

Passionate Journey A Vision In Woodcuts

Growing up as an outdoorsy, nature-loving child in Portland, Oregon, Robert Mann wanted to be a forest ranger, but it was violin lessonsand his parents' encouragementthat ultimately launched him on a remarkable journey that would span a lifetime and five continents as he pursued his passion for classical music as a violinist, composer, conductor, and teacher. In this fascinating and far-ranging account, Mann shares his triumphs of that journey, as well as the unique insights and experiences he's gained along the way. From their beginnings in 1947, the Juilliard String Quartet set out to play new music as if it had been composed long ago, and to play a classical piece as if it had just been written. At first, the fledging combo struggled to compete with the more established European string quartets, while also competing for four singular personalities and talents into a harmonious whole, but by the time Mann retired from the group some fifty-one years later, the Juilliard String Quartet had played close to six thousand concerts on every continent except Africa and Antarctica and become an enduring, beloved institution in American music. They won three Grammys for their recordings, while sharing their distinctive sound with Aaron Copland, Leonard Bernstein, and even Albert Einstein. A Passionate Journey is a collection of both spoken and written words in the form of essays, letters, lectures, and transcribed interviews from various times in his life. Together they offer an engrossing glimpse into a life filled with musical milestones and into the fascinating mind of a musical giant.

The Longest Journey (1907) follows the young Rickie Elliot's journey to maturity. Orphaned and lame as a child, Rickie was teased at boarding school and finds Cambridge to be a kind of paradise. He is not an intellectual, but is deeply affected by art and poetry, and is accepted within a philosophical circle of students. His new sense of belonging is challenged when he is visited by old friends from home. In A VOICE BECOMING, Beth Bruno helps mothers cast a Godly vision for their daughters and chart a course that will prepare their daughters for womanhood. What if you as a mother concentrated on your daughter for one year? Who might she become? A VOICE BECOMING is for moms who want to usher their daughters into womanhood but know they need more than tips, techniques, and pro tips. Beth Bruno chart a course for their daughters that helps them know the story of God they are entering and the global sisterhood of women they are joining. A VOICE BECOMING is written by a fellow sojourner, still in the middle of the journey, processing her own story as she casts a vision for her daughter to discover hers. Sometimes road maps are too restrictive and a friend is needed who has made the same journey. Beth Bruno, by infusing them with hope and vision. Readers will join Beth in a yearlong journey of teaching their daughters that women lead, women love, women fight, women sacrifice, and women create. Moms learn how to use film and books, tangible experiences, volunteering, interviewing other women, traveling, and more in a creative and life-altering way to help solidify these important concepts in the hearts of their daughters. Presents six woodcut stories drawn by the artist that explore some of the prevailing adult themes of his generation.

Why does forgiveness, so central in Jesus' life and teaching, seem much more difficult today? Why are we so often told we should forgive but so seldom shown the steps toward forgiveness? "Forgiveness is a perilous and volatile subject because it is so deeply intertwined with our communal and individual wounds," Flora Wuellner writes in the introduction. She explores how Jesus' Beatitudes promise us release from these wounds. You are invited to begin your journey to forgiveness with these hope-filled meditations on each of the Beatitudes. Whether you have deep wounds or are worn down by a multitude of seemingly small grievances, let Wuellener's unique insights into the Beatitudes introduce you to the renewed and healed life Jesus offers. Each of the 11 chapters includes a guided meditation to help you bring the truth of Jesus' words into your own life. Discover an open door to new, healed ways of relating to God, others, yourself, the communities around you, and future generations.

The Challenge Built to Last, the defining management study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be engineered into the DNA of an enterprise from the verybeginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? The Standards Using tough benchmarks, Collins and his research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. The Comparisons The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why some companies make the leap and others don't. The Findings The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness. The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of competence. A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results. Technology Accelerators: Good-to-great companies think differently about the role of technology. The Flywheel and the Doom Loop: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. "Some of the key concepts discerned in the study," comments Jim Collins, "fly in the face of our modern business culture and will, quite frankly, upset some people." Perhaps, but who can afford to ignore these findings?

While working for his uncle, Alexis Hartz is introduced to Laura who shares his scientific interests, and in particular his fascination for crystals. To his amazement Laura has discovered a way to enter this alluring world and together they travel the vast and glittering landscape. But it cannot last forever.

