my experiences, as seen through the eyes of a little girl named Ree. Little Ree moves to the country and feels as scared and unsure as I was. But then she finds that if she sets her mind to it, being a country girl is a pretty cool thing. Come along on her

adventures!” Little Ree trades in her city days for a country way of life when she moves with her family to her grandparents’ ranch. She’s excited to ride horses, swim in the pond, and help Grandma cook for everyone. But on her first day, she

finds that living on a ranch can be tough. She has to get up at the crack of dawn, learn to herd cows, and make sure her horse, Pepper, doesn't eat everything in sight. And that's all before breakfast! Will she ever get used to
