on the treble and bass clef, staves, intervals, sharps, flats, steps, intervals, triads, piano history and the list goes on and on. This piano book is great for anyone who wants to speed up the learning process and learn to play in a fun and interesting way, not the traditional, boring method.

This book of pieces aims to establish good practice and provide an early introduction to the essential skill of sight-reading. In Part 1 the basic keys of C, G, F and D major and A and D minor are explored while keeping the movement limited to steps, skips and repeated notes in a 5-note range. In Part 2 students are encouraged to identify the key for themselves. Accidentals, dotted notes, simple ties and syncopations occur in the exercises. Intervals of 4ths and 5ths are also included.

(Easy Piano Personality). A must for every fan, this songbook matching the double CD assembles 28 of the very best from the incomparable Prince:

Controversy * Cream * Delirious * I
Would Die 4 U * Kiss * Let's Go Crazy *

Me And My Piano Part 1 takes the young pianist step-by-step through the early stages of piano technique, first with separate hands, then with a sequence of very easy pieces for hands together. All use a constant five finger hand position in the key of C major. Games and puzzles give elementary theory a new lease of life, and children will love the rhymes and songs introducing characters such the Ostrich, Sammy Squirrel and the Old Man with the Beard! Fanny Waterman and Marion Harewood's Me And My Piano series is probably the UK's most widely-used and biggest selling piano method. It is now published in a new edition including a new larger size, improved layout making it easier to read, a clean new look with new typesetting and music-setting and the instantly recognisable cover designs have been updated for extra vibrancy. Enchantingly illustrated, in full-colour

throughout, this essential and irresistible book will encourage the young pianist to expand his or her learning in the most enjoyable way. This is the full eBook edition in fixed-layout format.

Continuing the incredible popularity of Alfred's Basic Adult Piano Course, this new book adapts the same friendly and informative style for adults who wish to teach themselves. With the study guide pages that have been added to introduce the music, it's almost like having a piano teacher beside you as you learn the skills needed to perform popular and familiar music. There are also five bonus pieces: At Last * Have Yourself a Merry Little Christmas * Laura * Over the Rainbow * Singin' in the Rain. Included is a recording containing the piano part and an engaging arrangement for each of the 65 musical examples. 192 pages.

(Willis). A piano series for the early beginner combining rote and note approach. The melodies are written with careful thought and are kept as simple as possible, yet they are refreshingly delightful. All the music lies within the grasp of the child's small hands.

Playing the piano is not easy. If it were, surely everyone would want to do it? We know that to succeed as a pianist requires practice and lots of it. But how do we practice? What exactly do we need to do day by day to reach our goals? There are many books on piano playing, but surprisingly few that deal with the art of practicing. Given the amount of time an aspiring pianist needs to spend at the instrument on a regular basis, it is surely very important to know exactly what to do, and how to make the best use of this time. This book will show you how to do that.