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

"An extraordinary novel . . . a triumph of insight and storytelling." —Associated Press "A true masterpiece." —Glennon Doyle, author of Untamed An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of The Secret Life of Bees and The Invention of Wings In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, The Book of Longings is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

Ten Steps to Natural Eyesight Improvement

A deep study of the uneasy heart by one of the masters of the psychological novel, Journey into the Past, published here for the first time in America, is a novella that was found among Zweig’s papers after his death. Investigating the strange ways in which love, in spite of everything—time, war, betrayal—can last, Zweig tells the story of Ludwig, an ambitious young man from a modest background who falls in love with the wife of his rich employer. His love is returned, and the couple vow to live together, but then Ludwig is dispatched on business to Mexico, and while he is there the First World War breaks out. With travel and even communication across the Atlantic shut down, Ludwig makes a new life in the New World. Years later, however, he returns to Germany to find his beloved a widow and their mutual attraction as strong as ever. But is it possible for love to survive precisely as the impossible?

Visually amazing, this critical history of comic books, manga, and graphic novels is a must-have for any comic buff or collector. Over the centuries, comic books and their offshoots, such as graphic novels, manga, and bandes dessinées, have evolved into a phenomenally popular, influential, and unique art form with which we can express our opinions, our fantasies, our nightmares, and our dreams. In short: comics are emphatically no longer just for kids. This diverse, constantly evolving medium is truly coming into its own in the 21st century, from Hollywood's blockbuster adaptations of super-powered caped crusaders to the global spread of Japan's manga and its spinoffs, and from award-winning graphic novels such as Maus and Persepolis to new forms such as online webcomix. This volume is the perfect introduction to a dynamic and globally popular medium, embracing every graphic genre worldwide to assess the very best works of sequential art, graphic literature, comics, and comic strips, past and present. An international survey, this engaging volume is organized according to the year of first publication in the country of origin. An opening section acknowledges pioneering pre-1900 masterpieces, followed by sections divided by decade, creating a fascinating year-by-year chronicle of the graphic medium worldwide. The material includes the very earliest one-off albums to the latest in online comics and features some series and characters that have run for decades. Packed with fantastic reproductions of classic front covers and groundbreaking panels, this book is visually stunning as well as a trove of information--perfect for the passionate collector and casual fan alike.

This wordless graphic novel tells its socially charged story through 188 stark, arresting images. Open to endless interpretations, the tragic, often violent, story of a young girl unfolds through 17 chapters.

AN INSTANT #1 NEW YORK TIMES BESTSELLER "A charming, wholehearted love story that’s sure to make readers swoon."—Entertainment Weekly "Nicola Yoon writes from the heart in this beautiful love story."—Good Morning America "It's like an emotional gut punch—so beautiful and also heart-wrenching."—US Weekly In this romantic page-turner from the author of Everything, Everything and The Sun is Also a Star, Evie has the power to see other people’s romantic fates—what will happen when she finally sees her own? Evie Thomas doesn’t believe in love anymore. Especially after the strangest thing occurs one otherwise ordinary afternoon: She witnesses a couple kiss and is overcome with a vision of how their romance began . . . and how it will end. After all, even the greatest love stories end with a broken heart, eventually. As Evie tries to understand why this is happening, she finds herself at La Brea Dance Studio, learning to waltz, fox-trot, and tango with a boy named X. X is everything that Evie is not: adventurous, passionate, daring. His philosophy is to say yes to everything—including entering a ballroom dance competition with a girl he’s only just met. Falling for X is definitely not what Evie had in mind. If her visions of heartbreak have taught her anything, it’s that no one escapes love unscathed. But as she and X dance around and toward each other, Evie is forced to question all she thought she knew about life and love. In the end, is love worth the risk?

In the twenty-first century, a developmental phase of life is emerging as significant and distinct, capturing our interest, engaging our curiosity, and expanding our understanding of human potential and development. Demographers talk about this new chapter in life as characterized by people—between fifty and seventy-five—who are considered "neither young nor old." In our "third chapters" we are beginning to redefine our views about the casualties and opportunities of aging; we are challenging cultural definitions of strength, maturity, power, and sexiness. This is a chapter in life when the traditional norms, rules, and rituals of our careers seem less encompassing and restrictive; when many women and men seem to be embracing new challenges and searching for greater meaning in life. In The Third Chapter, the renowned sociologist Dr. Sara Lawrence-Lightfoot offers a strong counterpoint to the murky ambivalence that shrouds our clear view of people in their third chapters. She challenges the still prevailing and anachronistic images of aging by documenting and revealing the ways in which the years between fifty and seventy-five may, in fact, be the most transformative and generative time in our lives, tracing the ways in which wisdom, experience, and new learning inspire individual growth and cultural transformation. The women and men whose voices fill the pages of The Third Chapter tell passionate and poignant stories of risk and vulnerability, failure and resilience, challenge and mastery, experimentation and improvisation, and insight and new learning.

