With Europe convulsed in wars over religion, a young theology student finds himself siding with heretics and the disenfranchised while confronting an agent of the Vatican who is determined to hunt down and destroy enemies of the faith, in a meticulously rendered historical thriller set against the backdrop of the Reformation. Reprint.

The author describes his twenty month ordeal in the Nazi death camp.

Fausto, a young architect, is a prisoner of his own obsession: the search for perfection. Only the love of Silvia, his girlfriend, can save him. To help him, she goes to a strange doctor, who will guide her on a journey between reality and myth... This is an early work of the internationally acclaimed cartoonist, rendered in a striking red and black two-color palette.

Could our deepest hurts reveal the key to a powerful form of prayer that was lost 1700 years ago? What can we learn today from the great secret of our most cherished traditions? "We are beautiful and wild forces within us." With these words, the mystic St. Francis described an ancient tradition believed was the most powerful force in the universe – the power of prayer. For more than 20 years, Gregg Braden has searched for evidence of a forgotten form of prayer that was lost to the West following the biblical edits of the early Christian Church. In 1998, he found and documented this form of prayer still being used in the remote monasteries of central Tibet. He also found it practiced in sacred rites throughout the high deserts of the American Southwest. In this book, Braden describes this ancient form of prayer that has no words or outward expressions. Then, for the first time in print, he leads us on a journey exploring what our most intimate experiences tell us about our deepest beliefs. Through his histories and personal accounts, Braden explores the wisdom of these timeless secrets and the power that awaits each of us . . . just beyond our deepest hurt!

This highly anticipated new graphic novel from Manuele Fior (*The Interview* and *5,000 Miles from the Second*) showcases his singular talents as a once-in-a-generation visual artist and a deeply empathetic writer who uses science fiction to look to the future of humanity. The "Great Invasion" originated from the sea. It moved north across the mainland. Many fled, while others took refuge on a small concrete island called Celestia, built over a thousand years ago. Cut off from the mainland, Celestia has become an outpost for criminals and other misfits,

a refuge for a group of young telepaths. Events push two of them, Dora and Pierrot, to the island and set sail to the mainland. There, they discover a world on the precipice of a metamorphosis, though also a world where adults are literally prisoners of their own fate, unintentionally preserving the "old world" at a time when a new generation could guide them towards a better humanity. Celestia is the most ambitious and successful graphic novel ever written by one of the world's most exciting storytellers.

The Vienna Jubilee Exhibition of 1898 provided the occasion for these remarkable essays by the Austrian architect, theorist, and irreverent critic of his own culture, Adolf Loos. The rational underpinnings of his later accusation that "ornament is crime," first appear in these polemical thrusts at the stylized work of Viennese successionists Joseph Hoffmann, Otto Wagner, Josef Hoffmann, Josef Obris, and Gustav Klimt, among others.

I dispositivi mobili stanno rivoluzionando le vite di tutti noi in ogni contesto: li usiamo per il lavoro, la corsa serale, l'investimento in borsa e la prenotazione del ristorante o dell'hotel dove ci condurranno col loro GPS. Sono ovunque, sono i primi veri personal computer della storia. Ogni giorno lanciamo decine di applicazioni, siamo quasi a cento miliardi di app scaricate, un'audience incredibile che passa ore interagendo con questi dispositivi. Chiunque pu ò avere un'idea vincente e pu ò sfruttare questo mercato mondiale enorme. Ma sviluppare un'app, metterla sull'app store e credere che, magicamente, inizino a scaricarla milioni di persone è come fermarsi a una stazione di servizio, comprare un biglietto della lotteria e pensare di diventare milionari... Ecco allora il perch é di un libro che sia una vera e propria guida strategica per affrontare un mercato incredibile, ma dove la competizione è feroce è fondamentale un piano di sviluppo tecnico e di marketing per avere qualche chance di successo.

examining. Why has this issue been neglected for so long? In *Inequality: A Short History*, Michele Alacevich and Anna Soci discuss the emergence of the inequality question in the twentieth century and explain how it is related to current issues such as globalization and the survival of democracy. The authors also discuss trends and the future of inequality. Inequality is a pressing issue that not only affects living standards, but is also inextricably linked to the way our democracies work.

Ci sono guide turistiche più famose della nostra, ovvio. Ci sono guide così famose che il loro stesso nome è oggi sinonimo di guida. Ma la nostra è speciale. Starai pensando che queste sono le classiche parole per vendere. No, caro lettore. La nostra sfida è stata creare una guida migliore delle altre e lo dico senza alcuna presunzione. È stata una sfida ambiziosa ma ti assicuro che per affrontarla abbiamo studiato. Abbiamo selezionato le migliori guide presenti sul mercato, le abbiamo studiate, analizzate e abbiamo riflettuto su quali fossero i loro punti di forza e debolezza. Poi ci siamo chiesti: come dovrebbe essere la nostra guida ideale? Che cosa dovrebbe avere al suo interno? Da questa analisi è nato il concept delle GUIDE DISCOVERY, dette LE

