These Bear Shifter country music stars are about to meet the women they never knew they needed! Contains the following novels: Matthew: Melinda Darling has always dreamed of being at the center of the Nashville country music scene. She thought getting her Master's Degree in Music Business would be her ticket to the top, but it turns out managers are a dime a dozen in Music City. With no other prospects and student loan repayments on the horizon, she takes an internship position under the devious Kitty Konstantine. The job was simple: find talent, introduce talent to Konstantine Talent Agency, and keep it all professional. When she finds The 4 Saints, she can see the men ooze with talent, their stage presence commanding rapt attention. When she lays eyes on Matt Saint, she knows she has no hope of keeping it professional... Matthew Saint has a lot on his shoulders, and he's got the scars to prove it. As guitarist for The 4 Saints, he and his brothers have to live in two worlds. On the one hand, they're up and coming country music stars just trying to make it in Nashville. On the

other hand, they're a clan of Bear Shifters that have to be careful who they let get close. Trouble is never far off, and since meeting Mel Darlin', he thinks maybe he's due for a little more trouble in his life. Mark: Adelaide-Spencer has always had a natural talent for songwriting. She find herself humming a tune, then running around the house like a chicken with it's head cut off looking for a pen and scrap of paper. Receipts, index cards and magazines: nothing was safe from her scribbles. But these were songs she wrote for herself, not for anyone else. So when her Grandma sent her song to the Konstantine Talent Agency without her knowledge, Addison flipped her lid. Would these strangers even accept her, given her family secret? Mark Saint knows talent when he sees it. His Grandfather used to say "There ain't no fakin' talent,". On stage he plays the same bass fiddle his grandfather did and is always looking for the best songs for he and his brothers to record. So he drove across the state to the dilapidated house in the middle of nowhere to meet the woman who wrote this special song. When he first laid eyes on her, he knew she'd be his mate. Luke: Candace Chance was having the worst night of her life. Of course, with a name like that, did she ever have a shot? Yet another thing she could thank her mother for, but at this point she had other things on her mind. Like the freezing cold rain, the soggy cardboard that separated her from the alley asphalt. Oh, and the gangsters who are out hunting her, because she's someone else's property. Thanks again, Mom. Luke Saint knows how to move among people. As drummer in The Four Saints, he isn't quite in the spotlight that his brother Matthew is. Sometimes that can be annoying, but sometimes being unseen has it's advantages. Coming up on these thugs beating this poor helpless woman was one of those times. He tasted sour copper in his mouth and let out a roar as he charged the men. Then their world got turned upside down. John: Meg Baker wanted for nothing growing up. The best schools: she attended them. The best instructors: she learned from them. The best talents as a violinist: she was born with them. A pampered life of chauffeurs and private jets. So why was she now on the run, trying to hide herself in the one place she knew her father would never look for her? John might have the last name of Saint, but his family swears he made a deal with the Devil. Not one person from Ozarks to the Appalachias could strum a mandolin like him. And while he loved the harmonies he helped his family achieve on stage, he always felt something was missing inside. Until that night she came into The Fiddler's Cave, and for the first time in his life he thought there might be someone who felt like he did. Bartholomew: Kitty Konstantine is used to being called names. Cut throat. Demon. Bitch. But the title that always trips her up is "daughter." No matter what she achieved, her father was always ready to cut her down. Even now that she's signed The Four Saints, it's still not good enough. Now, if she can't get them signed under a tighter contract, she'll lose

everything. Bart Saint was pure swagger. He had that level of arrogance that couldn't be earned, so only the very few could pull it off. Tall? Sure. Handsome? Oh yeah. But it was something else that made heads turn when he walked into a room. He knew exactly who he was, and that made him invincible. He was manager to his nephews, and he'd be damned if he let Kitty Konstantine put the squeeze to them. Let the battle of wills begin. May the most stubborn negotiator win. A practical reference draws on the expertise of National Geographic Traveler photographers to include coverage of panoramas, portraits and narrative series while sharing guidelines for selecting and transporting equipment. Original. Life has, of course, visited its archives before — but never like this. This edition puts the photographs on display, not only as part of the page layout but as the page itself. The explanatory text will be out of the way, so that each image can be savored. Moreover, prints will be included that are not just suitable for framing, but meant for framing. And not only will there be photographic prints; there will also be 75 other famous pictures that appeared in Life's pages, the story behind each of them and the narrative history of what Life's photography has long meant to the country and, indeed, to the world. This is a unique, ground-breaking book. It is the ultimate treatment of our photography to date in book form. As such it is ultra-commemorative and collectible. 'The Classic Collection', presented in this classic way, will be a definitive Life Book—and a category leader.

