continues to provide an up-to-date and comprehensive textbook for students of pharmacology.

Focusing on the clinical application of drugs within a context of the major principles of pharmacology, this text supplies

Read Online Pharmacotherapy Casebook 8th Edition

both students and faculty with an introduction to modern pharmacotherapeutics.

This treatise had its origins in the authors' strong opinion that the discovery of new drugs, especially of innovative therapeutic agents,

Read Online Pharmacotherapy Casebook 8th Edition

really does not happen as a spontaneous sequel to investigative research, no matter how penetrating such research may be. Rather, it seemed to us that the discovery of innovative therapeutic agents was a very

Read Online Pharmacotherapy Casebook 8th Edition

active process, existing in and of itself, and demanding full attention-it was not simply a passive, dependent by-product of investigative research. And yet, many researchers some close confederates of the authors, others

Read Online Pharmacotherapy Casebook 8th Edition

**more distant-believed otherwise.
We felt that their view reflected
unrealistic thinking and that
reality probably lay closer to what
Beyer'' maintained: We are
taught to believe that if we can
understand a disease it should be**

Read Online Pharmacotherapy Casebook 8th Edition

easy enough to figure out, say, the molecular configuration of a definitive receptor mechanism somewhere along the line and to design a specific drug And so we start out to understand the disease but never get around to

Read Online Pharmacotherapy Casebook 8th Edition

doing much about therapy. The authors very soon realized that there was essentially no quantitative information available on just where and how innovative therapeutic agents were discovered. There were only

Read Online Pharmacotherapy Casebook 8th Edition

anecdotal accounts, and these were able to be selected and presented in ways that could be used to defend any point of view. Knowledge gained within the individual areas of law and ethics, pharmaceuticals, pharmacology and

Read Online Pharmacotherapy Casebook 8th Edition

pathology are tested by each example, bringing together all areas taught on the degree course. Each chapter contains five case studies, starting with uncomplicated cases and increasing in complexity as they

Read Online Pharmacotherapy Casebook 8th Edition

expand.