More than a book of popular quotes, this volume is a powerful reference tool for some of the most frequently-cited poems, news articles, fiction, memoir, history, and creative nonfiction on the web. It also provides the largest single selection of quotes by the author, many available only in these pages, including the entire special section titled TAO OF THE RAINBOW. In addition, the book as a whole demonstrates the ability of social media such as Twitter, Facebook, Tumblr, and Google+ to help make positive and inspiring differences in 21st-century life. "Journey through the Power of the Rainbow represents a condensed compendium of literary efforts from a life dedicated to transforming the themes of injustice, grief, and despair that we all encounter during some unavoidable point of our existence into a sustainable life-affirming poetics of passionate creativity, empowered spiritual vision, and inspired commitment." --Aberjhani, from Journey through the Power of the Rainbow

The book of Isaiah is a collection of prophecies that is more than a historical record or teaching. It is the overarching vision of the heart of God revealed to his prophet. It spans the ages and touches every nation on earth, becoming a collective overview of all that God has planned. The message of Isaiah is one of victory, hope, comfort, and restoration. The themes of its prophecies are unrivaled in all of Scripture. With panoramic insight, Isaiah preaches the virgin birth of Christ, the bride of Christ, and the New Jerusalem. These prophecies also present a description of the cataclysmic judgments, the survival of a holy remnant emerging in Zion, and the canopy of glory that is coming to earth. It was because of our rebellious deeds that he was pierced and because of our sins that he was crushed. He endured the punishment that made us completely whole, and in his wounding we found our healing. Isaiah 53:5

What is feminism? In this short, accessible primer, bell hooks explores the nature of feminism and its positive promise to eliminate sexism, sexist exploitation, and oppression. With her characteristic clarity and directness, hooks encourages readers to see how feminism can touch and change their lives—to see that feminism is for everybody.

Had she finally met the man she longed for...or was she dreaming? Marlie Keen was trying to lead a quiet, ordinary life. She thought the knowing -- the clairvoyance that allowed her to witness crimes as they happened -- had been destroyed in the nightmare of her past. Then one night it returned with a vengeance, and she desperately needed to find someone to make it stop. Detective Dane Hollister of the Orlando police department had never met anyone like Marlie. He had doubts about her clairvoyance, but there was no doubt how much he desired her. Her soft, sweet scent set his blood afire, and he wanted to wrap her in his arms and chase the sadness from her eyes. To Marlie, Dane was all heat and hard muscle, and he made her body come alive as it never had before. But not even she could foresee where their passion would lead: a hungry quest for the elusive, dreamy ecstasies of love...and a dangerous journey into the twisted mind of a madman who would threaten their happiness and their lives...

This autobiography describes a woman's attainment of enlightenment in modern Japan. Satomi My?d? rejected the traditional roles of good wife and wise mother, broke with her unhappy past, and followed her spiritual path beginning as the disciple of a Shinto priest. At midlife she turned to Zen Buddhism encouraged by a female dharma friend and by various teachers. Under the guidance of Yasutani R?shi she attained Kensh?, the goal of her lifetime's search.

Mystic in a Time of Revolution

All parts of the body need exercise for optimal health, and the eyes are no different. Vision for Life presents an approach to eye health for people with 20/20 vision who wish to maintain their perfect vision as well as people who see poorly and would like to improve their eyesight. Clients of the Meir Schneider Self-Healing Method experience their own capacity to about recovery, reversing the progress of a wide range of degenerative conditions including eye disease. Based in part on the established Bates Method of eyesight improvement and in part on his own professional and personal discoveries, Meir Schneider's pioneering approach has helped thousands of people successfully treat a host of eye problems, including near- and farsightedness, astigmatism, lazy eye, double vision, glaucoma, cataracts, macular degeneration, retinal detachment, retinitis pigmentosa, and nystagmus. This revised edition includes a new chapter on children's eye health and new research and exercises for specific conditions, i.e., glaucoma and nystagmus, near- and farsightedness. Born blind to deaf parents, Schneider underwent a series of painful operations as a young child and was left with 99 percent scar tissue on the lenses of his eyes, resulting in his being declared incurably blind. At the age of seventeen, he discovered how to improve his vision from less than 1 percent to 55 percent of normal vision with the eye exercises presented in this book. Today Schnei drives a car, reads, and enjoys the benefits of full natural vision. He and his clients prove time and time again how much vision can improve with exercise. His contributions to the field of self-healing are recognized by alternative health practitioners and medical doctors alike. In Vision for Life, Schneider shares forty years of discoveries made on his personal and professional journey. The book details simple but effective techniques to gain great vision such as sunning and palming. Such exercises are not only strengthening but also restorative and deeply relaxing. The reader learns how to reverse developing issues before they cause damage or to remedy existing problems, including pathologies such as glaucoma, cataracts, macular degeneration, retinal detachment, and optic nerve neuropathy. From the Trade Paperback edition.

