Gli Austriaci ed i Lombardo-Veneti in Italia. Pensieri

As the oxen pull the plow, guided by a man with a secure hand,
plow the earth and open a furrow where to sow the seeds, so too
thoughts are transformed into letters or drawings, on a white sheet
or on the screen of a device! Come i buoi tirano l'aratro, guidato da
un uomo con mano sicura, arano la terra e aprono un solco dove
seminare le sementi, così anche i pensieri si trasformano in lettere o
disegni, su un foglio bianco o sullo schermo di una macchina!

Unlike some other reproductions of classic texts (1) We have not
used OCR(Optical Character Recognition), as this leads to bad
quality books with introduced typos. (2) In books where there are
images such as portraits, maps, sketches etc We have endeavored
to keep the quality of these images, so they represent accurately
original artefact. Although occasionally there may be certain
imperfections with these old texts, we feel they deserve to be
available for future generations to enjoy.
