

### Lion King 3

The exciting tale of Simba, a young cub who earns his place in the Circle of Life, is retold in the classic Little Golden Book format. Children ages 2-5 will roar with excitement as they read this retelling of Disney's The Lion King.

Read along with Disney! Pumbaa might be the clumsiest warthog in the jungle, but he is the best friend a meerkat and lion cub could ask for. Follow along with word-for-word narration as Simba and Timon learn to appreciate their favorite disaster.

A new Little Golden Book all about Simba, the star of Disney's The Lion King—just in time for the live-action movie, which will be in theaters July 2019! This new Little Golden Book celebrates everything that is special about Simba, the brave lion cub from the beloved Disney movie The Lion King. Nala, Timon, Pumbaa, and other animals from the Pride Lands are featured in gorgeous retro-style illustrations. This book is a must-have for children ages 2 to 5, as well as Disney The Lion King fans—and collectors—of all ages! And the new live-action version of the film, starring the voices of Beyonce, Donald Glover, James Earl Jones, and John Oliver, hits theaters July 2019. Disney The Lion King was released in 1994 and became one the most popular animated films. This Little Golden Book is part of the charming "I Am . . ." series, which provides a unique introduction to favorite Disney characters.

Experience the magic of Disney The Lion King retold in vibrant comics drawn by Disney's master artists. Disney The Lion King tells the extraordinary coming-of-age adventure of Simba—a lion cub who cannot wait to be king—as he searches for his destiny in the great Circle of Life. Disney and Joe Books present Disney The Lion King as the third volume in The Story of the Movie in Comics series, bringing beloved classics and the latest blockbusters to life for the whole family to enjoy.

Everybody knows The Lion King, the story of a little cub that grows up to become the king of the Pride Lands. Few, however, know the story of how The Lion King came to be the king of all musicals. It is the highest-grossing show on Broadway, earning over 1.3 billion dollars at the box office. This book takes you on the journey that began with the modest idea of an animated movie about lions and hyenas. You'll see for yourself why this musical has played on every continent except Antarctica to more than ninety million people.

This little hard paged, colorful book will help your child learn to count to 10.

*Acclaimed as a modern dramatic masterpiece, Rosencrantz & Guildenstern are Dead is the fabulously inventive tale of Hamlet as told from the worm's-eye view of the bewildered Rosencrantz and Guildenstern, two minor characters in Shakespeare's play. In Tom Stoppard's best-known work, this Shakespearean Laurel and Hardy finally get a chance to take the lead role, but do so in a world where echoes of Waiting for Godot resound, where reality and illusion intermix, and where fate leads our two heroes to a tragic but inevitable end. Tom Stoppard was catapulted into the front ranks of modern playwrights overnight when Rosencrantz and Guildenstern Are Dead opened in London in 1967. Its subsequent run in New York brought it the same enthusiastic acclaim, and the play has since been performed numerous times in the major theatrical centers of the world. It has won top honors for play and playwright in a poll of London Theater critics, and in its printed form it was chosen one of the "Notable Books of 1967" by the American Library Association.*
