

## *Point Man How A Can Lead His Family Steve Farrar*

This bestselling classic encourages and equips Christian men to lead their families successfully through hazards and ambushes like divorce, promiscuity, suicide, and drug addiction. Men will find practical insight on topics such as a father's influence, maintaining purity, and husband-and-wife teamwork. In this war, renowned men's author Steve Farrar emphasizes, Jesus Christ is looking for men who will not die, but live for their families.

A leader must stand tall enough for his followers to find him. "As the God-appointed captain of his family," says Steve Farrar, "a man faces the challenge of spying out the social territory, marking danger zones, and taking stands to protect those in his charge." It's an active leadership role -- and Farrar's been training men to succeed in it for over ten years. In this paperback rerelease of his popular Standing Tall, the men's ministries leader "walks tall" through America -- observing politics, abortion, the gay movement, media trends, and the loss of our "moral boundaries." Farrar offers men sure biblical foundations on which to stand for faith-based living -- closing with "Seven Ways to Help Your Kids Stand Tall." A study guide/appendix makes it great for group use, too!

If you thought your parenting responsibilities ended after eighteen years per child, you thought wrong. Instead, it's your privilege to lead your family-and influence succeeding generations-for a century...or more. Anchor Man presents the high calling of fatherhood, the traits of a Christian father, the adventures that await him as he interacts with his children, and the significance of his role as a good family man. Steve Farrar presents these roles and responsibilities in a way any man wanting to increase his understanding of his place in the family, and our society, can put into action every day. Anchor Man encourages, exhorts, and demonstrates with biblical concepts how to raise a godly family and how to anchor that family in Christ for the next one hundred years. Farrar's unique teaching style blends humor and practicality with the tools fathers need to become all that God intended them to be as the leaders of their families. "When a man gets serious about following Christ with his whole heart," Farrar says, "God desires to not only pour out His blessing on that man, but on his children, and his children's children. Using kings of the Old Testament as character studies, Steve Farrar examines the critical role a father plays in preparing his son to become a godly man. What separated the good kings from the bad kings was a father who made time commitments to mentor his son, by modeling biblical manhood. Do you want your son to become a man of regal character? Then this book is for you!

The point man leads the patrol into battle, looking for signs of danger. He is the first to face ambushes, hidden bombs and snipers. Few survive for long. Between 2007 and 2008, 20-year-old Kenny Meighan was the longest-serving point man in Helmand province. An exceptionally skilful and brave private, he was lucky to make it home alive. But in his hometown in Essex, where prospects are bleak and his father still suffers from the nightmares of his own war experience, Kenny's struggle is far from over.

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

an ancient military treatise by Sun Tzu on warfare, statesmanship thinking and tactical methods, business tactics, countertactics, negotiation, dialogue, cooperation plans, approach strategies, diplomacy, and diplomatic manoeuvresThe Art of War is an ancient Chinese military treatise attributed to Sun Tzu a high-ranking military general, strategist and tactician, and it was believed to have been compiled during the late Spring and Autumn period or early Warring States period. The text is composed of 13 chapters, each of which is devoted to one aspect of warfare. It is commonly known to be the definitive work on military strategy and tactics of its time. It has been the most famous and influential of China's Seven Military Classics, and for the last two thousand years it

The Book of Five Rings is a text on kenjutsu and the martial arts in general, written by the Japanese swordsman Miyamoto Musashi around 1643.Written over three centuries ago by a Samurai warrior, the book has been hailed as a limitless source of psychological insight for businessmen-or anyone who relies on strategy and tactics for outwitting the competition.

Freezing Order

**Before the 99% occupied Wall Street... Before the concept of social justice had impinged on the social conscience... Before the social safety net had even been conceived... By the turn of the 20th Century, the era of the robber barons, Andrew Carnegie (1835-1919) had already accumulated a staggeringly large fortune; he was one of the wealthiest people on the globe. He guaranteed his position as one of the wealthiest men ever when he sold his steel business to create the United States Steel Corporation. Following that sale, he spent his last 18 years, he gave away nearly 90% of his fortune to charities, foundations, and universities. His charitable efforts actually started far earlier. At the age of 33, he wrote a memo to himself, noting ..".The amassing of wealth is one of the worse species of idolatry. No idol more debasing than the worship of money." In 1881, he gave a library to his hometown of Dunfermline, Scotland. In 1889, he spelled out his belief that the rich should use their wealth to help enrich society, in an article called "The Gospel of Wealth" this book. Carnegie writes**

that the best way of dealing with wealth inequality is for the wealthy to redistribute their surplus means in a responsible and thoughtful manner, arguing that surplus wealth produces the greatest net benefit to society when it is administered carefully by the wealthy. He also argues against extravagance, irresponsible spending, or self-indulgence, instead promoting the administration of capital during one's lifetime toward the cause of reducing the stratification between the rich and poor. Though written more than a century ago, Carnegie's words still ring true today, urging a better, more equitable world through greater social consciousness.

