16-page color insert with 10 pages of colored pull-out origami paper; instructions to make Yoda, Darth, C-3PO, Admiral Ackbar, and R2-D2; a section on photographing your origami creations, and two Star Wars backdrops to photograph them against. This is the blockbuster bestselling Origami Yoda series, written by Tom Angleberger, author of Star Wars: Return of the Jedi: Beware the Power of the Dark Side, showcasing his proven knack for authentically capturing the intrigues, fads, and dramas of middle school in "a satisfying tale of friendship and just resistance to authority" (Kirkus Reviews, starred review). Praise for Art2-D2's Guide to Folding and Doodling "Once again, Angleberger's humor, which presents itself in the text through characters from the series, in both human and origami form, connects with middle-grade readers. 'Art2' and the other 'Origami Yoda' books are the ultimate example of the by-a-fan/for-the-fans format, which succeeds if executed properly. This did he." --Florida Times-Union "Excellent activity-book offshoot of Angleberger's bestselling Origami Yoda series... The banter and tongue-and-cheek humor of the previous books is present, along with encouragement." --Publishers Weekly "The presentation's offbeat attitude, ingenuity, and wit, many libraries will want to stock this high interest book..." --Booklist "Fans (and nonfans, if there are any) of the "Origami Yoda" series (Abrams) and website will find new opportunities aplenty for foolery in this spinoff compendium of progressively challenging hands-on instructions for drawing, folding, and goofing around with (mostly) Star Wars characters." --School Library Journal

A breakthrough paper-folding book for kids—paper airplanes meet Origami meets Pokemon. Papertoys, the Internet phenomenon that 's hot among graphic designers and illustrators around the world, now comes to kids in the coolest new book. Created and curated by Brian Castleforte, a graphic designer and papertoy pioneer who rounded up 25 of the hottest papertoy designers from around the world (Indonesia, Japan, Australia, Italy, Croatia, Chile, even Jackson, Tennessee), Papertoy Monsters offers 50 fiendishly original die-cut designs that are ready to pop out, fold, and glue. The book interleaves card stock with paper stock for a unique craft package; the graphics are colorful and hip, combining the edginess of anime with the goofy fun of Uglydolls and other collectibles. Plus each character comes with its own back-story. And the results are delicious: meet Pharaoh Thoth Amon, who once ruled Egypt but is now a mummy who practices dark magic in his sarcophagus. Or Zumbie the Zombie, who loves nothing more than a nice plate of brains and yams. NotSoScary, a little monster so useless at frightening people that he has to wear a scary mask. Yucky Chuck, the lunchbox creature born in the deepest depths of your school bag. Plus Zeke, the monster under your bed, Nom Nom, eater of cities, and Grumpy Gramps, the hairy grandpa monster with his very own moustache collection.

A boy who has long dreamed of having adventures with a real robot finds one in his backyard, and though it is not all he expected, it promises something more.

of the region assisting Nameless refugees over a mountain swarming with wild men known as Clanless. As each struggle to make sense of what their lives have become, they fight and claw to reach the Allied Camp, their last hope in bringing peace to the region. But the road back to one another is treacherous and uncertain. Freedom will come at a price.

With the same warmth and fun that readers loved in *All the Answers*, award-winning author Kate Messner weaves fantasy into the ordinary, giving every reader the opportunity to experience a little magic. Charlie feels like she's always coming in last. From her Mom's new job to her sister's life away at college, everything else always seems to be more important than Charlie's upcoming dance competition or science project. Unsure of how to get her family's attention, Charlie comes across the surprise of her life one day while ice-fishing . . . in the form of a floppy, scaly fish offering to grant her a wish in exchange for its freedom. Charlie can't believe her luck until she realizes that this fish has a funny way of granting wishes, despite her best intentions. But when her family faces a challenge bigger than any they've ever experienced, Charlie wonders if some things might be too important to risk on a wish.

Red Queen meets *The Hunger Games* in this epic novel about what happens when the galaxy's most deadly weapon masquerades as a senator's daughter and a hostage of the galactic court. A Diabolic is ruthless. A Diabolic is powerful. A Diabolic has a single task: Kill in order to protect the person you've been created for. Nemesis is a Diabolic, a humanoid teenager created to protect a galactic senator's daughter, Sidonia. The two have grown up side by side, but are in no way sisters. Nemesis is expected to give her life for Sidonia, and she would do so gladly. She would also take as many lives as necessary to keep Sidonia safe. When the power-mad Emperor learns Sidonia's father is participating in a rebellion, he summons Sidonia to the Galactic court. She is to serve as a hostage. Now, there is only one way for Nemesis to protect Sidonia. She must become her. Nemesis travels to the court disguised as Sidonia—a killing machine masquerading in a world of corrupt politicians and two-faced senators' children. It's a nest of vipers with threats on every side, but Nemesis must keep her true abilities a secret or risk everything. As the Empire

begins to fracture and rebellion looms closer, Nemesis learns there is something more to her than just deadly force. She finds a humanity truer than what she encounters from most humans. Amidst all the danger, action, and intrigue, her humanity just might be the thing that saves her life—and the empire.

Paper Toys is a wonderful new series of interactive craft books that allow children to pop out and build their own paper toys.
