

## Pigs In The Parlor A Practical Guide To Deliverance

***How to Wage Spiritual Warfare in the Last Days An important spiritual law was revealed by Jesus in Luke 11:21-22 and Matthew 12:29, "How can one enter into a strongman's house, and spoil his goods, except he first bind the strongman? And then he will spoil his house." Now, instead of "binding" symptoms, we can attack the sixteen strongmen or demonic spirits mentioned by name in the Bible! If God names them, they are real, and He has given us dominion over them through the Name of Jesus! In easy to understand language this book... Teaches how to zero in on and quickly identify the strongman in every situation Illustrates each strongman by a tree showing the fruits or symptoms for quick identification Instructs how to bind the enemy and loose the power of God according to Matthew 18:18 Provides instant recognition when and where Satan is attacking our lives and the lives of those around us Shows that God wants us to be free from Satan's hassles so that we can reach this world for Christ. Strongman's His Name...What's His Game offers a scriptural, balanced, and uplifting approach to present-day spiritual warfare.***

***In recent years deliverance ministry has become increasingly difficult. Even the most seasoned ministers struggle to locate and expel demons. Individuals think they're free from demonic bondage only to be blindsided by another oppressive force. But for New York pastor Alexander Pagani, one experience changed everything. He realized how demons lodge themselves in hidden areas of our lives. First, a demon can quite literally reside in an area of the body. Second, demons can live deep in the soul and remain undetected. Deliverance is like a labyrinth with trap doors, backward stairs, and secret rooms. In The Secrets to Deliverance Pagani shares biblical strategies and his own experiences for evicting the demons in the "rooms" of your soul and body. Featuring prayers and declarations, this book will instruct you how to strategically and powerfully overtake the enemy so that you can live the life God intended for you.***

***A man loses his shoes on an airplane. A woman gets trapped in a bathroom by a ghost (maybe). A mob enforcer startles easily. A young actor wants his face on the wall of a pizza parlor. What do they all have in common? Nothing. This is a short story collection. That would be a super weird novel, if those were all one thing. Some of these stories have appeared in publications such as Suspense Magazine and Storgy. Others, including the novella "Winner Winner," are brand new. In between them are silly little jokes. **Children today are bombarded more than any time in history with satanic influences. There is a war being waged for their imaginations and for their souls. A Manual for Children's Deliverance reveals deliverance truths, in simple terms, for setting children free from fears, torments, and destructive behavior. Frank and Ida Mae Hammond draw upon their rich experience in dealing with children and in helping them receive the freedom purchased for them through the cross of Jesus Christ. The authors include a special section covering the dangers inherent in, and the evil influences of, certain toys, games, music and television. Learn how to help your child! Deliverance methods and helpful examples are given, as well as a listing of demons common to the child's world. **The gift of discerning of spirits is a powerful weapon in the Christian's arsenal! When God calls us into ministry, He equips us. God has called all of us into spiritual warfare and spiritual battle. His Church will be a militant Church, and the "gates of hell shall not prevail against her." The weapons God supplies us with are not carnal or fleshly weapons, but spiritual ones, they are "mighty through God to the pulling down of strong holds." We are equipped by God for spiritual warfare through the gifts of the Holy Spirit mentioned in 1 Corinthians 12. God has said that these are the channels through which His power will flow, the avenues through which His Holy Spirit will operate. Chief among these gifts for the ministry of deliverance is the gift of discerning of spirits. We must rely upon the Holy Spirit for the ministry of deliverance and nothing else, not the arm of the flesh or the voice of demons. Frank Hammond explains the application of this gift to the believer, and provides examples of how it has worked in his own ministry. He concludes with a prayer of impartation for the reader to receive this gift and the gifts of knowledge, wisdom and faith.**

***Two human personalities can form a relationship, and, through communication and communion, that relationship can be enhanced. Likewise, a person can form and develop a close relationship with an evil spirit, whether for knowledge or gain. When a person forms a relationship with an evil spirit, he then has a familiar spirit. Familiar spirits are counterfeits of the Holy Spirit's work. Anyone who has fellowship with God, and who is led by the Holy Spirit, does not need a familiar spirit, for God provides him with all that he needs. As with anything occult, involvement with familiar spirits creates spiritual defilement: "Regard not them that have familiar spirits...to be defiled by them: I am the Lord your God." Lev. 19:31***

