***Integrating literature in education, especially in language learning, is indispensable. Not only that literature enables students to gain competence in a particular area of knowledge, it also nurtures their compassion and conscience, developing them into whole human beings. To embrace this vision, a book that can facilitate students' learning is needed. This book is designed to assist both teachers and students of Introduction to Literature course to enhance their literary skills as well as their soft skills.***

***The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August, 1937 onwards, it was published by All India Radio, New Delhi. In 1950, it was turned into a weekly journal. Later, The Indian listener became "Akashvani" in January 5, 1958. It was made a fortnightly again on July 1, 1983. It used to serve the listener as a Bradshaw of broadcasting, and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation.***

***This book invites readers to consider the possibilities for learning and growth when artists and arts educators come into a classroom and work with teachers to engage students in drama, dance, visual art, music, and media arts. It is a nuts-and-bolts guide to arts integration, across the curriculum in grades K-12, describing how students, teachers, and artists get started with arts integration, work through classroom curriculum involving the arts, and go beyond the typical "unit" to engage in the arts throughout the school year. The framework is based on six years of arts integration in the Chicago Arts Partnerships in Education (CAPE). Renaissance in the Classroom: \*fully explains the planning, implementation, and assessment processes in arts integration; \*frames arts integration in the larger context of curriculum integration, problem-based learning, and the multiple intelligences; \*provides the theoretical frameworks that connect standards-based instruction to innovative teaching and learning, and embeds arts education in the larger issue of whole school improvement; \*blends a description of the arts integration process with personal stories, anecdotes, and impressions of those involved,***

***with a wealth of examples from diverse cultural backgrounds; \*tells the stories of arts integration from the classroom to the school level and introduces the dynamics of arts partnerships in communities that connect arts organizations, schools, and neighborhoods; \*offers a variety of resources for engaging the arts--either as an individual teacher or within a partnership; and \*includes a color insert that illustrates the work teachers, students, and artists have done in arts integration schools and an extensive appendix of tools, instruments, Web site, contacts, and curriculum ideas for immediate use. Of primary interest to K-12 classroom teachers, arts specialists, and visiting artists who work with young people in schools or community arts organizations, this book is also highly relevant and useful for policymakers, arts partnerships, administrators, and parents.***

*There are many things about this book that hold a certain significance to me. The number seven is an important factor referred to for centuries by not only philosophers and poets, but also described as a final countdown within pages of the bible also. Another thing about the poems in*

*this book is that I wrote a some of them during the last months of my Mother in laws life. Because of witnessing a few things many would consider miracles, she became a firm believer in this gift I call The Journey. Also because of daily viewing our world at war, some of these poems have a deeper political awareness of our current leaderships mistakes and how that affects us all. And will continue to for generations. May this book allow you to float within a universal ocean of questions and answers.*

*This book " My Interactive Book of Poems" is unique, practical, useful and universal in its presentation and content. The book is divided into 7 sections with over 50 original poems of varying lengths and level difficulty all written by the author. It introduces children to six types of poems; Shape, Haiku, Acrostic, Rhyming, Free Verse and Narrative. Children are encouraged to read the poem aloud at least three times, as they listen to the words the poem comes alive. It is important to note that children do not have to like all the poems. They may begin in any section, with any poem and work backwards or forward. There are no restrictions. The activities which follow will further test children's understanding of the poem. The 7th section contains additional activities and answers to all questions. This book is compact, will hold in your child's bag, and easy to read. Your child needs nothing more than a pencil or pen, crayons and a willingness to embark on a very pleasant journey with a friend, parent/adult, teacher, older sibling or alone. " My interactive Book of Poems" will soon become your child's companion on a plane, a train, a road trip, the car or bus and at home. The possibilities are endless. Parents then can rest at ease knowing that " My Interactive Book of Poems" will be a positive, rewarding learning experience.*

*How can I celebrate love/ now that I know what it does? So begins this booklength lyric sequence*

which reinhabits and modernizes the story of Orpheus, the mythic master of the lyre (and father of lyric poetry) and Eurydice, his lover who died and whom Orpheus tried to rescue from Hades. Gregory Orr uses as his touchstone the assertion that myths attempt to narrate a whole human experience, while at the same time serving a purpose which resists explanation. Through poems of passionate and obsessive erotic love, Orr has dramatized the anguished intersection of infinite longings and finite lives and, in the process, explores the very sources of poetry. When Eurydice saw him huddled in a thick cloak, she should have known he was alive, the way he shivered beneath its useless folds. But what she saw was the usual: a stranger confused in a new world. And when she touched him on the shoulder, it was nothing personal, a kindness he misunderstood. To guide someone through the halls of hell is not the same as love. "A reader unfamiliar with Orr's work may be surprised, at first, by the richness of both action and visual detail that his succinct, spare poems convey. Lyricism can erupt in the midst of desolation."—Boston Globe When Gregory Orr's *Burning the Empty Nest* appear, *Publisher's Weekly* praised it as an "auspicious debut for a gifted newcomer...he already demonstrates a superior control of his medium." *Kirkus Review* celebrated it as "an almost unbearably powerful first book of poetry" and enthusiastically reviewed his second book *Gathering the Bones Together*, noting that "Orr's power is the eloquence of understatement." Most recently, his *City of Salt* was a finalist for the Los Angeles Times Book Award. Gregory Orr teaches at the University of Virginia.

Designed for both Hebrew and non-Hebrew students, *A Handbook to Old Testament Exegesis* offers a fresh, hands-on introduction of the Old Testament. William P. Brown begins not with the biblical text itself but with the reader, helping students to identify interpretive lenses before engaging the biblical text. Brown guides the student through a wide variety of interpretive approaches, including modern methodologies—feminist, womanist, Latino/a, queer, postcolonial, disability, and ecological approaches—alongside traditional methods. This allows students to critically reflect on themselves as bona fide interpreters. While covering a wide range of passages, Brown also highlights two common biblical texts throughout the work to help show how each interpretive approach addresses different dimensions of the same texts. Students will appreciate the value of an empathetic inquiry of Scripture that is both historically and textually in-depth.

"With conversational language and stripped-down wisdom, Tim Sherry's *One of Seven Billion* is at once intimate and anonymous, revealing and evasive. In a time when many poets seem to value irony and wit, Sherry offers poems that are intelligently solid and emotionally honest. The speaker in many of these poems strikes me as a modern-day relative of William the Poet from the long, allegorical, Christian narrative *Piers Plowman* of the Middle Ages. He questions without finding answers then accepts that the act of questioning is what each of the seven billion of us must do to exist meaningfully. Posing such impossible questions can be a solitary process but despite the poet's "instinct for loneliness," he creates a community where Claude Monet, John Wayne, Lana Turner, and The man Upstairs meet at the center of the universe to celebrate life, love and the imagination." --Allen Braden, author of *A Wreath of Down and Drops of Blood*
