Mayo and his sons Will and Charlie performed the very first operation at a brand-new Catholic hospital in Rochester, Minnesota. It was called Saint Marys. The hospital arose out of the devastation of a tornado that had struck the town six years earlier. After the storm, Mother Alfred Moes of the Sisters of Saint Francis told the Mayos that she had a vision of building a hospital that would \"become world renowned for its medical arts.\" Based on the film by acclaimed documentary filmmaker Ken Burns, *The Mayo Clinic: Faith, Hope, Science* chronicles the history of this unique organization, from its roots as an unlikely partnership between a country doctor and a Franciscan order of nuns to its position today as a worldwide model for patient care, research, and education. Featuring more than 400 compelling

## Download Ebook Pbs Kids Go Wild Kratts Games Tantraore

archival and modern images, as well as the complete script from the film, the book demonstrates how the institution ' s remarkable 150-year history continues to inspire the way medicine is practiced there today. In addition, a series of case studies reveals patients, doctors, and nurses in their most private moments as together they face difficult diagnoses and embark on uncertain treatments. The film and this companion book tell the story of an organization that has managed to stay true to its primary value—the needs of the patient come first. Together, they make an important contribution to the critical discussions about the delivery of health care today in America ... and the world.

"Go hunting with the world's most amazing predators, such as sharks, lions, and crocodiles"--

Ruthie loves Superman. Ruthie wants to be Superman. And when Ruthie is asked to go spend the afternoon with her aunt, who is about to have a baby any day day now and may need some help., Ruthie seizes the opportunity. It could be her chance to be a hero, should the baby come while she's visiting! But when Ruthie is out fetching a snack for her aunt, she gets so distracted by a box full of kittens in the bodega that she doesn't hear her aunt calling for her, nor does she notice the policemen running to the apartment or the ambulance pulling to the curb. When she realizes what's happened, she's devastated -- she's missed her one chance to be a hero! Or has she? Sonia Manzano, best known as "Maria" on Sesame Street, once again captures the warmth, love, and adventures of her childhood Bronx neighborhood.

to navigating the state's unique ferry system. A staple of coastal transportation since the 1950s, the Alaska Marine Highway System is a vital link to cities that are often inaccessible except by air. Alaska on the Go offers fascinating accounts of both the small coastal towns and the larger population centers serviced by the highway along with easy-to-navigate route descriptions, helpful packing lists, and tips for inland and onboard adventures. Portable and personable, and covering all thirty routes that make up the Alaska Marine Highway System, Alaska on the Go is the perfect companion for the intrepid traveler.

### *Kid Trips Northern Virginia*

"From 1850 to 1930 America witnessed a unique emigration and resettlement of at least 200,000 children and several thousand adults, primarily from the East Coast to the West. This 'placing out,' an attempt to find homes for the urban poor, was best known by the 'orphan trains' that carried the children. Holt carefully analyzes the system, initially instituted by the New York Children's Aid Society in 1853, tracking its imitators as well as the reasons for its creation and demise. She captures the children's perspective with the judicious use of oral