This companion book to Pigs in the Parlor is designed for both individual and group study. Are you in search of deliverance for yourself or for someone you love? This companion book to Pigs in the Parlor has been designed as a tool to enable you to diagnose and effectively deal with your deliverance needs. Are you interested in studying the scriptural basis for the deliverance ministry? This guide has been designed as a Biblical resource, detailing the extensive coverage of this ministry in the Old and New

Testaments. Are you feeling led to become involved in a deliverance ministry of your own, to help set captives free? This guide has an entire section on the methods and techniques, the pro's and con's of how to effectively minister deliverance.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 Demons can invade and indwell human bodies. They do so in order to gain a greater advantage in controlling the person they are working from the inside than when they are working from the outside. When demons indwell a person, he or she is said to be possessed by evil spirits. #2 The Christian should consider indwelling demons as unnecessary and undesirable trespassers. A trespasser is one who unlawfully and stealthily encroaches upon the territory of another. The Christian must confront and challenge the demons on the basis of his legal rights. #3 All demons are liars and deceivers. They have no right to indwell bodies redeemed by the blood of the Lord Jesus Christ. When demons are being commanded out of a person, they will sometimes claim that they have been there a long time, as though tenure of occupancy gives them title to a person's body. #4 As a spiritual type, the pig is to the natural realm what the demon spirit is to the spiritual realm. Just as the Israelite zealously protected himself from contact with pigs, the Christian is to guard himself from contact with evil spirits.

There are good soul ties and bad soul ties, just as there are healthy relationships and unhealthy ones. My wife and I dealt with soul ties, through the ministry of deliverance, long before we had much understanding of them. In fact, long before someone introduced the designation "soul ties," we referred to them as "unholy alliances" or "perverse relationships." Through the deliverance ministry, soul ties are encountered regularly and their power over individuals' lives needs to be broken. Yes, soul ties are real, but what are they? What is the scriptural basis for understanding soul ties? How are they formed? Are they always demonic? What danger is there in soul ties? How can they be broken? In this booklet, Frank Hammond explains the root causes of these ties and how to distinguish between Godly and demonic soul ties.

What are demons? How do demons gain entry into people's lives? Do Christians need deliverance from demons? In this practical, comprehensive handbook on deliverance, author and Bible expositor Derek Prince addresses the fears and misconceptions often associated with the subject of demons. By sharing his own struggles with unseen forces, he encourages believers to become equipped to take action against these evil beings. He exposes their characteristics, activities, and entry points, and offers solid, down-to-earth advice on how to receive and minister deliverance--and how to remain free.

The Reality and Power of the Supernatural in Your Life

A Guide to the Basics

There are many forms of witchcraft. In some cases, it involves conjuring up demons from hell and dispatching them to churches or individuals to cause envy, strife, and confusion. Spirits of delusion (which will cause a false belief or opinion, meant to mislead; deceive or trick) are a strong tool used in witchcraft. I've found in my fifteen years of ministry, that a spirit of delusion can destroy a marriage. For example, it will cause suspicion and false accusations to be made by one spouse against the other. In the church, divisions between Pastors and members can result when this spirit is loosed to attack the pastor. Many pastors have been hurt, deceived, misused and had their churches split as a result. God gave me the assignment to write this book to enlighten the Church on the operation of witchcraft, so the body of Christ would not have to suffer these attacks any longer. We have the power through Christ Jesus to destroy these works and to stop them. If one can put a thousand to flight, and two can put ten thousand to flight, just think what the whole body of Christ can do.

A classic work on gender culture exploring how the women's movement has evolved to Girls Gone Wild in a new, self-imposed chauvinism. In the tradition of Susan Faludi's Backlash and Naomi Wolf's The Beauty Myth, New York Magazine writer Ariel Levy studies the effects of modern feminism on women today. Meet the Female Chauvinist Pig—the new brand of “empowered woman” who wears the Playboy bunny as a talisman, bares all for Girls Gone Wild, pursues casual sex as if it were a sport, and embraces “raunch culture” wherever