Updated for today's readers, Dale Carnegie's timeless bestseller *How to Win Friends and Influence People* is a classic that has improved and transformed the professional and personal and lives of millions. One of the best-known motivational guides in history, Dale Carnegie's groundbreaking book has sold tens of millions of copies, been translated into almost every known language, and has helped countless people succeed. Originally published during the depths of the Great Depression—and equally valuable during booming economies or hard times—Carnegie's rock-solid, time-tested advice has carried countless people up the ladder of success in their professional and personal lives. *How to Win Friends and Influence People* teaches you: -How to communicate effectively -How to make people like you -How to increase your ability to get things done -How to get others to see your side -How to become a more effective leader -How to successfully navigate almost any social situation -And so much more! Achieve your maximum potential with this updated version of a classic—a must-read for the 21st century.

Point ManHow a Man Can Lead His FamilyMultnomah

**NEW YORK TIMES BESTSELLER** Following his explosive New York Times bestseller *Red Notice*, Bill Browder returns with another gripping thriller chronicling how he became Vladimir Putin's number one enemy by exposing Putin's campaign to steal and launder hundreds of billions of dollars and kill anyone who stands in his way. When Bill Browder's young Russian lawyer, Sergei Magnitsky, was beaten to death in a Moscow jail, Browder made it his life's mission to go after his killers and make sure they faced justice. The first step of that mission was to uncover who was behind the \$230 million tax refund scheme that Magnitsky was killed over. As Browder and his team tracked the money as it flowed out of Russia through the Baltics and Cyprus and on to Western Europe and the Americas, they were shocked to discover that Vladimir Putin himself was a beneficiary of the crime. As law enforcement agencies began freezing the money, Putin retaliated. He and his cronies set up honey traps, hired process servers to chase Browder through cities, murdered more of his Russian allies, and enlisted some of the top lawyers and politicians in America to bring him down. Putin will stop at nothing to protect his money. As *Freezing Order* reveals, it was Browder's campaign to expose Putin's corruption that prompted Russia's intervention in the 2016 US presidential election. At once a financial caper, an international adventure, and a passionate plea for justice, *Freezing Order* is a stirring morality tale about how one man can take on one of the most ruthless villains in the world—and win.

**Ecclesiastes or, The Preacher**

Bestselling author and Bible teacher, Steve Farrar, reminds us through the story of Daniel that true courage can be ours daily and it comes from the one true Sovereign God. Everyone can recall as a young child having the courage to head out the door—whether it was to your first day of school, your first game in little league, or your piano lesson. Then life takes over and you lose your bravado, giving in to the fears of the world around you. In *True Courage* readers will discover a God who provides incredible courage to us in the midst of uncertainty, even through treacherous, evil days, and the courage to face lions in their den—or an unexpected job loss, the diagnosis of a sick child, or the return of a debilitating cancer.

"The Old Man and the Sea" by Ernest Hemingway. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Seal Team One in Vietnam

Point Man

Battle Ready

**Pointman is one platoon s story of the Vietnam War and the horrors that most veterans of the conflict would rather keep buried. While most soldiers gritted their teeth, kept their heads down and prayed for their time to be up, some looked at the war as a way to win glory and acclaim. Others took advantage of illicit opportunities for personal gain, no matter the price to others. Sgt. Mike Brooks is counting the days until his tour of duty is up. All he wants is to marry his Vietnamese girlfriend. But butting heads with his lieutenant has put his meager happiness in jeopardy. Lt. Gomez s obsession with promotion and accolades will send the entire platoon on an almost-impossible mission. And high-purity heroin, readily available and dirt cheap, could be the death of them all. - Renee Struthers, East Oregonian newspaper Patrols in the rice paddies of the Mekong Delta, the triple canopy jungle of Cambodia, the firefights, the mosquitoes and mud, the Plain of Reeds, Shakey s Hill, Binh Phuoc, Rach Kien, Bien Hoa, Long Binh - I wanted to remember it all. I especially remember the camaraderie and the courage demonstrated by these soldiers. Pointman was originally started as a diary more than 40 years ago and I love the story - it s fictionalized, but it acknowledges the suffering and sacrifices these young men endured. - Author, Robert L. Owens EDITORIAL REVIEWS One of the finestwar novels I ve ever read. - author Robert Lowry, Writer s Digest Criticism Service This book has it all: love and hate, fear and courage, revenge and redemption. - Renee Struthers, East Oregonian newspaper I realized this Vietnam War novel was trying to do something very different We get something unusual: well-realized characters, an involving plot, and a story that is compelling and interesting from the first page of the book until the last. - David Willson, Vietnam Veterans of America, Books in Review ABOUT THE AUTHOR Bob Owens received the Combat Medical Badge, Purple Heart, and Bronze Star medals for service with the 9th Infantry Division in the Mekong Delta, as well as the Cambodian invasion in 1970. After the 9th Infantry Division returned home, Mr. Owens was transferred to the 1st Cav. Division where he served with the 15th Medical Battalion. A graduate of the University of California-Davis and California State University-Chico, Mr. Owens served as a teacher and school administrator for 36 years, before retiring as the Lassen Co. Supt. of Schools.Mr. Owens is an American Legion member and a lifetime member of both the Veterans of Foreign Wars (VFW) and the Vietnam Veterans of America (VVA).**

