloved writer’s enduring contribution to American literature.

“Top-notch”—USA Today “illuminating”—Washington Post “A breath of fresh air”—Entertainment Weekly “Memorable”—People By the New York Times bestselling author of Kids of Appetite! After the sudden collapse of her family, Mim Malone is dragged from her home in northern Ohio to the “wastelands” of Mississippi, where she lives in a medicated milieu with her dad and new stepmom. Before the dust has a chance to settle, she learns her mother is sick back in Cleveland. So she ditchs her new life and hops aboard a northbound Greyhound bus to her real home and her real mother, meeting a quirky cast of fellow travelers along the way. But when her thousand-mile journey takes a few turns she could never see coming, Mim must confront her own demons, redefining her notions of love, loyalty, and what it means to be sane. Told in an unforgettable, kaleidoscopic voice, Mosquitoland is a modern American odyssey, as hilarious as it is heartbreaking.

Intercrual half-siblings come together for the first time and embark on a cross-country road trip to confront their absentee father before he dies.

Now a New York Times bestseller! From the author of Truths I Never Told You, Before I Let You Go, and the The Warsaw Orphan, Kelly Rimmer’s powerful WWII novel follows a woman’s urgent search for answers to a family mystery that uncovers truths about herself that she never expected. “Kelly Rimmer has outdone herself. I thought that Before I Let You Go was one of the best novels I had ever read...If you only have time to read one book this year The Things We Cannot Say should be that book. Keep tissues handy.”—Fresh Fiction “Fans of The Nightingale and Lilac Girls will adore The Things We Cannot Say.”—Pam Jenoff, New York Times bestselling author In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the Russian refugee camp she calls home, a young woman speaks her wedding vows. It’s a decision that will alter her destiny...and it’s a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice, the Nazi occupation takes hold, and Alina’s tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents’ farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the Irenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. The Things We Cannot Say is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Don’t miss Kelly Rimmer’s latest novel, Hard Luck, Alaska—a Town that Needs Women! Location: 50 miles north of the Arctic Circle. Population: 150 (mostly men)—but growing! Because the O’Halloran brothers, who run a bush–plane charter service called Midnight Sons, are heading a campaign to bring women to Hard Luck! Duke Porter. He’s the best pilot Midnight Sons ever had. Tough, rugged, great in a crisis. He’s also an unashamed traditionalist who delights in expressing outrageous opinions. Especially when Tracy Santiago’s around.... But Tracy gives as good as she gets, and their clashes become legendary in Hard Luck! Tracy Santiago. The first time this Seattle attorney came to Alaska, it was on business–business concerning Midnight Sons. Now she comes because she likes the place, likes the people. Even Duke Porter... In fact, she more than likes him–and she can’t understand why. He’s so obviously not the kind of nice, sensitive man she wants. Or thinks she wants.

NEW YORK TIMES BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir This Random House Reader ’s Circle edition includes a reading group guide and a conversation between Firoozeh Dumas and Khaled Hosseini, author of The Kite Runner! “ Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant immigrant embrace of America.” —San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father’s glowing memories of his graduate school years here. More gently soon followed, and the clan has been here ever since. Funny in Farsi chronicles the American journey of Dumas’s wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn stories, we watch the family grapple with American English (hot dogs and hush puppies)—a complete mystery), American traditions (Thanksgiving turkey)—an even grander mystery, and American culture (Firoozeh’s parents laugh uproariously at Bob Hope on television, although they don’t get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for Funny in Farsi “Hilarfelt and hilarious—in any language.” —Glennour “A joy to read.” —Newsday “What I’m cherishing beyond the humor of this memoir is that it remains affectionate even in the weakest, most tedious moments for the culture. It’s the brilliance of true sophistication at work.” —Los Angeles Times Book Review “Often hilarious, always interesting. . . . Like the movie My Big Fat Greek Wedding, this book describes with humor the intersection and overlapping of two cultures.” —The Providence Journal “A humorous and introspective chronicle of a life filled with love—of family, country, and heritage.” —Jimmy Carter “Delightfully refreshing.” —Milwaukee Journal Sentinel “[Funny in Farsi] brings us closer to discovering what it means to be an American.” —San Jose Mercury News

