

People Prayers

"Grieve well and you grow stronger." Anthropologist Rebecca Louise Carter heard this wisdom over and over while living in post-Katrina New Orleans, where everyday violence disproportionately affects Black communities. What does it mean to grieve well? How does mourning strengthen survivors in the face of ongoing threats to Black life? Inspired by ministers and guided by grieving mothers who hold birthday parties for their deceased sons, *Prayers for the People* traces the emergence of a powerful new African American religious ideal at the intersection of urban life, death, and social and spiritual change. Carter frames this sensitive ethnography within the complex history of structural violence in America—from the legacies of slavery to free but unequal citizenship, from mass incarceration and overpolicing to social abandonment and the unequal distribution of goods and services. And yet Carter offers a vision of restorative kinship by which communities of faith work against the denial of Black personhood as well as the violent severing of social and familial bonds. A timely directive for human relations during a contentious time in America's history, *Prayers for the People* is also a hopeful vision of what an inclusive, nonviolent, and just urban society could be.

Prayers for the People is a collection of prayers for worship. These prayers offer the worshipping community fresh perspectives for praying the words of Scripture, using current language and references. Cross-referenced to the Revised Common Lectionary, pastors seeking to lead their people in prayer have found a relevant and beautiful source for worship planning.

The perfect gift for seekers, the curious, and the spiritually hungry, *The Little Book of Prayers* now has a stunning new cover and a more prayer book-like format. Gathered from holy books and prayer books, from songs and spirituals, spoken traditions and poets, it is an unexpectedly approachable collection of common and uncommon prayers from around the world. The entries, one per page or spread, are chosen for their depth of feeling, beauty of expression, spiritual intensity, and sense of the universal. The book is organized into broad categories of praise, entreaty, contemplation, mourning, and grace; and two indexes—one by authorship, and the other by topic—make it immediately accessible. There are familiar prayers, like the Lord's Prayer and 23rd Psalm, which, placed in new context, shine with a renewed beauty and wisdom. You'll find prayers unfamiliar to many in the West, such as the "Opener" from the Koran or the four vows of the Bodhisattva, chanted every evening in Zen monasteries around the world. And the surprising—from the "Prayer of the Unknown Confederate Soldier" to the blues of Lightnin' Hopkins to the poetry of Rumi. God help us to live slowly: To move simply: To look softly: To allow emptiness: To let the heart create for us. Amen. —Michael Leunig You, whose day it is, make it beautiful. Get out your rainbow colors, so it will be beautiful. —Nootka Song

Pete Greig is a worldwide authority and the face of a generation when it comes to prayer. One of the founders of the 24-7 prayer movement, he has seen, experienced, and chronicled amazing works of God in the world. While you might imagine him to be puffed up, Pete Greig is entirely the opposite. He is enchanting, down-to-earth, friendly, and most of all, very normal—and yet he tells preposterous tales about prayer (and they're true). He is basically a regular dude who loves to talk with God. *How to Pray* is written to evoke a passion for prayer in everyone—the committed follower of Jesus as well as the skeptic and the scared. The enormous blessing of *How to Pray* is that it is accessible, full of surprising stories of answered prayer, and tremendously engaging. The basic idea is that prayer is a conversation between you and God. Pete Greig demystifies and reenchants prayer, helping you to find prayer achievable and enjoyable, and ultimately life-giving and life-changing. *How to Pray* is designed to be used together with *The Prayer Course* (a free video curriculum associated with the Alpha course), making it useful for personal and group or church-wide reading.

When Vincent D'Souza's brother was terminally ill and later died of cancer, D'Souza was inspired to write this book, Happy People = Happy World. During this difficult time, he came to understand that loving and forgiveness of oneself and all others is crucial to experiencing health, wealth, and happiness. This collection of prayers helps you know who you really are, an infinite, eternal, birthless, deathless, spiritual being who is complete in every way - a child of the Creator. The prayers include: • the "I Am Prayer," the Lord's Prayer, as an affirmation; • the Rosary describes your purpose and life journey; • the Litany of the Christ describes your true nature; • the Seven Stations of the Healing Cross shows how forgiveness leads to oneness with God and all of creation; and • "I Am Loved, I Am Loving, I Am Lovable Forever" a suggested hymn, and "The Greatest Prayer," offer a tool to bless ourselves and the world. Happy People = Happy World offers insight into prayers and praying with the altruistic goal of blessing all of creation. Because, when we bless ourselves, we bless all of creation, uplifting it to higher vibrations of peace, awareness, love and light. There is only one of us, the essence of the Creator/Source that underpins every aspect of creation, so, when we choose to be PALLSS all of creation wins.

A Pocket Book of Prayers for Busy People (eBook)

This book offers a model of profound and accessible congregational prayer. At once inspirational and practical, it will empower and equip laypeople and clergy alike to offer heartfelt, informed, and appropriate prayers on behalf of the people of God. As Samuel Wells and Abigail Kocher say, "Interceding in public worship is a duty. This book is intended to make it a joy." Shaping the Prayers of the People begins by considering what public prayer is and offering practical guidelines for avoiding common pitfalls. It explores prayer as an integral part of worship and discusses the language we need (and don't need) to address God. Significantly, the book also provides an array of example prayers along with commentary.

