"I picked up my colorful balland asked her about Mr. Jacobo.'He left,' said the woman.Although I already knew, I asked:'To go where?'"Far away,' she said.Although I already knew, I asked:'Will he come back?'"Between the perfume of the wind and the memory of those eternal afternoons that are the wealth of childhood and old age, Triunfo Arciniegas, one of the most versatile authors in Colombian literature, offers an encounter between generations around those difficult questions that we all have to ask at some point. Illustrator Juan Camilo Mayorga joins the conversation to take this poetic universe to a place where it is possible to scrutinize new details, stories, and emotions.

**Urban Los Angeles is the setting in which Elaine Miller has collected her narratives from Mexican-Americans. The Mexican folk tradition, varied and richly expressive of the inner life not only of a people but also of the individual as each lives it and personalizes it, is abundantly present in the United States. Since it is in the urban centers that most Mexican-Americans have lived, this collection represents an important contribution to the study of that tradition and to the study of the changes urban life effects on traditional folklore. The collection includes sixty-two legendary narratives and twenty traditional tales. The legendary narratives deal with the virgins and saints as well as with such familiar characters as the vanishing hitchhiker, the headless horseman, and the llorona. Familiar characters appear in the traditional tales—Juan del Oso, Blancaflor, Pedro de Ordimalas, and others. Elaine Miller concludes that the traditional tales are dying out in the city because tale telling itself is not suited to the fast pace of modern urban life, and the situations and characters in the tales are not perceived by the people to be meaningfully related to the everyday challenges and concerns of that life. The legendary tales survive longer in an urban setting because, although containing fantastic elements, they are related to the beliefs and hopes of the narrator—even in the city one may be led to buried treasure on some dark night by a mysterious woman. The penchant of the informants for the fantastic in many of their tales often reflects their hopes and fears, such as their dreams of suddenly acquiring wealth or their fears of being haunted by the dead. Miller closely observes the teller's relation to the stories—to the duendes, the ánimas, Death, God, the devil—and she notes the tension on the part of the informant in his relation to their religion. The material is documented according to several standard tale and motif indices and is placed within the context of the larger body of Hispanic folk tradition by the citation of parallel versions throughout the Hispanic world. The tales, transcribed from taped interviews, are presented in colloquial Spanish accompanied by summaries in English.**

"El perfume del Evangelio" presenta algunos encuentros entre Jes ú s y las mujeres en los evangelios. Varios pasajes se caracterizan por la presencia del perfume, un elemento cargado de connotaciones y rico en contenido simb ó lico, que se abre a m ú ltiples interpretaciones. Las protagonistas de esta obra son las mujeres. Jes ú s se pone abiertamente a favor de ellas y se solidariza con su dolor f í sico o espiritual. De este modo, invierte la escala de valores propuesta por la sociedad y supera las discriminaciones vigentes con su relaci ó n solidaria e igualitaria con las personas. El libro concluye con un encuentro inaudito, porque no tiene lugar entre Jes ú s y una mujer, sino entre Jes ú s y la Sabidur í a.

This 2005 book is a guide to Spanish usage for those who have already acquired the basics of the language and wish to extend their knowledge. Unlike conventional grammars, it focuses on those areas of vocabulary and grammar which cause most difficulty to English speakers. It fully illustrates the differences between the Spanish of Spain and Latin America, and looks in detail at register variation. Complete with a full word index, this clear and easy-to-consult text guides students through the richness and diversity of this major world language. This new edition has been extensively revised and updated to take a fuller account of Latin-American (particularly Mexican) usage. The vocabulary sections have been significantly expanded, and now include examples which contextualize each word or expression. The presentation of many sections has been improved to make reference even easier than before, and some completely new material has been added on semi-technical vocabulary and Anglicisms.

The demands of today 's society for greater specialization have brought about a profound transformation in the humanities, which are not immune to the competitive pressure to meet new challenges that are present in other sectors. Thus, lecturers and researchers in modern languages and applied linguistics departments have made great efforts to design syllabi and materials more attuned to the competences and requirements of potential working environments. At the same time, linguists have attempted to apply their expertise in wider areas, creating research institutes that focus on applying language and linguistics in different contexts and offering linguistic services to society as a whole. This book attempts to provide a global view of the multiple voices involved in interdisciplinary research and innovative proposals in teaching specialized languages while offering contributions that attempt to fill the demands of a varied scope of disciplines such as the sciences, professions, or educational settings. The chapters in this book are made up of current research on these themes: discourse analysis in academic and professional genres, specialized translation, lexicology and terminology, and ICT research and teaching of specialized languages.