For digital camera and smartphone users, this easy how-to guide, written by an experienced National Geographic photographer, imparts the essentials of taking great pictures. This entertaining book beloved National Geographic photographer and Photo Ark founder Joel Sartore shows aspiring photographers how to take great pictures, from framing and F-stops to editing and archiving. Whether you're using your phone or a DSLR camera, you'll learn the fundamentals of photography--and how to put them to work every day. In a series of short lessons, Sartore explains the basics, from choosing a camera and gear to understanding focus, exposure, composition, and lighting. Using examples from his own work, he applies the basic rules of photography to family travel, nature, and street photos, and how to get a great shot with the camera on your smartphone. Throughout the book you'll find pro tips, quick assignments, and the behind-the-camera stories behind great photographs; helpful notes clarify how to use every piece of advice with your smartphone camera. Fun and informative, this practical book will be your gateway to taking great pictures.

These Bear Shifters might not have a lot of money, but they're rich in what counts. The 120 Full Honey Ultimate Box Set is here! Contains the following stories: Daxton: Blair Mason was a woman with a one-track mind, and that track was work. From sunrise to sun down, all she thought about was how to keep her small town grocery store open. That meant hard decisions, the type Blair was making amidst of making when she was rudely interrupted by a tall man. A tall handsome man. Oh, the things other than work after all! Daxton Holt thought getting his honey on Mason's shelves was simple. Walk in, flash a smile and fill out some paperwork. But this owner was something else. He saw right through his charms, pushing him to really sell his product. He liked that, and he liked it. A feisty little minx is sweeter than any honey his bees made... Knox: Jasmine has always known life wasn't fair. It wasn't fair that all her hard work keeping a home wasn't appreciated. It wasn't that none of that time counted as "experience," but she was desperate so she had to take what she could get where there was. Stepping off the bus, she reminded herself that life didn't have to be fair, but it did have to be survived. As soon as she laid eyes on the handsome man who answered the door, she remembered something she'd suppressed for a long time: life had its sunny moments as well. Knox Ryker doesn't really like this whole idea of getting a housekeeper. Yes, five guys living together could take it in their own place. Yes, Dax's new girlfriend had a point: it was a pigsty. But having a stranger come over and clean through your things just didn't feel right. But once he laid eyes on Jasmine, he had feelings of a totally different sort. Amir: Just get in, get the scoop, and get out. Kora Lane stepped out of

conditioned car and into the blazing heat of this muggy Ozark valley. Her boss had sent her here to sniff out a story: a local honey harvester was producing illicit moonshine on the side. came in from an anonymous source, but she never passed up a juicy tip. Now she just had to this gorgeous mountain of a man that answered the door... Amir Thorne was a man with a secret matter how low key he tried to play it, there was always a type of woman who could sense if they took his disinterest as a clear signal to move on. But every now and then, you'd get one who wouldn't let go. As soon as he saw Kora, he knew what type she was... Beck: Don't put that in your mouth. Don't push your brother. Please stop crying. Harmony just needed to get through this nannying. The little boogers in her charge were turning their trip to the county fair into a competition of who could cause a migraine the fastest. She spotted a honey stand and thought a few swarms might win her a moment's respite. She spotted the owner of the stand and thought about something other than honey... It wasn't that Beck hated kids: he just wasn't used to them. All the crying, erratic behavior and the tantrums were just too much. He had a feeling his reluctance on the children was why he and his girlfriend of four years had to call it quits. There are some things you just can't compromise on, no matter what. Slade: Veronica Harper was ready to let bygones be bygones. She'd spent enough years fighting tooth and claw to know that nobody won in a drawn-out brawl. It was better for all parties to come to the peace table. But being the leader of a Bear Clan meant many things, the most important of which was to be the kind of leader that the rest of the Clan would follow. That meant never losing face. Even if the person you're staring down is a handsome hunk with more charm than he realizes. Brian Braun, a local Dallas photographer, believes he's hit Pulitzer pay-dirt when he receives an unusual call for an extraordinary photo shoot from a U.S. Senator. Afterward, however, Braun comes to realize his photographs have done more than record history. He's recorded one of the greatest hoaxes and politically devastating scandals that breeches beyond the boundaries of Watergate. The hoax is perpetrated on the American people by a private security firm that specializes in high profile political murder. Relying on his own streetwise wits, Braun has less than forty-eight hours to stay a step ahead of a highly motivated death squad and keep from being branded by history as the next Lee Harvey Oswald.