From the award-winning, #1 New York Times bestselling author of Wayward Son, Fangirl, Carry On, and Landline comes a hilarious and heartfelt novel about an office romance that blossoms one email at a time.... Beth Fremont and Jennifer Scribner-Snyder know that somebody is monitoring their work e-mail. (Everybody in the newsroom knows. It's company policy.) But they can't quite bring themselves to take it seriously. They go on sending each other endless and endlessly hilarious e-mails, discussing every aspect of their personal lives. Meanwhile, Lincoln O'Neill can't believe this is his job now—reading other people's e-mail. When he applied to be "internet security officer," he pictured himself building firewalls and crushing hackers—not writing up a report every time a sports reporter forwards a dirty joke. When Lincoln comes across Beth's and Jennifer's messages, he knows he should turn them in. He can't help being entertained, and captivated, by their stories. But by the time Lincoln realizes he's falling for Beth, it's way too late to introduce himself. What would he even say...?

In this volume Dennis Smith invites you to spend 40 days continuing the work God has given you while exploring a wholistic view of health the importance of caring for mind, body, and soul and the integral role of the health message during these last days of earth's history.

Jonathan Aitken's conversion occurred at a time when he was experiencing the pressures of political life, a public trial, pleading guilty to perjury, being divorced by his wife, going to prison, and returning to "normal" life. Amid all the pressure of those years, he was disciplined in such a way that he learned the discipline of daily prayer and kept extensive prayer journals. It is from these that he mined the material for this book. Essentially following the ACTS approach to prayer—Adoration, Confession, Thanksgiving, Supplication—Aitken also adds an element of contemplation: Our Relationship with God. His acronym, then, is ACTORS, and his collection of prayers and reflections is accordingly divided into five parts, all preceded by a narrative of his introduction to a life of prayer. "Since direct communication with God in prayer is surely the truest path for a spiritual journey," writes Aitken, "my prayer is that this small book may help others along that path."

Treasured Prayers for Treasured People

God's mercy carries us day in and day out. His love comes to us everyday through simple things—unexpected beauty in a garbage heap; encouragement from a stranger; sunshine bursting through a thunder-shower. Is it any wonder that the Apostle Paul admonishes us to pray without ceasing? (1 Thes 5:17) In doing so, we model what was first modeled to us. Prayer might be called the language of the heart. Yet, because emotion and thinking are inseparable in the biblical tradition, our heart's language is both highly emotive and deeply theological. And because our identity is in Christ, our heart's language is also both immanent and transcendent. The Holy Spirit is both the author and recipient of our prayers. Even ordinary prayers can do extra-ordinary things. This book, Everyday Prayers for Everyday People, assembles 99 weekly prayers composed from September 2016 through September 2018 by author, Stephen W. Hiemstra. These prayers have been organized into a dozen topics: presence and protection, faith, church, Sabbath rest, adoration, healing, holidays, strength, family, intercession, seasons, and lamentations. The single longest topic is holidays with fourteen prayers. Hear the words; walk the steps; experience the joy! Author Stephen W. Hiemstra (M.Div., PhD) is a slave of Christ, husband, father, volunteer pastor, author, and speaker. He lives with Maryam, his wife of 30+ years, in Centreville, VA and they have three grown children. In *Prayers for a Privileged People*, this much-published author sculpts—as carefully as if with chisel—prayers on behalf of those who are people of privilege and entitlement—the haves—at an urgent moment in our society. The privileged face, on the one hand, the seduction of denial or, on the other, the temptation of despair. These prayers of wisdom and prophetic power remind us that when things go wrong, when we are afraid, and when we feel prodded by those who lack voice, there is a conversation we can have—a conversation situated amid the promises and commands of God.

What would the church be like if everyone committed to pray together? What would your nation be like if every church committed to pray faithfully for the same things at the same time? There is an urgent need for us to put a stake in the ground and say, 'That's it! We've had enough of poverty, the dysfunction and the pain in our broken world.' But, we also need to realize and grasp that God is enough, that he is sufficient. We need to go further than him to bring order and restoration to our broken world. In *The Prayers of Many* Mike Betts not only issues an urgent call to the church to rediscover the power of corporate prayer but equips both the individual and the church to grasp what God will do through the prayers of His people.

As the church breathes it prays, and as the church prays it breathes. The church cannot live without praying, and the world cannot live without the church's prayer. Prayer is the intake of the life-giving breath of the Spirit and the exhale of the heart's cry of salvation for the church and the world. Prayer may be the most significant and transformative act that the church can minister. By it one heart can change the world, and the world can change one heart - The Power of Prayer. As we pray, we pray as one people, one body. There is power in agreement for where two or more are gathered together in God's name there Christ is in the midst. This book of prayers offers a liturgical space and strategy for the local church to come together and make supplication to change the world. It is a book that provides guidance and assurance throughout the year, a resource for both laity and clergy and is a reminder that prayer is the treasure of the Christian life. I invite you to open your heart as you open this book and Heaven will open as you pray for God's Kingdom to come into the world in every place great and small. Amen. Rev. Peter J.
