This is the new Latin course that you have long been waiting for! An introduction to both the Latin language and the cultural world of the Romans, it also develops English literacy skills through derivation tasks and two-way translation exercises, which promote a deep understanding of Latin. Cultural topics, supported by background notes, and primary sources, included for study and analysis, enable students to engage with authentic Roman history and acquire a broad understanding on which to build in future study. - Language learning is made fun and varied exercises include word identification, word manipulation, vocab acquisition / consolidation, and translation from English into Latin. - 30 words of new vocabulary in each chapter are consistently and constantly consolidated to give an unshakeable grounding for GCSE. - Clear and systematic explanations of grammar encourage steady progress. - Early use of Latin stories rather than isolated sentences build student confidence and motivation. - From myths about the gods to stories about religious customs and festivals, this is the framework of Roman daily life. The final chapter on prophecy, ending with stories of historical figures such as Caesar interpreting messages from the gods, prepares for the transition in the second volume to the world of men - and women - of ancient Rome.