As an Haitian descent, I have noticed the absence of materials necessary for the Creole speaking people to learn English. I have decided to fill up this vacuum by writing a book designed to teach English to the Creole and French speaking people. That book is called” FRANSE AK ANGLE SAN TRAKA E SAN DLO NAN JE”. It is written in three languages: Creole, French and English and all the contents of this book were recorded on cassettes tapes in order to help the students with the English pronunciation. I have utilized native Creole/French and English speaking orators in order to pronounce the information without any accent. This book has known a great success throughout the world. More than a million sets have been sold. With the help of other professionals, we have decided to translate this book into other languages in order to make this powerful system available to the regular folks who want to learn other languages the easy way. As described above, Version - I was designed to learn English from Creole and French Version - II “ANGLAIS SANS TROUBLE ET SANS PLEURS”, this version is written in French and English and its purpose is to teach English to the French speaking people. Version - III “CREOLE WITHOUT FUSS AND TEARS” its purpose is to teach Creole to the English speaking people Version - IV “SPANISH WITHOUT FUSS AND TEARS” this version is written in Spanish and English. It is designed for the English Speaking people to learn Spanish from English. Version - V “FRENCH WITHOUT FUSS AND TEARS” this version teaches French to the English speaking people. Version - VI “ESPAGNOL SANS TROUBLE ET SANS PLEURS” is designed for French speaking people to learn English Version - VII “ESPAYOL AK KREYOL SAN TRAKA E SAN DLO NAN JE” this version is written in Creole, French and Spanish and its purpose is to teach Spanish to Creole/French speaking people. This version has also a basic tri lingual dictionary at the end of the book. Version - VIII “INGLES SIN PROBLEMAS Y SIN LAGRIMAS”, the one that you actually have in your hand is written in Spanish and English. Its purpose is to teach English to the Spanish speaking people. All the versions come with CDs. In addition to the eight version described above, other books from the same author are also available to the public. IX - “ENGLISH WITHOUT FUSS AND TEARS # 2” this book is also written in three languages Creole/French and English X - A tri-lingual Dictionary: That dictionary has three versions an it is written in three languages a) One version is alphabetized in English and translated in French and Creole b) The second version is alphabetized in French and translated in English and Creole c) And the third version is alphabetized in Creole and translated in English and French XI - A Bilingual Dictionary written in Creole and English. The first part of the book is alphabetized in Creole and translated in English and that the second part of the book is alphabetized in English and translated in Creole. Quizá los olores evocuen el privilegio de la invisibilidad. Antes del tacto, sucede el olor, como mensajero de una esencia que sabe desaparecer en el aire y ser agente de un gran poder. La seducción que despliega el olor es implacable – se instala en nosotros y sella su poderío en los tejidos de la memoria. Jean-Baptiste Grenouille tiene su marca de nacimiento – no despide ningún olor. Al mismo tiempo posee un don excepcional – un olfato prodigioso que le permite percibir todos los olores del mundo. Desde la miseria en que nace, Grenouille lucha contra su condición y escala posiciones sociales convirtiéndose en un afamado perfumista. Crea perfumes capaces de hacerle inspirar simpatía, amor, compasión... Para obtener estas fórmulas magistrales debe asesinar a jóvenes muchachas vírgenes, obtener sus fluidos corporales y licuar sus olores íntimos. Su arte se convierte en una suprema e inquietante prestidigitación. Patrick Süskind nos transmite una visión ácida y desengañada del hombre y nos propone una inmersión literaria en el arco iris de los olores y en los abismos del espíritu humano. Convertida en una de las mayores producciones cinematográficas europeas de la historia, 'El perfume' es un libro repleto de sabiduría olfativa, imaginación y amenidad

La obra poética y en prosa de Nela Rio abarca los más disímiles temas. En sus trabajos esta escritora viaja de lo social a lo más íntimo, sin hacer exclusiones. Pareciera ser que todos los temas de la vida la inspiren. Por eso nos encontramos de su firma vivencias sobre sexualidad y amor, enfermedad y envejecimiento, mitos y realidades, represión política y social. La mujer, eso sí, se ubica siempre en el centro de su atención artística. Pese a la violencia de contenido que casi siempre ocupa en su lenguaje, las creaciones de esta mujer aparecen siempre cargadas de ternura, amor y solidaridad. Sus poemas, en particular, son un canto a la vida en tono de celebración definitivamente. Esta selección de trabajos suyos reafirma la tesis. En toda ella se ocupan metáforas para cantarle a la vida.