This book offers biographical aspects of the authoress and a selection of her conferences on the revolution in Nicaragua and the foreign politics of the United States in the 80s. The conferences were given to religious leaders, university students, the Reagan administration, and the Congress and leaders of diverse organizations in the United States. It helps us to visualize the process of internal transformations that Maryknoll, the most revolutionary missionary order of the United States, experienced at that time and the participation of many of its members in the processes of change of Central America. Through her interesting annotations, the authoress helps us to visualize the process of internal transformation that M suffered, and the participation of many of its members in that process of change given a quote of martyrdom. One of the nuns who worked in Nicaragua with the authoress, Sister Maura Clark, was murdered later in El Salvador together with others nuns as well a lay volunteer. The book also offers a vision of the popular participation in the Nicaraguan revolution an aspect little known and that the authoress was touched by. In 1992 she had to leave of Nicaragua and live in exile.

Hope and practical help for parents whose greatest longing is to shepherd their children into a vibrant faith in God. For Christian parents, there is no greater joy than seeing their children learn to walk with the Lord. And there is no greater fear than that their children will walk away from God. After serving together in pastoral ministry and raising their now-grown children, Phil and Diane Comer know those hopes and fears well. Like all new parents, they were intimidated and unsure about how to take on the task of spiritually training their young children. But now, with all four of their children grown and establishing their own households of faith, Phil and Diane have embarked on a quest to help the next generation of parents raise passionate Jesus followers. Drawing on years of pastoral counseling, teaching, leading, and decades of watching families from the perspective of pastors and leaders in ministry, Phil and Diane instruct, guide, encourage, and offer hope and practical help to Christian parents. Raising Passionate Jesus Followers is a manual full of practical, biblically based, and time-tested guidelines that parents will be able to turn to again and again through every stage of their children's development, including . . . Formulating a plan Laying the foundation, ages 0-5 Doing the framing, ages 6-12 Installing the functional systems, ages 13-17 Completing the finish work, ages 18-22 And keeping the front door open for your grown children

From acclaimed bestselling author James Runcie, a meditation on grief and music, told through the story of Bach's writing of the St. Matthew Passion. In 1727, Stefan Silbermann is a grief-stricken thirteen-year-old, struggling with the death of his mother and his removal to a school in distant Leipzig. Despite his father's insistence that he try not to think of his mother too much, Stefan is haunted by her absence, and, to make matters worse, he's bullied by his new classmates. But when the school's cantor, Johann Sebastian Bach, takes notice of his new pupil's beautiful singing voice and draws him from the choir to be a soloist, Stefan's life is permanently changed. Over the course of the next several months, and under Bach's careful tutelage, Stefan's musical skill progresses, and he is allowed to work as a copyist for Bach's many musical works. But mainly, drawn into Bach's family life and away from the cruelty in the dorms and the lonely hours of his mourning, Stefan begins to feel at home. When another tragedy strikes, this time in the Bach family, Stefan bears witness to the depths of grief, the horrors of death, the solace of religion, and the beauty that can spring from even the most profound losses. Joyous, revelatory, and deeply moving, The Great Passion is an imaginative tour de force that tells the story of what it was like to sing, play, and hear Bach's music for the very first time.

The Ultimate Guide to Comic Books, Graphic Novels and Manga

Born in Mallorca, Pere Joan Riera (known professionally as Pere Joan) thrived in the underground comics world, beginning in the mid-1970s with the self-published collections Baladas Urbanas and Mu?rdago, both of which were released almost immediately after the death of the dictator Francisco Franco and Spain's transition to democracy. The first monograph in English on a comics artist from the Spain, The Art of Pere Joan takes a topographical approach to reading comics, applying theories of cultural and urban geography to Pere Joan's treatment of space and landscape in his singular body of work. Balancing this goal with an exploration of specific works by Pere Joan, Benjamin Fraser demonstrates that looking at the thematic, structural, and aesthetic originality of the artist's landscape-driven work can help us begin to newly understand the representational properties of comics as a spatial medium. This in-depth examination reveals the resonance between the cultural landscapes of Mallorca and Pere Joan's metaphorical approach to both rural and urban environments in comics that weave emotional, ecological, and artistic strands in revolutionary ways.

Diana Beresford-Kroeger's startling insights into the hidden life of trees have sparked a quiet revolution. In this captivating account, she shows us how forests can not only heal us, but can also save the planet.

This book brings together an international group of scholars who chart and analyze the ways in which comic book history and new forms of graphic narrative have negotiated the aesthetic, social, political, economic, and cultural interactions that reach across national borders in an increasingly interconnected and globalizing world. Exploring the tendencies of graphic narratives - from popular comic book serials and graphic novels to manga - to cross national and cultural boundaries, Transnational Perspectives on Graphic Narratives addresses a previously marginalized area in comics studies. By placing graphic narratives in the global flow of cultural production and reception, the book investigates controversial representations of transnational politics, examines transnational adaptations of superhero characters, and maps many of the translations and transformations that have come to shape contemporary comics culture on a global scale.
