*200-page sheet music collection of highly accurate piano arrangements. Prior to this songbook, many piano/vocal arrangements of Led Zeppelin songs were published in the "old-style," which means the sheet music didn't necessarily match the epic recordings that made the songs famous. For this collection, each recording was revisited for transcription, resulting in the finest Led Zeppelin piano/vocal songbook ever published! This is a must-own book for pianists, keyboardists, and fans in general. Basic guitar chord frames are included, and there's also an authentic guitar TAB version available. relationship with his recently widowed father in a series of painfully funny essays you will want to read again and again by the fire, at the beach, in a truck stop men's room, or just about anywhere. It's your call, really. These days, Dave has just the right amount of spare time to write books at home, preferably in his underwear, but things weren't always perfect. When he found himself pushing thirty while still living with his parents in Cleveland, unsuited for anything but what an "employment expert" vaguely called a career in "art, music, writing, or

entertainment," he decided to visit some friends in New York for the weekend and never left. However, getting his life together wasn't as easy as he'd hoped, and even an illegally subletted, rent controlled fifth-floor walk-up studio apartment with a (for the most part) working toilet wasn't glamorous enough to erase the fact that his four siblings were all married with steady jobs and actual human offspring. And in recent years, Dave's father had grown tired of loaning him cash and living alone in the empty family home, neither of which made much sense to Dave, but whatever. Through the

process of his father's eventual move to a retirement community, Dave and his dad bonded over the things in life that really matter: scorching-hot rock jams, the gluten allergy craze, eighteen-wheelers, Italian food (pizza and spaghetti), and whatever else could possibly be left after that. Meanwhile, Dave discovered his late-blooming manhood via experiences as disparate and dangerous as a visit to a remote Mexican prison, where he learned that people everywhere love the Eagles, and a martial arts class that pushed his resolve and his groin to their limit. In Dave Hill

the Lesson Book A make it unique and effective for the young 5-6 year old beginner.

1. A strong focus on technique embedded in the book through playful technique games, chants, and carefully-composed pieces that gently lead the child into pianistic motions. 2. An outstanding CD for the young student to listen, sing, tap, and play along with at the piano. The orchestrated songs on the CD feature children singing the lyrics, which has great appeal to the 5-6 year old beginner. The CD becomes a ready-made practice partner that guides the student and parent for all the pieces

Rodrigo Y Gabriela have been one of  
the most unusual success stories of  
the last two years. An acoustic guitar  
duo, originally from Mexico City,  
Rodrigo Sanchez and Gabriela  
Quintero began playing in metal bands  
as teenagers before switching to  
acoustic music and traveling to  
Europe, where they built up an  
audience by busking their fiery fusion  
of Latin, jazz and rock music.  
Renowned for their virtuoso  
techniques, which incorporate a  
dazzling array of percussive sounds  
and lightning-fast fretwork, this  
songbook presents every song from  
the self-titled debut album meticulously  
arranged for Guitar TAB. Song List: -