**Two boys who are best friends visit an illegal freak show, where an encounter with a vampire and a deadly spider forces them to make life-changing choices. Sometimes the wilderness is the only place God can get your undivided attention. Everyone finds himself or herself in a wilderness at some point: financial wildernesses, emotional wildernesses, relational wildernesses, health wildernesses, reputation wildernesses, failure wildernesses, unemployment wildernesses—the list goes on and on. In those moments, we are utterly dependent on God for well-timed help. If he doesn't come through, we're finished. For forty years, two million Israelites were in the wilderness, and God fed them supernaturally every morning with manna, teaching people who doubted him he can be trusted with everything they needed to survive. This is a lesson we need to learn too. In personal stories and applications of biblical lessons, Manna reveals how God specializes in making a way where there is no way. He proved it every day to the nation of Israel, never missing a day of being faithful. He was never late, and he was never early. He was always just in time. And he will be for you.**

**Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."**

Define your mission & crush your goals with retired U.S. Navy SEAL officer and New York Times bestselling author Jason Redman's Pointman Planner. Combining core principles under his signature Pointman for Life, Pentagon of Peak Performance & Get off the X coaching and leadership programs, this daily/weekly/quarterly guide to defining personal and business objectives, committing to them and tracking your progress will keep you focused, on course, and reaping the rewards of the productivity, performance and achievements you desire. In military terms, the point man (or woman) is the leader on whom the team relies on to identify and navigate the most efficient routes toward their mission objectives while avoiding threats along the way. During his 21-year SEAL career, Redman had been a point man and also depended on them. Once retired to civilian life as a business owner, he found product tools plentiful but lacking. Not one met his needs for helping him define, structure and stay on track with his new mission. What if I had a point man for my life? he thought. What if? We'd be more focused, prepared, efficient, decisive and effective. We'd decrease our odds of quitting or failing unnecessarily. We'd increase our chances of satisfaction and success greatly reduce or eliminate the dangers, struggles, and pitfalls others blindly walk into. Access the tools Redman has used and refined over decades of intensive military and business leadership, training and experience to successfully lead yourself - as your own Pointman for Life. Simple and easy to use, the Pointman Planner will help guide and support you in: Clear defining your Mission. Setting specific Destinations and Courses (long- and short-term goals). Situational awareness and risk-assessment. Building an Overcome Mindset in preparation for overcoming any adversity you may encounter. Leading with balance in five key areas of life through the Pentagon of Peak Performance. Your ability to Get off the X from any life ambush! Self-guided assessments for critical insights to keep you on course and well-informed.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, help and strangles a farmer's wife.

The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to be easier than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carl, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. When a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under a microscope.

Going the Distance for Your Family

The Old Man and the Sea

**We need to take a long, hard look at Boaz. He was an average Joe—but God was at work in every circumstance of his life, not only for him, but for generations of his children yet to come. By the way, that’s exactly what the Lord is doing in your life. Boaz became a part of the greatest story in history when he made his decision to marry Ruth. In a culture that deflates masculinity and reflects the sad state of fatherhood in our world today, Boaz stands as an example of true biblical manhood. In the pages of Real Valor, Steve Farrar’s third installment in the Bold Men of God series, find the courage to rise up and shepherd your family in the way of Boaz.**

**High-powered executive Steven Kerner is living the dream in southern California. But when his bottled pain ignites in anger one night, his wife kicks him out. Then an eccentric mystery man named Andy Monroe befriends Steven and begins unravelling his tightly wound world. Andy leads Steven through a series of frustrating and revealing encounters to repair his life through genuine friendship and the grace and love of a God who has been waiting for him to accept it. A story to challenge and encourage, BO'S CAFE is a model for all who struggle with unresolved problems and a performance-based life. Those who desire a fuller, more authentic way of living will find this journey of healing a restorative exploration of God's unbridled grace.**

