First words Level: EYFS Subject: English Help children learn key first writing skills with the friendly students of Ladybird Class! Join Zara Penguin, Tao Meerkat, Ali Lion, Olivia Crocodile, Noah Panda and Nia Hedgehog as they have fun practising letter shapes, writing words and making up their first sentence. Included in this book: · Fun, motivating activities aligned with key pre-school learning and Early Years Foundation Stage, perfect for supporting your child's home learning in preparation for starting school. · Engaging questions and colourful illustrations make learning fun and help your child confidently develop their phonics skills by sounding out letters and tracing over the words with the special pen. Practice again and again with the wipe-clean pages and included eraser. · All the key skills children need to learn how to write words: from writing letters in alphabetical order, using capital letters for names and first sentences, to writing groups of letters that require the same hand movements (for example, curly, round letters a, c and o). · Helpful parent notes with left-handed guidance and activity answers to support learning and give your child a sense of achievement. A perfect follow-on title to the first letter-forming skills introduced in Learn with Ladybird: Wipe-Clean Letters.

Beautiful Letter Tracing Books for Kids Ages 3-5, Letter Tracing Workbook, Letter Writing Practice Book. This exercise book introduces your child to writing letters in a playful and age-appropriate manner that will help him or her get to know the alphabet. In this way children are guided and optimally prepared for pre-school and primary school. Every letter is a new territory for your child. The first step is to get to know the letter and practice through the correct pen guidance by simply tracing it. This is followed by a word containing the letter you have just learned. So your child learns to put the letter in a word. Encourage your child to read the word aloud to directly practice the corresponding sound. Finally, your child learns to write the letter freely and independently. Letter Tracing Book for Preschoolers is a fun handwriting workbook with complete step-by-step instructions on how to write every letter, from start to finish. This Letter Tracing Book includes handwriting paper with fun, playful images to keep your little ones entertained. Our letter trace book starts out your child by tracing letters. Our Letter Tracing Workbook includes two parts: Suitable for children from ages 3 to 5 Great preparation for preschool and kindergarten Lots of space for free practice Lovely designs 100 Pages A fun way to learn the letters from A to Z Thank You.

Wipe-Clean Pen Control

Ideal for Home Learning

Level: EYFS Subject: English An engaging activity book to help your child to learn pen control, to master patterning and to begin forming letters. Fully in line with the Early Years Foundation Stage, this English book provides reassurance whilst supporting your child's learning at home. Combining fun practice with engaging, colourful illustrations, this First Writing activity book helps to boost your child's confidence and develop good learning habits for life. Each fun activity is designed to give your child a real sense of achievement. By introducing marks and letters in a developmentally appropriate order (rather than in alphabetical order), this book will support children to learn pen control, to master patterning and to begin forming letters in readiness for starting school. Included in this book: \* questions that allow children to practise the important skills learned at school \* colourful activities that make learning fun and motivate children to learn at home \* helpful tips and answers so that you can support your child's learning This brand new series of wipe clean books are an ideal introduction to writing.The wipe clean pages allow children to practice the activities again and again.The bright coloured design and simple instructions encourage pre-schoolers to develop skills.

Tracing is an important step toward handwriting readiness, and Highlights infuses Fun with a Purpose into this activity. With vibrant art and fun prompts, Write-On Wipe-Off Let's Trace progresses from simple and short lines to more complex, age-appropriate mazes and other puzzles. A variety of activities, including dot-to-dots and finish-the-drawing features, will engage and entertain kids and build their confidence as they practice skills essential to getting ready to write. Kids love that they can draw all over these books, and parents love that the write-on wipe-off format lets kids trace over and over again and again. Winner, National Parenting Product Award (NAPPA) Winner, Family Choice Award

Learn to Write - Line Tracing Workbook - Ages 3-6 by © Preschool Genius for the school genius of the future, your child. Best preparation for learning to write, read and draw for boys and girls aged 3-6. This extensive kindergarten and pre-school US Letter format exercise book including coloring pictures and cognitive games offers varied exercises to support the fine motor skills, concentration and eye-hand coordination. Is it important to you that your child gets easily and playfully prepared for writing, reading and drawing? Then the "Learn to Write - Line Tracing Workbook" by © Preschool Genius is an excellent choice. Writing - Every child wants to do what adults can do. This millennia-old method of transmitting knowledge and experience demands top performance from the brain. Handwriting is a highly complex process. Fine ticks, bows, arches and swings. If you master it, it not only improves fluent writing, but also helps you learn to read. With this exercise book, you will playfully support your child's graphomotor skills and prepare them for writing letters and numbers. Particularly suitable for ages 3-6 during kindergarten, preschool, for school starters and the first years of school. In the book, concentration line tracing exercise pages alternate with coloring pages. Lovingly designed picture illustrations invite you to trace the lines of the figures. Lines and shapes for beginners: Simple and short exercises ensure first successes and motivate to recognize directions, forms and to follow lines. First experiences for the eye-hand coordination. Turns and arches for the advanced: Grinding and ticking with first changes of direction and smaller distances attract attention and improve the feeling for the correct pen holding and guiding. Symbols and pictures: Drawing first simple pictures and figures is fun, strengthens your child's self-confidence and also develops imagination. It unconsciously supports a feeling for mathematical figures, signs and symmetries. Summary of the book contents: □ For girls and boys aged 3-6 □ Pre-writing and tracing exercises □ Picture motifs for coloring □ Puzzle and cognitive games □ Varied drawing exercises □ Concentration development □ Eye-hand-coordination improvement □ Supports school start □ Preparation for learning to write □ Child-friendly picture illustrations □ Large format - US Letter Develop your child's fine motor skills for a perfect start at school while they have fun learning.