#1 New York Times bestselling author! Booklist Editors’ Choice 2015’ Youted! Named a ‘Best Book of 2015’ by Time Magazine, School Library Journal, Barnes & Noble, NPR, PopSugar, The Millions, and The News & Observer! Simon Snow is the worst. Chosen one more than anyone’s ever been chosen. That’s what his roommate, Baz, says. And Baz might be evil and a vampire and a complete git, but he’s probably right. Half the time, Simon can’t even make his wand work, and the other half, he starts something on fire. His mentor’s avoiding him, his girlfriend broke up with him, and there’s a magic-eating monster running around, wearing Simon’s face. Baz would be having a field day with all this, if he were here -- it’s their last year at the Watford School of Magicks, and Simon’s infuriating nemesis didn’t even bother to show up. Carry On is a ghost story, a love story and a mystery. It has just as much kissing and talking as you’d expect from a Rainbow Rowell story – but far, far more monsters.

When one of their friends mysteriously disappears, a group of teens are forced to confront the challenges and secrets of their lives in this bold and suspenseful coming-of-age tale from international supermodel, actress, and social media darling Cara Delevingne. Among the students of Thomas Comprehensive, Red, Leo, Rose, and Naomi are misfits—outsiders who found a safe haven in music and their band, Mirror, Mirror. For these sixteen year olds, fitting in at school is nearly as difficult as navigating their complicated home lives. Red has an alcoholic mother and a father who’s never around. Leo’s brother is in prison. Rose uses sex and alcohol to numb the pain of a brutal attack. Naomi’s punk rock princess persona gives her the freedom to be her true self. When Naomi mysteriously vanishes and then is found unconscious, her friends are shaken and confused. Could it have been an accident—or did someone deliberately try to hurt Naomi? If she was in trouble, why didn’t she turn to them? How well do they really know their bandmate—and each other? If Naomi wakes up from her coma, will she ever be the same? To understand what happened to Naomi, Red, Leo, and Rose must ultimately face their own dark secrets and fears, and reconcile the difference between what they feel inside and what they show to the world. Cara Delevingne reveals another facet of her amazing talent with this powerful novel about identity, sexuality, gender, emotional pain, the complicated world of social media, and the dangerous weight of appearances that are not what they seem.

THE INSTANT #1 NEW YORK TIMES BESTSELLER “Sparkling with mystery, humor and the real, this is a fun read. But beneath its effervescent tone, more complex themes are at play.” —San Francisco Chronicle In his wildly entertaining debut novel, Hank Green—cocreator of Crash Course, Vlogbrothers, and SciShow—spins a sneoping, cinematic tale about a young woman who becomes an overnight celebrity before realizing she’s part of something bigger, and stranger, than anyone could have possibly imagined. The Carls just appeared. Roaming through New York City at three a.m., twenty-three-year-old April May stumbles across a giant sculpture. Delighted by its appearance and craftsmanship—like a ten-foot-tall Transformer wearing a suit of samurai armor—April and Andy, make a video with it, which Andy uploads to YouTube. The next day, April wakes up to a viral video and a new life. News quickly spreads that there are Carls in dozens of cities around the world—from Beijing to Buenos Aires—and April, as their first documentarian, finds herself at the center of an intense international media spotlight. Seizing the opportunity to make her mark on the world, April now has to deal with the consequences her new particular brand of fame has on her relationships, her safety, and her own identity. And all eyes are on April to figure out not just what the Carls are, but what they want from us. Compulsively entertaining and powerfully relevant, An Absolutely Remarkable Thing grapples with big themes, including how the social internet is changing fate, rhetoric, and radicalization; how our culture deals with fear and uncertainty; and how vilification and adoration spring for the same dehumanization that follows a life in the public eye. The beginning of an exciting fiction career, An Absolutely Remarkable Thing is a bold and insightful novel of now.

While Tom is at work in London, his wife Marina is left bored and alone in the small village where they live. She wishes for someone to do the housework for her and a strange thing happens. Her wish comes true; the ironing Man enters her life, and everything begins to change for both Marina and Tom.

