

31 Songs Homeherts

Now synonymous with the single storey home, when the bungalow was introduced to Britain in the late 1860s it had more elaborate connotations. Appropriated by colonial officials in Bengal, this humble dwelling was transformed upon its arrival on the Kent coastline into a new type of holiday home, complete with veranda and servant quarters. These first Western examples became very popular amongst the upper middle-class and the elderly, and crucially also attracted artistic inhabitants, setting the tone for the bungalow as a Bohemian escape well into the twentieth century. Focusing on the British bungalow up to the Second World War, Kathryn Ferry here explores its social, cultural and

architectural development, revealing what the very earliest versions looked like and why at the peak of their popularity bungalows were so ubiquitous.

A companion volume to the author's English Houses 1200-1800: The Hertfordshire Evidence (published by HMSO) which provides evidence for the conclusions presented in that book.

home, as gendered space, and as icon of Englishness.

For nigh-on half a century, After the Battle has been exploring and photographing the battlefields of the Second World War, but now it is time to look at events nearer to home.

Following the fall of France in June 1940, Britain stood alone against Germany until the first American soldiers began arriving in Britain in January 1942. At that time the only active 'battlefront' was in North Africa, yet the Home Front played a vital role in preparing a secure base for the eventual liberation of Europe. The Home Front has been described in many ways but this volume offers a snapshot of life in Britain during 1939 to 1945, illustrated with 'then and now' comparison photos.

Every significant U.S. and international film released from January 1 to December 31, 2002, along with complete filmographies: cast, characters, credits, production company, month released, rating and running time. Also included are biographical entires: an unmatched reference of over 2,250 living stars, including real name, school, place and date of birth.

Music in the Women's Institute has

Download File PDF 31 Songs Homeherts

become stereotyped by the ritualistic singing of Jerusalem at monthly meetings. Indeed, Jerusalem has had an important role within the organization, and provides a valuable means within which to assess the organization's relationship with women's suffrage and the importance of rurality in the Women's Institute's identity. However, this book looks beyond Jerusalem by examining the full range of music making within the organization and locates its significance within a wider historical-cultural context. The Institute's promotion of conducting - a regular part of its musical activity since the 1930s - is discussed within the context of embodying overtly feminist sentiments. Lorna Gibson

Download File PDF 31 Songs Homeherts

concludes that a redefinition of the term 'feminism' is needed and the concept of 'gendered spheres' of conducting provides a useful means of understanding the Institute's policy. The organization's promotion of folk song is also examined and reveals the Institute's contribution to the Folk Revival, as well as providing a valuable context within which to understand the National Federation's first music commission, Ralph Vaughan Williams's Folk Songs of the Four Seasons (1950). This work, and the Institute's second commission, Malcolm Williamson's The Brilliant and the Dark (1969), are examined with the context of the organization's music policy. In addition to discussing the background to the works, issues of

Download File PDF 31 Songs Homeherts

critical reception are addressed. The book concludes with an Epilogue about the National Society Choir (later known as the Avalon Singers), which tested the organization's commitment to amateur music making. The book is the result of meticulous work undertaken in the archives of the National Federation, the BBC Written Archives Centre, the V&A archives, the Britten-Pears Library, the Ralph Vaughan Williams Library, the Women's Library and the Newspaper Library.

This book reveals how Fields became a character comedian while performing in Broadway's most illustrious revue, the Ziegfeld Follies. As the first biography to use the recently opened Fields Papers at the Motion Picture Academy, the book explores how Fields years as a Follies entertainer portraying a beleaguered husband and a captivating conman became a landmark turning point in his career, leading to his fame as a masterful film comedian. The book also untangles a web of mysteries about Fields's turbulent private life, from the heartrending stories about the tragic relationship with his calculating wife who refused to

divorce him, to his estranged son controlled by his mother, to the seven-year extra-marital affair with a chorus girl that led to the birth of an unwanted child. This electrifying saga illuminates a complex dual personality, whirling from tenderness to brusqueness, who endured so much anguish in order to bring the gift of laughter to millions. Although vilified by Ziegfeld and assailed by demons, Fields survived the cutthroat rigors of Broadway show biz to become a legendary American iconoclast and cultural icon.