she finds it. If male chauvinist pigs of years past thought of women as pieces of meat, Female Chauvinist Pigs of today are doing them one better, making sex objects of other women—and of themselves. They think they're being brave, they think they're being funny, but in *Female Chauvinist Pigs*, Ariel Levy asks if the joke is on them. In her quest to uncover why this is happening, Levy interviews college women who flash for the cameras on spring break and teens raised on Paris Hilton and breast implants. She examines a culture in which every music video seems to feature a stripper on a pole, the memoirs of porn stars are climbing the bestseller lists, Olympic athletes parade their Brazilian bikini waxes in the pages of *Playboy*, and thongs are marketed to prepubescent girls. Levy meets the high-powered women who create raunch culture—the new oinking women warriors of the corporate and entertainment worlds who eagerly defend their efforts to be “one of the guys.” And she traces the history of this trend back to conflicts between the women's movement and the sexual revolution long left unresolved. Levy pulls apart the myth of the Female Chauvinist Pig and argues that what has come to pass for liberating rebellion is actually a kind of limiting conformity. Irresistibly witty and wickedly intelligent, *Female Chauvinist Pigs* makes the case that the rise of raunch does not represent how far women have come, it only proves how far they have left to go.

A Sequel to the all-time classic 'Pigs in the Parlor' by Frank Hammond. This book sets forth guiding principles from Scripture and the ministry of Jesus for confronting demons and delivering the oppressed. You will learn: The Nature & Function of the Demonic Kingdom; Discerning Right & Wrong Methods of Deliverance; Fears That Defeat Christian Soldiers; The Believer's Commission & Authority & Being Anointed; Maintaining Balance in Deliverance; Keeping Out Of The Devil's Reach, Demonic Connection With Mental Illness & Disease, and more. Specific Chapters on: Prayer For Deliverance, Healing & Deliverance, Two Opposing Kingdoms, Filling the House, The Gadarene Demoniac, Binding & Loosing, A Deliverance Failure, The Mission of the Seventy, The Spirit of Intimidation, The Spirit of Infirmity, and more.

The sexual revolution has impacted our nation, our church and our family. Promiscuity, nudity and sexual obscenities have become commonplace, and our consciences have become

desensitized. No longer is there a widespread outcry against the avalanche of filth flaunted daily before our eyes. The repercussions from sexual sin are mounting as moral convictions falter and sexual fads balloon. Neither the nation nor the individual can escape the consequences of disregarding God's commandments. The Bible warns us that, "The wages of sin is death" (Rom. 6:23), and "The way of the transgressor is hard" (Prov. 13:15). Unless these kinds of works of the flesh are quickly mortified, they become demonic strongholds. Sowing to the flesh produces corruption (Gal. 6:8), and corruption (dead flesh) provides a banquet table for unclean spirits. The inevitable consequence of defilement is the loss of fellowship with a holy God. "Pursue... holiness, without which no one will see the Lord" (Heb. 12:14). Are the fleeting pleasures of sin worth the forfeiture of our fellowship with God? Learn how to break free from the bondage and repercussions from sexual sin.

Summary of Frank Hammond & Ida Mae Hammond's Pigs in the Parlor

A Practical Guide to Deliverance

The New Age movement has returned with full force in our culture taking the West and its churches by storm. All across North America, Christian churches have unknowingly encouraged occult beliefs and practices far removed from what the Bible teaches. This unfortunate reality is intrinsically linked to the popularity increase of New Age spirituality in the first century, and we've been so influenced by its integration into our society that we have become blind to recognizing and preventing, the effects of this mainstream, pop-culture heresy, even within the walls of God's house. In this important and timely book, former New-Agers Josh Peck and Steven Bancarz reveal: What perverse dealings the authors personally witnessed from their experiences deep within the New Age Movement. Which real and dangerous supernatural force lurks behind the New Age. Facts that reveal how the occult has worked its way into modern, evangelical churches. Connections between New Ageism, fallen angels, extraterrestrials, and the Nephilim. Solid, historical associations between the New Age Movement and Satanism. What false-Christ and false-gospel doctrines are being pushed by New Age teachers. How the central deity of the New Age is a thinly veiled version of Leviathan, the

ancient personification of chaos. How quantum physics is being manipulated to promote the New Age agenda. How reach friends and family lost in the New Age movement. Warning signs and influences of the occult in your life and and what to do if you are under spiritual attack Our lives, our relationships, our world, and our churches all depend on willingness to take action against the deceit of New Age spirituality. The first step toward prevention is knowledge. the time to be informed.