This updated edition of the number one selling beginning-level Spanish book offers loads of new content, including: € An expanded Spanish/English/English/Spanish dictionary-with twice as many entries as the leading competition € New exercises, with answers in each chapter € Expanded vocabulary and more useful phrases € More illustrations for learning new words Just in time for summer travelers, this is the user-friendly language guide that makes Spanish a snap.

**VERSES OF THE SANCTUARY is the continuation of a journey of the children of the Sanctuary which started in ANAMNESIS. The children of the Sanctuary, are the creative minds, the divine souls, gods among human begins and the light of life. They live in the human society, just like everyone else but all along, they have felt something is missing, they perceive that there is something else; they try to find the inexplicable to the reason and to the senses... the truth. Understanding more the new world, behind unopened doors, between unexplored parallels, where the poetical verses of art dominates, where philosophy is a life style and where all the immortal souls belongs to... the eternal place, the Sanctuary. Here are the Poetry and Songs, experience by the divine immortal souls, fighting their own demons, in a world of dark mortal souls, a world of hate and chaos, destruction and confusion.**

**Europe 1939 The world may be teetering on the brink of war, but that's no reason for the privileged classes to deny themselves the satisfaction of their deepest lusts. In exotic and exclusive clubs, they pursue the delights of the flesh with little thought to the world crumbling around them.**

**«Reflexiones sobre el sacerdocio bajo sus aspectos teológicos, filosóficos, pastorales, morales y litúrgicos, podría ser un subtítulo de la erudita obra: SACERDOTES PARA SIEMPRE del Padre CARLOS MIGUEL BUELA, Fundador del “Instituto del Verbo Encarnado” para misioneros ad Gentes y de las “Servidoras del Señor y de la Virgen de Matará”. Y con decir esto, ya tenemos sobrada presentación para acreditar al autor, como experto en vocaciones sacerdotales y religiosas. Al respetable volumen de la obra, con más de 800 páginas, se agrega la fluidez y calidad de su escritura, constituyendo un arsenal de citas de textos escogidos de la Biblia, los Santos Padres, Mensajes Pontificios y Documentos Conciliares, especialmente de Trento y Vaticano II, síntesis este último Concilio Pastoral, de toda la doctrina católica, compendiada a su vez en el Catecismo de la Iglesia Católica» (Pbro. "Como el da del Bautismo, de pronto el cielo cambi de forma, o de profundidad, la noche se trunc en una gran masa de manto negro y temible. Desaparecieron las estrellas, la luna nunca haba salido, ahora estara tragada por la inmensa concavidad de la tormenta que se gesta. No hubo trueno, no hubo relmpago. Se desgarr la oscuridad en un torrente de agua, la lluvia demandada por la escasa fe de Flavinia. Jess que estaba a veinte pasos habra intervenido, despues de todo. Ciertamente no era necesario saberlo. El ruido del agua creci de a poco sobre las piedras colgantes, el agua fue al hoyo en rebanadas de gran fuerza, dilatando el polvo que ya no es. Flavinia se desgarr el manto que se haba aherido a su cuerpo de plomo, se abalanz para abrazar el lodo, y arrancar una raz muerta, una raz que ahora tendra vida, entre el agua, y la tierra que se ha vuelto arcilla; se frot el rostro, el cuello, hundi la cabellera antiguamente quemada, ahora la senta ya resucitar al roce de las rocas, dej que todos sus aos y su cuerpo desnudo se baaran como en Roma, sin perfume, pero con el agua que es ms pura de la que baja del Palatino en Primavera. El Quinto Evangelio establece un nexo entre el primer siglo de la cristiandad y el presente. Se lee en el Captulo de La Ejecucin: "Deodoro Contreras muri a las siete y cuarenta. La cmara qued invisible para Vespasiano y el abogado, y para todos en verdad, cuando se corri una pesada cortina. No les era permitido ver el descenso del cuerpo exnime desde el lecho de lino. Se puede afirmar, sin metforas, que se revivi una vez ms la escena de la muerte en la cruz. No obstante, nadie esper que Contreras pudiera acogerse esta vez a los beneficios de la resurreccin"
