100 Iconic Covers

Puffin Rock: Hello Little Egg

A collection of 100 postcards, each featuring a different and iconic Penguin book jacket. From classics to crime, here are over seventy years of quintessentially British design in one box. In 1935 Allen Lane stood on a platform at Exeter railway station, looking for a good book for the journey to London. His disappointment at the poor range of paperbacks on offer led him to found Penguin Books. The quality paperback had arrived. Declaring that 'good design is no more expensive than bad', Lane was adamant that his Penguin paperbacks should cost no more than a packet of cigarettes, but that they should always look distinctive. Ever since then, from their original - now world-famous - look featuring three bold horizontal stripes, through many different stylish, inventive and iconic cover designs, Penguin's paperback jackets have been a constantly evolving part of Britain's culture. And whether they're for classics, crime, reference or prize-winning novels, they still follow Allen Lane's original design mantra. Sometimes, you definitely should judge a book by its cover.

Greetings to you, the lucky finder of this little box - tremendous postcards are inside. From Golden Tickets and giant peaches to thank you, good-luck and congratulations cards, it's filled with MAGIC. Fizing with the iconic illustrations of Quentin Blake, greetings for every occasion, and quotes and covers from your favourite stories. All you need to do is add your own WHOPPSY-WHIFFLING words.

Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

To celebrate the fiftieth anniversary of Penguin Modern Classics we are publishing an incredibly desirable and collectable postcard collection of 100 Modern Classics authors. The Wild Cards

100 Postcards from Austen to Zola

One small act of kindness ripples out to connect four kids in this stirring novel by the author of the beloved The Benefits of Being an Octopus. Libby comes from a long line of bullies. She wants to be different, but sometimes that doesn't work out. To bolster herself, she makes a card with the message You are amazing. That card sets off a chain reaction that ends up making a difference in the lives of some kids who could also use a boost--be it from dealing with bullies, or the hole that grief leaves. Receiving an encouraging message helps each kid summon up the thing they need most, whether it's bravery, empathy, or understanding. Because it helps them realize they matter--and that they're not flying solo anymore.

This new edition, which is being reissued in a more artistic format and with many additional illustrations, updates the original text and adds a chapter showing what progress has been made in the ecological management of landscapes over the past decade.""--BOOK JACKET.

A collection of 100 postcards, each featuring a striking cover from American Vogue. From early aspirational illustrations to modern celebrity photography, this is a stunning selection of Vogue's most dazzling images. Since its launch in 1892, Vogue has brought sophistication to its readers around the world. Early illustrations from artists including George Wolfe Plank, Olive Tilton, Pierre Brissaud, and Eduardo Garcia Benito saw ethereal figures of fantasy develop into red-lipped flappers, and as colour photogrophs began to appear, the women transformed again: from Surrealist images by Horst P. Horst to 'women in the life of the moment', captured by Irving Penn. From the fifties onwards, Vogue women became more accessible still, as models and stars like Elizabeth Taylor, Goldie Hawn, Cindy Crawford, and Cher, with their own distinct personalities, appeared through the lenses of Richard Avedon and Snowdon. Vogue covers now are the epitome of style and beauty, with such illustrious photographers as Mario Testino, Annie Leibovitz, Steven Klein, and Patrick Demarchelier photographing stars like Lady Gaga, Kirsten Dunst, and Kate Moss, celebrating female icons across modern culture.

100 Iconic Postcards

Over seventy years of quintessential London views in one box. In 1950, aged 19, David Gentleman arrived in the capital, ready to begin his life as an artist. Over the next seven decades, he would sketch, paint, and engrave his way through London, documenting the cityscape, and shaping it, too - most notably through his iconic mural in Charing Cross Underground Station. Combining world-famous imagery with unexpected scenes of daily life in the city, this box of London artworks is a treasure trove for all those who flock to the capital.

A tense, exciting thriller combined with a perceptive and harrowing portrait of life on the streets as a serial killer preys on the young and vulnerable homeless. 17-year-old Link is distrustful of people until he pairs up with Deb, homeless like him. But what Deb doesn't tell him is that she's an ambitious young journalist on a self-imposed assignment to track down the killer and that she's prepared to use herself as bait ... Winner of the Carnegie Medal

From the creator of the New York Times bestseller Women in Science, comes a new nonfiction picture book series ready to grow young scientists by nurturing their curiosity about the natural world--starting with what's inside a flower. Budding backyard scientists can start exploring their world with this stunning introduction to these flowery show-stoppers--from seeds to roots to blooms. Learning how flowers grow gives kids beautiful building blocks of science and inquiry. In the launch of a new nonfiction picture book series, Rachel Ignotofsky's distinctive art style and engaging, informative text clearly answers any questions a child (or adult) could have about flowers.

With over 250 nursery rhymes, including both well-known favourites and hidden gems, this collection has something for every child. Beautiful illustrated by Raymond Briggs, the much-loved creator of the Snowman, this revised edition of a famous classic first won the Kate Greenaway in 1966 and is now available again for a whole new generation.

