Living by Vow

A tender and powerful novel which explores the remarkable bond between a lonely girl, a dying boy and

an injured wild bird - a tale that will touch every reader. Brilliant. Colorful. Visionary. Tenacious. Witty. Since his appointment to the Supreme Court in 1986, Associate Justice Antonin Scalia has been described as all of these things and for good reason. He is perhaps the best-known justice on the Supreme Court today and certainly the most controversial. Yet most Americans have probably not read even one of his several hundred Supreme Court opinions. In Scalia Dissents, Kevin Ring, former counsel to the U.S. Senate's Constitution Subcommittee, lets Justice Scalia speak for himself. This volume—the first of its kind— showcases the quotable

justice's take on many of today's most contentious constitutional debates. Scalia Dissents contains over a dozen of the justice's most compelling and controversial opinions. Ring also provides helpful background on the opinions and a primer on Justice Scalia's judicial philosophy. Scalia Dissents is the perfect book for readers who love scintillating prose and penetrating insight on the most important constitutional issues of our time.

In 2008, Christopher Niquet, a well-known French stylist, spotted the 1960s supermodel Peggy Moffit in a Beverly Hills restaurant. Never an autograph chaser, he nonetheless felt compelled to ask for hers. This candid moment ignited an obsessive, ongoing quest. Niquet

began to reach out to the models he considered quintessential figures in his industry, for their epic beauty and remote auras. Deploying a sleuth's methods to locate these models around the globe, he collected 100 signatures, most of which are framed along with an iconic portrait. "My original purpose was to get beyond the abstract, incorporeal beauty of these icons, and bring back a sense of their physicality. For me, each signature restored a womanly reality to the imaginary being." This book highlights the unique personalities of celebrated or forgotten women from the late 1950s to the 1990s and what they all have in common: the power to awaken

creativity in the people who see them. Through generations of cover stories, *Models That Matter* explores a multi-layered history of feminine beauty, from Jean Shrimpton to Jerry Hall, from Lauren Bacall to Linda Evangelista, from Anita Pallenberg to Naomi Campbell, muses for extraordinary fashion lensmen like Steven Meisel—who wrote the preface—to Irving Penn or Richard Avedon.
