Castelia City has been frozen over by Kyurem and is now locked in ice. White is still searching for the whereabouts of Black, who has been missing since the battle against Ghetsis. And Fennel has come up with a theory that the Light Stone is actually connected to the Pokémon Dream World. Will Black, White, Blake and Whitley be able to team up in time to stop Ghetsis, Colress and Kyurem at the Giant Chasm? -- VIZ Media

Awesome Pokémon adventures inspired by the best-selling Pokémon Black 2 and White 2 video games! Two years have passed since Team Plasma was defeated and Trainer Black was sucked into the Light Stone along with Legendary Pokémon Reshiram... Now Team Plasma is back to their wicked ways, controlling other people's Pokémon and even wild Pokémon with technology. Luckily, a new hero, a young inspector for the International Police, and Officer Looker are on their trail... Whitley is beginning to have feelings for Inspector Blake, but it seems all he cares about is figuring out if she is a Team Plasma spy planted at their school. A chorus tournament in Castelia City strikes some sour notes when the Seven Sages crash the event. And then, who will save Legendary Pokémon Kyurem from Team Plasma...?

Colress, the new leader of Team Plasma, is attacking the Unova region. His machines control Pokémon, wielding their powers for evil instead of good. Fortunately, a way to jam the signals is stored on a memory card. But who has the card...? A girl at the Pokémon Trainers' School! Maybe that's why our hero is such a flirt—he's just doing his job gathering intel. But he'd better stop playing the field and find that card fast before someone beats him to it! -- VIZ Media

Colress, the new leader of Team Plasma, is attacking the Unova region using Pokémon-controlling machines. Nate infiltrates the Pokémon Trainers' School in order to acquire a memory card that can jam the signals, which is in the possession of Rosa, a student. One of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with Stuff You Should Know. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

As games grow ever more ubiquitous in our culture and communities, they have become popular staples in public library collections and are increasing in prominence in academic ones. Many librarians, especially those who are not themselves gamers or are only acquainted with a handful of games, are ill-prepared to successfully advise patrons who use games. This book provides the tools to help adult and youth services librarians to better understand the gaming landscape and better serve gamers in discovery of new games—whether they are new to gaming or seasoned players—through advisory services. This book maps all types of games—board, roleplaying, digital, and virtual reality—providing all the information needed to understand and appropriately recommend games to library users. Organized by game type, hundreds of descriptions offer not only bibliographic information (title, publication date, series, and format/platform), but genre classifications, target age ranges for players, notes on gameplay and user behavior type, and short descriptions of the game's basic premise and appeals.

Anglo-American culture is marked by a gladiatorial impulse: a deep cultural fascination in watching men fight each other. The gladiator is an archetypal character embodying this impulse and his brand of violent and eroticised masculinity has become a cultural shorthand that signals a transhistorical version of heroic masculinity. Frequently the gladiator or celebrity fighter - from the amphitheatres of Rome to the octagon of the Ultimate Fighting Championships - is used as a way of insisting that a desire to fight, and to watch men fighting, is simply a part of our human nature. This book traces a cultural interest in stories about gladiators through twentieth and twenty-first-century film, television and videogames.