A compact, comprehensive, and very silly field guide featuring more than 200 of the reddest birds on earth. Effin' Birds is the most eagerly anticipated new volume in the grand and noble profession of nature writing and bird identification. Sitting proudly alongside Sibley, Kaufman, and Peterson, this book contains more than 150 pages crammed full of classic, monochrome plumage art paired with the delightful but dirty aphorisms (think "I'm going to need more booze to deal with this week") that made the Effin' Birds Twitter feed a household name. Also included in its full, Technicolor glory is John James Audubon's most beautiful work matched with modern life advice. Including never-before-seen birds, insults, and field notes, this guide is a must-have for any effin' fan or birder.

Upon discovering that she has the gift of Second Sight, Blossom also learns that whether glimpsing the future or traveling into the past, one is powerless to alter history.

100 Illustrations That Celebrate America's Natural Wonders

A dragon shapeshifter and a healer with power over the earth fight a corrupt empire in this thrilling and deeply emotional romantic fantasy from the USA Today bestselling author of Radiance. Magic is outlawed in the Krael Empire and punishable by death. Born with the gift of earth magic, the free trader Halani keeps her dangerous secret closely guarded. When her uncle buys a mysterious artifact, a piece of bone belonging to a long-dead draga, Halani knows it's far more than what it seems. Dragas haven't been seen for more than a century, and most believe them extinct. They're wrong. Dragas still walk among the denizens of the Empire, disguised as humans. Malachus is a draga living on borrowed time. The magic that has protected him will soon turn on him--unless he finds a key part of his heritage. He has tracked it to a group of free traders, among them a grave-robbing earth witch who fascinates him as much as she frustrates him with her many secrets. Unbeknownst to both, the Empire's twisted empress searches for a draga of her own, to capture and kill as a trophy. As Malachus the hunter becomes the hunted, Halani must risk herself and all she loves to save him from the Empire's machinations and his own lethal birthright.

Young explorers: grab your ticket to a world of fun! Flight of the Puffin

A stunning, lyrical picture book - a timely fable about climate change and the transformative power of kindness. There was once a bear, a great, white bear - Queen of Beasts. Her kingdom was a beautiful, cold, glistening place. But over the years the ice disappeared, slipping away like sand through an hourglass. Slowly, slowly, one by one, the other animals moved on. The Great Bear has no choice but to leave her snowy realm to search for food, friends and a new home. She soon discovers a world that is growing hotter whilst hearts grow colder - until one small act of kindness changes everything. The Bear in the Stars is a story about loss, kindness and new beginnings. A beautiful and inspirational book for readers of all ages.

Dorothy Parker was an American poet and satirist, best known for her wit, wisecracks, and eye for 20th century urban foibles. From a conflicted and unhappy childhood, Parker rose to acclaim, both for her literary output in such venues as The New Yorker and as a founding member of the Algonquin Round Table. Following the breakup of the circle, Parker traveled to Hollywood to pursue screenwriting. Her successes there, including two Academy Award nominations, were curtailed as her involvement in left-wing politics led to a place on the infamous Hollywood blacklist. Parker went through three marriages (two to the same man) and survived several suicide attempts, but grew increasingly dependent on alcohol. Dismissive of her own talents, she deplored her reputation as a "wisecracker". Nevertheless, her literary output and reputation for her sharp wit have endured.

A collection of 100 postcards, each with a different iconic Penguin Classics cover, in a beautifully designed box Since its launch with The Odyssey in 1946, Penguin Classics has become the largest and best-known classics imprint in the world. Spanning 4,000 years of world literature, covering all the greatest works of fiction, poetry, drama, history and philosophy in between, 100 Postcards from Austen to Zola is the perfect gift for book lovers everywhere. Here you will find Shakespeare, Austen, Balzac, Ibsen, Virgil, Chekhov, Gaskell, Dickens, Bronte, Nietzsche, Wells, Confucius, Keko, Keats and more.

The bird book for birders and nonbirders alike that will excite and inspire by providing a new and deeper understanding of what common, mostly backyard, birds are doing—and why: "Can birds smell?"; "Is this the same cardinal that was at my feeder last year?"; "Do robins 'hear' worms?" "The book's beauty mirrors the beauty of birds it describes so marvelously." —NPR In What It's Like to Be a Bird, David Sibley answers the most frequently asked questions about the birds we see most often. This special, large-format volume is geared as much to nonbirders as it is to the out-and-out obsessed, covering more than two hundred species and including more than 330 new illustrations by the author. While its focus is on familiar backyard birds—blue jays, nuthatches, chickadees—it also examines certain species that can be fairly easily observed, such as the seashore-dwelling Atlantic puffin. David Sibley's exacting artwork and wide-ranging expertise bring observed behaviors vividly to life. (For most species, the primary illustration is reproduced life-sized.) And while the text is aimed at adults—including fascinating new scientific research on the myriad ways birds have adapted to environmental changes—it is nontechnical, making it the perfect occasion for parents and grandparents to share their love of birds with young children, who will delight in the big, full-color illustrations of birds in action. Unlike any other book he has written, What It's Like to Be a Bird is poised to bring a whole new audience to David Sibley's world of birds.
