

*most critical mainspring of social change isn't coalition building or problem analysis. It's healing: deep, whole, and systemic, inside and out. Here, Shawn Ginwright, PhD, breaks down the common myths of social movements—a set of deeply ingrained beliefs that actually hold us back from healing and achieving sustainable systemic change. He shows us why these frames don't work, proposing instead four revolutionary pivots for better activism and collective leadership: Awareness: from lens to mirror Connection: from transactional to transformative relationships Vision: from problem-fixing to possibility-creating Presence: from hustle to flow Supplemented with reflections, prompts, cutting-edge research, and the author's own insights and lived experience as an African American social scientist, professor, and movement builder, The Four Pivots helps us uncover our obstruction points. It shows us how to discover new lenses and boldly assert our need for connection, transformation, trust, wholeness, and healing. It gives us permission to create a better future—to acknowledge that a broken system has been predefining our dreams and limiting what we allow ourselves to imagine, but that it doesn't have to be that way at all. Are you ready to pivot?*

A "playful, enlightening, and creative collection" (Spirituality and Practice) of spiritual lessons, anecdotes, and thoughts on the Divine's intervention in our lives, this brilliantly written and wonderfully entertaining book teaches us how to live purposefully and in line with the Force of Love. "What if the Divine is constantly igniting roadside flares to get our attention? What if there actually is a Supreme Organizing Principle with an unbridled sense of humor? And what if we each have this ardent inner suitor who's writing us love letters every day that often go unopened?" Whether we know it or not, we all experience the touch of the Divine in our lives every single day. After twenty-five years spent consulting and advising tens of thousands of people from all over the world, Tosha Silver realized that almost all of us have similar concerns: "How do I stop worrying? How can I feel safe? Why do I feel so alone?" and often, "Who am I really?" For the passionately spiritual and the bemusedly skeptical alike, she created Outrageous Openness. This delightful book, filled with wisdom and fresh perspectives, helps create a relaxed, trusting openness in the reader to discover answers to life's big questions as they spontaneously arise. Outrageous Openness opens the door to a profound truth: By allowing the Divine to lead the way, we can finally put down the heavy load of hopes, fears, and opinions about how things should be. We learn how to be guided to take the right actions at the right time, and to enjoy the spectacular show that is our life.

Just graduated? Feeling a little lost? Life After College is like a portable life coach, giving you straightforward guidance on maneuvering the real world--along with tips, inspiration, and exercises for getting you where you want to go. Congrats, you've graduated! You have your whole life ahead of you. Do you feel overwhelmed? Unsure? Deluged with information, but no real plan? A proven approach to achieving entrepreneurial success in new corporate ventures and startups Every day, business and corporate startups take action based on assumptions. Yet these assumptions are based largely on guesswork that leads to everything from costly mistakes to the failure of ventures. Fortunately, there are ways to overcome these issues and excel in your business endeavors--and this book will show you how. Engaging and informative, Pivot provides entrepreneurs with practical guidance for achieving success in corporate ventures as well as new startups. Based on more than fifteen years of academic research and many more years of experience in business and corporate startups, this book skillfully addresses topics ranging from resources and organizational uncertainties to the scope and scale of new business opportunities. Reveals how to successfully conceptualize new business opportunities, pivot as required to experiment with these opportunities, and accelerate to the marketplace Captures the capabilities needed to quickly build a business by understanding and systematically reducing uncertainties from market landscape and technology to talent and organizational positioning The digital component of this book includes a world-class strategic innovation methodology that is in demand from corporations worldwide Written with today's serious entrepreneur in mind, Pivot will provide you with the tools you'll need to get ahead of the competition and achieve consistent success.

Something very unusual is occurring on this planet right now. You have no doubt noticed it. It may be producing a more than normal amount of challenge and disjointedness in your life, and perhaps even some major upheavals. You are probably noticing it in the lives of others as well. For a while you may have thought that this was all just your mind playing tricks on you; that things were not really happening any differently, and that you're just a little tired, a little overcommitted, a little oversensitive. But now, as each day presents itself with obstacles mounting and challenges increasing and more and more personal issues coming up to be faced and healed, it is apparent that all of this is not an illusion, not an exaggeration. So you may be asking, "Why is all this happening? What am I doing wrong?" And here's the answer . . . You're doing nothing wrong. AND . . . there is something very unusual going on right now in your life, and all over the planet.