**The bestselling guide for Christian men who want to lead their families well is now revised and updated to help fathers and husbands navigate the complexities of today’s challenges. “Jam-packed with biblical direction and leadership strategies, this battle guide will equip you to lead your family to victory.”—Dr. Tony Evans, president of the Urban Alternative and senior pastor of Oak Cliff Bible Fellowship Most men want to be strong spiritual leaders of their families. They just don’t know how because they’ve never seen it modeled. That’s why Steve Farrar wrote Point Man thirty years ago. With more than half a million copies sold, it’s the go-to resource for how to faithfully lead and love your family, walk boldly through challenging seasons of marriage and parenting, stand firm against personal temptation, and forge a faith that shines bright. Yet the war on the family has only intensified since this trusted guide first came out. Whether through entertainment, social media, or legislation, our world seems determined to**

**undermine the traditional family—which means faithful spiritual leadership is needed more than ever. This revised and updated edition will equip you to confidently navigate the cultural and societal forces affecting your family, such as: • shifting views of masculinity and femininity • the declining influence of church and faith • fractured perspectives on morality Packed with powerful inspiration, clear biblical direction, and contemporary examples, Point Man provides the strategies you need to lead your family safely through today's battles and on to victory.**

**'Things Fall Apart' tells the story of Okonkwo, an important man in the Igbo tribe in the days when white men were first on the scene. Okonkwo becomes exiled from his tribe, as a result of his pride and his fears, with tragic consequences.**

***Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.***

***The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.***

***We all have an internal alarm clock that goes off when we're about to make a bad decision... Some of us spend our 20's hitting the snooze button. By taking a look at 9 common, everyday mistakes, which most of us have an opportunity to make on a regular basis, Steve Farrar speaks with wisdom and wit in this short book that serves as a wake up call we should all take. From starting our 20's on the wrong foot to neglecting our own gifts and strengths, and from isolating ourselves from real community to ignoring God's purpose for our lives, How to Ruin Your Life by 30 will help navigate these treacherous waters we call adulthood. No matter where you are at: preparing for, recovering from, or in the midst of your 20's... this short book will help.***

***Bestselling author Steve Farrar has good news for the average man: it doesn't matter if you've had a great start in the Christian life, or a rough one. It doesn't matter if you've stumbled time and again, or even fallen flat on your face. What matters most in this all-important race of life is how you finish. According to Farrar, the man who hangs in there for the long haul with his wife, his kids, and his Lord is an exception these days. Finishing Strong, now in trade paperback, offers lively use of Scripture, contemporary illustrations, and study questions to equip every reader to be that exception. For the man who wants to climb the character ladder more than the corporate one, this is an essential tool.***

**The Denial of Death**

The Richest Man in the Babylon. This book deals with the personal success of each of us. Success means results coming from our efforts and ability. A good preparation is the key to our success. So keep a part of what you earn with yourself. From the benefits of saving to the essentials of getting rich, this collection of educative Babylonian fables gives you timeless information on how to make money. It guides to getting rich, attracting good fortune and the five golden rules. As a guide to understanding hydro-wealth and a powerhouse has been inspiring readers for generations. You know that Babylon became the richest city of the ancient civilization because it had reserved part of its earnings for the future. That's why citizens got everything they wanted. How can you always keep your wallet heavy, the author has taught very beautifully on this topic.

Winner of the Pulitzer prize in 1974 and the culmination of a life's work, The Denial of Death is Ernest Becker's brilliant and impassioned answer to the 'why' of human existence. In bold contrast to the predominant Freudian school of thought, Becker tackles the problem of the vital lie - man's refusal to acknowledge his own mortality. The book argues that human civilisation is a defence against the knowledge that we are mortal beings. Becker states that humans live in both the physical world and a symbolic world of meaning, which is where our 'immortality project' resides. We create in order to become immortal - to become part of something we believe will last forever. In this way we hope to give our lives meaning. In The Denial of Death, Becker sheds new light on the nature of humanity and issues a call to life and its living that still resonates decades after it was written.

"How to Win Friends and Influence People" is one of the first best-selling self-help books ever published. It can enable you to make friends quickly and easily, help you to win people to your way of thinking, increase your influence, your prestige, your ability to get things done, as well as enable you to win new clients, new customers.

Chief Petty Officer James "Patches" Watson was there at the start. One of the first to come out of the famed Underwater Demolition Team 21, he was an initial member -- a "plank owner" -- of America's deadliest and most elite fighting force, the U.S. Navy SEALs. Through three tours in the jungle hell of Vietnam, he walked the point -- staying alert to trip wires, booby traps and punji pits, guiding his squad of amphibious fighters on missions of rescue, reconnaissance and demolition -- confronting a war's unique terrors head-on, unprotected . . . and unafraid. This is the story of a hero told from the heart and from the gut -- an authentic tour of duty with one of the most legendary commandoes of the Vietnam War.