ROSSE per il colore della copertina. Beh, "cosa avrebbero di speciale le vostre guide?", ti starai giustamente chiedendo. Te lo spiego subito. Analizzando le altre guide, abbiamo notato che erano sì ricche di contenuti ma anche troppo dispersive e impersonali. Così abbiamo voluto ragionare al contrario, creando una guida che punti molto sul personale, che dia del tu al lettore e lo accompagni per mano per le strade della città. Una Guida amica insomma, come quelle che personalmente ti svelano segreti e curiosità sui posti, le cose e le persone che puoi visitare in giro per il mondo. In sintesi... PERCHÉ SCEGLIERE QUESTA GUIDA DI FIRENZE FRA LE TANTE? Per il suo stile esperienziale, sintetico e divertente Perché è ricca di immagini, mappe e itinerari Perché è ricca di aneddoti curiosi e personali Perché ti accompagna per mano senza farti mai perdere Perché è concepita come una fedele compagna di viaggio Perché è essenziale e tascabile Perché ha un taglio giovane, smart e fresco Perché è adatta a tutti: single, coppie, famiglie Perché è originale, innovativa e personale Perché è preziosa... DALLA PREMESSA DELL'AUTORE... Provate a chiedere a un qualsiasi turista quali sono le città italiane che più l' hanno riempito di meraviglia durante una sua vacanza in Italia. Oppure potete provare a chiedere a un turista che sta pianificando una futura vacanza in questo paese, quale città vorrebbe assolutamente visitare, costi quel che costi. Con molte probabilità, la risposta a entrambe queste domande è la stessa: Firenze. Firenze è sempre stata tra le città italiane più sognate e desiderate dai turisti di tutto il mondo. Nei secoli ha partorito, cullato e portato all'apice del loro

successo fior di artisti, pittori, scultori e architetti. È stata (ed è tuttora) la musa d' innumerevoli scrittori e poeti, da Dante a Tiziano Terzani; e sempre le sue strade sono state colmate dalle chiare note dei musicisti di tutti i generi ai quali essa ha ispirato melodie. Ed è stata la patria di colti politici e regnanti mecenati. Firenze è vissuta ogni giorno da una massa multietnica di persone che per studio, per turismo o per lavoro ne attraversano le strade e ne calpestano gli stessi marciapiedi che molto probabilmente, secoli fa, sono stati calpestati da illustri personaggi come, ad esempio, Leonardo e Michelangelo. Questa guida si propone di essere un vademecum, un' ispirazione e un aiuto per una visita a questa magnifica città; un piccolo supporto per aiutare a superare il senso di smarrimento che l'accecante bellezza di Firenze può portare a chi la visita, ma non per annullarlo: scoprirete che lasciarvi trasportare dalla cultura, dalla bellezza e dalla vita pulsante sarà la scelta migliore che possiate fare durante la vostra visita a Firenze.

Caterina Bonvicini Can a prison free those who enter? Nisida, moored like a boat in the Mediterranean, is a small island nestled between Capri and Bagnoli, off the coast of Naples. Each day, through the early morning light, Elisabetta Maiorano travels across the city, passes by the guards on the way into the detention centre, hands over her bag and arrives at her classroom. All thoughts are suspended once inside. Usually Elisabetta hasn't spoken to anyone since the day before; her only reason for living to

teach mathematics to the group of young inmates who arrive not long after she does. But one day, Almarina shows up and everything changes. She is Romanian and bears the signs of her personal history on her body. Together, closed up in a small classroom, a true island within an island, Elisabetta and Almarina discover a possible pathway to freedom. Warm and intimate, intense and political, Valeria Parrella touches our emotions, giving voice to a loneliness that is universal. Almarina is about finding love in unexpected places, about atonement, forgetting and starting over. But mostly it is about two women learning how to live again. Translated by Alex Valente

*A semiautobiographical coming-of-age story, framed by the harrowing 1975 Circeo massacre Edoardo Albinati's *The Catholic School*, the winner of Italy's most prestigious award, *The Strega Prize*, is a powerful investigation of the heart and soul of contemporary Italy. Three well-off young men—former students at Rome's prestigious all-boys Catholic high school San Leone Magno—brutally tortured, raped, and murdered two young women in 1975. The event, which came to be known as the Circeo massacre, shocked and captivated the country, exposing the violence and dark underbelly of the upper middle class at a moment when the traditional structures of family and religion were seen as under threat. It is this environment, the halls of San Leone Magno in the late 1960s and the 1970s, that Edoardo Albinati takes as his subject. His experience at the school, reflections on his adolescence, and thoughts on the forces that produced contemporary Italy are painstakingly and thoughtfully rendered, producing a remarkable blend of memoir, coming-of-age novel, and true-crime story. Along with indelible portraits of his teachers and fellow classmates—the charming Arbus, the literature teacher Cosmos, and his only Fascist friend, Max—Albinati also gives us his nuanced reflections on the legacy of abuse, the Italian bourgeoisie, and the relationship between sex, violence, and masculinity.*
