Discover the secret trading method that Ross Cameron used to turn \$583.15 into over \$97k – it's easier than you think! Do you wonder why so many people frown upon trading penny stocks? Have you already tried investing in penny stocks on your own, only to lose thousands overnight? Do you want to know how to consistently turn a profit on your penny stock investments, without feeling like you're secretly being played? You might've heard that you shouldn't trade penny stocks. Hundreds of experienced day traders and so-called "experts" will laugh in your face the moment you ask them why investing in penny stocks is a horrible idea. According to the US Securities and Exchange Commission, in total, investors lose over \$18 billion per year in penny stocks. And yet a select few individuals are still able to turn stocks worth less than \$1 into 6-figure profits. Like Roland Wolf, who was living paycheck-to-paycheck before he passed \$1 million in trading profits on penny stocks. And Ross Cameron, founder of Warrior Trading, who lost \$15k in penny stocks before converting \$583.15 into upwards of \$130,000 in profits. And Tim Grittani, who transformed his life savings of \$1,500 into over \$12 million in returns. You might think it's impossible to recreate these results. After all, most people who trade penny stocks end up losing money. But that doesn't have to be you. Because if you use the right trading methodology for your penny stock investment strategy, you can stand to make steady short-term gains that'll bring you incredible earnings in the long run. What is Penny stocks ? Penny Stocks are those which trade at very low price and has a low market capitalization. While there is no simple definition, penny stocks in India generally trade at Rs 0.05 to Rs 10 per share. Individuals invest in these penny stocks and lose money as their share price is highly fluctuating. Pennystocking-that's what you're all here for, right? So what is pennystocking? Well, pennystocking is the game of trading penny stocks-or, stocks trading under \$5 dollars a share-in pursuit of profits. Forget value investing where you buy positions in strong companies and hold them for the long-term. Pennystocking is all about riding the waves of penny stock price moments. The better you learn to surf these waves, the better your profits will be. Read this paragraph over and over again. This is very important. This isn't investing-this is a game, and you have to look at it like a game. How do you learn the game? In my experience, the real reason why most traders lose money – and 90% of all traders will eventually lose money – is that they don't consider all the variables. You can't afford to make that mistake. You have to understand how Wall Street and all the characters involved work in order to adapt to change. The individual players and the stocks may change, but Wall Street never changes. For more information click on BUY BUTTON