From the #1 New York Times–bestselling author of The Lincoln Highway and A Gentleman in Moscow, a “sharply stylish” (Boston Globe) book about a young woman in post-Depression era New York who suddenly finds herself thrust into high society—now with over one million readers worldwide On the last night of 1937, twenty-five-year-old Katey Kontent is in a second-rate Greenwich Village jazz bar when Tinker Grey, a handsome banker, happens to sit down at the neighboring table. This chance encounter and its startling consequences propel Katey on a year-long journey into the upper echelons of New York society—where she will have little to rely upon other than a broking wit and her own brand of cool nerve. With its sparkling depiction of New York’s social strata, its intricate imagery and themes, and its immensely appealing characters, Rules of Civility won the hearts of readers and critics alike.

The idea of “The Green Book” is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn’t know about and aren’t listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Robyn Schneider’s The Beginning of Everything is a witty and heart-wrenching novel that will appeal to fans of books by John Green and Ned Vizzini, novels such as The Perks of Being a Wallflower, and classics like The Great Gatsby and The Catcher in the Rye. Varsity tennis captain Ezra Faulkner was supposed to be homecoming king, but that was before/before his girlfriend cheated on him, before a car accident shattered his leg, and before he fell in love with unpredictable new girl Cassidy Thorpe. As Kirkus said in a starred review, “Schneider takes familiar stereotypes and infuses them with plenty of depth. Here are teens who could easily trade barbs and double entendres with the characters that fill John Green’s novels.” Funny, smart, and including everything from flash mobs to blanket forts to a poodle who just might be the reincarnated Jay Gatsby. The Beginning of Everything is a refreshing contemporary twist on the classic coming-of-age novel’s heart-wrenching story about how difficult it is to play the part that people expect, and how new beginnings can stem from abrupt and tragic endings.

Former “street rat” Briar Moss must face his past when he discovers a young mage in need of a mentor.

THE INSTANT NEW YORK TIMES BESTSELLER Who has the right to change the world forever? How do we live online? How do we find comfort in an increasingly isolated world? The Carls began doing the same way they appeared, in an instant. While the robots were on Earth, they caused confusion and destruction with only their presence. Part of their malstrom was the sudden viral fame and untimely death of April May: a young woman who stumbled into Carl’s path, giving them their name, becoming their advocate, and putting herself in the middle of an avalanche of conspiracy theories. Months later, April’s friends are trying to find their footing in a post-Carl world. Andy has picked up April’s mantle of fame, speaking at conferences and online; Maya, ravaged by grief, begins to follow a string of mysteries that she is convinced will lead her to April; and Miranda is contemplating defying her friends’ advice and pursuing a new scientific operation—one that might have repercussions beyond anyone’s comprehension. Just as it is starting to seem like the gang may never learn the real story behind the events that changed their lives forever, a series of clues arrive/mysterious books that seem to predict the future and control the actions of their readers/all of which seems to suggest that April could be very much alive. In the midst of the search for the truth and the search for April is a grave, something that wants to capture our consciousness and even control our reality. A Beautifully Foolish Endeavor is the bold and brilliant follow-up to An Absolutely Remarkable Thing. It is a fast-paced adventure that is also a biting social commentary, asking hard, urgent questions about the way we live, our freedoms, our future, and how we handle the unknown.

Special edition slipcase edition of John Green’s Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars, Quentin Jacobson has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn’t come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance. . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

In the third novel in the New York Times bestselling Iron Druid Chronicles, two-thousand year-old Druid Atticus O’Sullivan must take down the Norse god of thunder himself. “A page-turning and often laugh-out-loud-funny caper through a mix of the modern and the mythic.”—Ari Marmell, author of The Warlord’s Legacy When the naysayers say, “Nay, don’t mess with the man who wields the lightning bolts,” ninety-nine times out of a hundred, the ancient Druid Atticus O’Sullivan would nod along and agree. But when multiple people convince him that Thor, the Norse god of thunder, needs to get got, he thinks maybe this is the one time he should ignore the advice of the wise—even if those sages include deities who tend not to be wrong about very much. Because Thor has undeniably done somebody wrong—many somebodies, in fact, and Atticus doesn’t think he can simply dismiss it as someone else’s problem. Plus he has made promises that he doesn’t feel he can break, promises that will take him away from Midgard to the planes of the Norse, where his actions will create ripples throughout the nine realms. On top of that there’s a turf war brewing amongst the vampires, a zealous group of mystic hunters called the Hammers of God running rampant, and a pack of werewolves who very much don’t wish to see their leader taken off to Valhalla. In order to avoid being the nail underneath the hammer Mjöllnir, Atticus will need every ounce of Irish luck he can muster, and maybe the help of a few deities in his corner. Don’t miss any of The Iron Druid Chronicles:

A decade later, she became one of the Internet’s first—and most popular—“lifecasters,” inviting people around the world to watch her every move. Justine is giving friends and fans a look behind the scenes, sharing never-before-told stories about the hilarious (and sometimes heartbreaking) reality of sharing your life online. With her trademark wit and delightfully weird sense of humor, Justine delivers an inspirational message in support of creativity, entrepreneurship, and the power of staying true to yourself, while reminding readers that the Internet is a very small world—you just never know who you’re going to meet.

Last night was the most embarrassing night of my life. I was that girl. You know, the highly intoxicated chick celebrating her thirtieth birthday with her two best friends—who are happily married. And the more I drank, the more I wanted to do something reckless to celebrate. By reckless, I mean she’s sexy and alluring man dressed in a business suit standing near the bar. You know his type—tall, dark, handsome. I was sure he was out of my league, but I’d had just enough alcohol that things like that no longer seemed to matter. I’m not fat, mind you, but you can tell I like french fries, so there’s that. He took me home, and I enjoyed the hottest birthday sex of my life. Well, until it came to a screeching and rather unwelcome halt. There’s nothing quite like being interrupted mid-ride with a little voice asking, “What are you doing to my daddy?” Just kill me now . . . or so I thought. Come to find out, the man I rode like a bull at the rodeo is my new landlord.

Goodreads Choice winner for Nonfiction 2021 and instant #1 bestseller! A deeply moving collection of personal essays from John Green, the author of The Fault in Our Stars and Turtles All the Way Down. “The perfect book for right now.” –People “The Anthropocene Reviewed is essential to the human conversation.” –Library Journal, starred review The Anthropocene is the current geologic age, in which humans have profoundly reshaped the planet and its biodiversity. In this remarkable symphony of essays adapted and expanded from his groundbreaking podcast, bestselling author John Green reviews different facets of the human-centered planet on a five-star scale—from the QWERTY keyboard and sunsets to Canada geese and Penguins of Madagascar. Funny, complex, and rich with detail, the reviews chart the contradictions of contemporary humanity. As a species, we are both far too powerful and not nearly powerful enough, a paradox that came into sharp focus as we faced a global pandemic that both separated us and bound us together. John Green’s gift for storytelling shines throughout this masterful collection. The Anthropocene Reviewed is an open-hearted exploration of the paths we forge and an unironic celebration of falling in love with the world. From the author of Behind Her Eyes, now a Netflix Original Series hit “‘Big Little Lies’ meets ‘Rebecca’ in Sarah Pinborough’s ‘Dead to Her,’ a saucy novel about insecure second wives dragged down by secrets [and] jealousies...” –Washington Post “Roils with passion, rancor, and greed wrapped in Southern politesse... Pinborough’s intricately woven mystery will please fans of B.A. Paris and Paula Hawkins.” – Publishers Weekly For fans of Liane Moriarty, Liv Constantine and Lisa Jewell, a twisty psychological thriller about a savvy second wife who will do almost anything to come out on top from the New York Times bestselling author of Behind Her Eyes. Marriage can be murder... SOMETHING OLD Marcie’s affair with Jason Maddox catapulted her into the world of the Savannah, GA elite. Old money, old ties, old secrets. Marcie may have married into this world—but she’ll never be part of it. SOMETHING NEW Then Jason’s boss brings back a new wife from his trip to London. Young, attractive, reckless—nobody can take their eyes off Keisha. Including Marcie’s husband. SOMETHING YOU CAN NEVER, EVER UNDO... Some people would kill for the life Marcie has—what will she do to keep it?
