Attitude affects every facet of our lives—from the way we handle stress to how we communicate at work. The way we view difficulties and setbacks can make the difference between success and failure. Roger Fritz has devoted his career to helping people overcome obstacles and achieve their goals by changing their outlook on life. In The Power of a Positive Attitude, he shows readers how to develop a deeper understanding of the effects of their attitude and how it influences not only their performance but the results others achieve. Now, readers can learn to succeed in business by:
• assessing their attitude toward themselves and their co-workers
• overcoming negative attitudes
• learning the dos and don ’ ts in dealing with their bosses
• becoming better listeners
• overcoming resistance to change in the workplace
• rejecting suggestions without causing resentment
• giving and responding to criticism from team members
• disagreeing with employees and colleagues without being disagreeable
• conquering burnout and stress.
Life-affirming and authoritative, this is an invaluable book that will empower anyone to face life and work with joy and confidence.

An anthology of the greatest writings of modern mystic, Neville Goddard, who has enthralled a new generation of readers with his simple but radical principle that your imagination is God. This broad-ranging anthology assembles the greatest works of Neville Goddard, who, writing under the sole name Neville, became one of the most quietly seismic spiritual philosophers of the modern age. From the late 1930s until his death in 1972, Neville promulgated one basic, extraordinary idea, which he restated with freshness and verve in more than ten books and hundreds of lectures: The human imagination is the Jesus Christ of Scripture, and the world around you is the out-picturing of your emotionalized thoughts. Here is an unparalleled journey into the ideas and methods of a profoundly practical spiritual thinker whose vision of life can challenge your concept of what it means to be human. This volume features a rare personal portrait of Neville by journalist and philosopher Israel Regardie. Includes these classic works: Introduction: Neville: A Portrait by Israel Regardie (1947) Your Faith Is Your Fortune (1941) Freedom for All: A Practical Application of the Bible (1942) Feeling is the Secret (1944) Prayer: The Art of Believing (1945) The Search (1946) Out of this World: Thinking Fourth-Dimensionally (1949) The Power of Awareness (1952) Awakened Imagination (1954) Seedtime and Harvest: A Mystical View of the Scriptures (1956) The Law and the Promise (1961)

The bestseller by a preeminent teacher of the New Thought movement, now revised and expanded with never-before- published commentary from the author. One of the bestselling self-help books of all time, The Power of Your Subconscious Mind has helped millions around the world achieve remarkable goals, simply by changing the way they think. Dr. Murphy’s mind-focusing techniques are based on a simple principle: If you believe in something without reservation and picture it in your mind, you can remove the subconscious obstacles that prevent you from achieving the results you want, and your belief can become a reality. As an advocate of what is now popularly known as the Law of Attraction, Murphy shows that anyone can unleash extraordinary mental powers to build self-confidence, to create harmonious relationships, to gain professional success, to amass wealth, to conquer fears and phobias, to banish bad habits, and even to effect physical healing and promote overall well-being and happiness.

The Power of Your Subconscious Mind (revised)

There Are No Limits to the Prosperity, Happiness, and Peace of Mind You Can Achieve Simply by Using the Power of the Subconscious Mind, Updated

Activate the raw power of your subconscious to create the life you’ve always wanted, using six essential lessons from one of the world’s most renowned hypnotherapists in this “nourishing and healing book” (Michael Bernard Beckwith, author of Spiritual Liberation). Undersatifying careers. Volatile, unhealthy relationships. Unfulfilled dreams. Too many of us are living lives that fall short of

what we truly desire. But as celebrity hypnotist Kimberly Friedmutter explains in this life-changing book, not only is it possible to design the life of your dreams, but the power to do so already lies within you, in your subconscious mind. The subconscious is the root of your true power and desire; it's your inner child, your authentic self. It is the honest compass that will lead you to a life of happiness, so long as you are able to follow its direction. We all have the power to access it but as we grow up we're taught to stop daydreaming and to follow society's rules, which makes us disconnect from our subconscious, often with tragic results. In Subconscious Power, Kimberly guides you through six principles that bring your conscious mind in line with your subconscious desires. She shares practical, three-minute exercises that will help you transform your relationships, find true love, lose weight after years of struggling with the scale, overcome addictions, and achieve new career successes and heights. Featuring inspiring success stories and the practical tools you need to make meaningful change, Subconscious Power gives "you a pathway to achieve your goals and dreams in an effective and easily understandable manner. This book will improve your life in ways you never thought of" (David Zelon, producer of Soul Surfer).

Dr. Joseph Murphy's classic book The Power of Your Subconscious Mind was first published in 1963 and became an immediate bestseller; it was acclaimed as one of the best self-help guides ever written. Following the success of this work, Dr. Murphy lectured to thousands of people around the world, and millions tuned in to his daily radio program. In his lectures, he pointed out how real people have radically improved their lives by applying specific aspects of his concepts. Now, these lectures have been combined, edited, and updated in six books that bring Dr. Murphy's teachings into the 21st century and provide readers with his proven tools on how to program their subconscious minds so that they can radically improve their lives. In Book 5 of the series, Dr. Murphy explains that Infinite Spirit is the presence of God within each human being. You're capable of deepening your spirituality and obtaining tranquility, beauty, love, joy, and all of God's blessings. He also describes how you can use prayer and meditation to program your subconscious mind and channel Divine power to bring peace and happiness into your life.

All new, never-before-published? from the author of the phenomenal bestseller The Power of Your Subconscious Mind. When Dr. Joseph Murphy wrote his bestselling book The Power of Your Subconscious Mind, he set forth the basic techniques for enriching one's life by programming the subconscious mind. This all-new book, based on forty years of previously unpublished research, shows how the subconscious mind can be used by people in their workplace when dealing with both routine and unexpected problems faced on the job. To illustrate Murphy's principles, editor Arthur Pell has provided examples from the lives of past and contemporary business leaders who have achieved success by applying these concepts in their professional lives. This book covers the most vital subjects in career and business success including: establishing goals, developing self-confidence and resilience, mastering the law of attraction, leading a dynamic team, effective communication, managing time efficiently, and more.

'How to Use the Power of Prayer' is a book by Joseph Murphy. He wrote more than thirty books and is most famous for "The Power of Your Subconscious Mind," which became an immediate bestseller. Murphy was acclaimed as one of the best self-help book writers. This book conveys that you can have whatever you desire, all you have to do is ask. It emphasizes on believing that your prayers are answered and that prayers are packed with a mysterious power that gives you what you ask for. In this book, Murphy claims that no matter how big an obstacle appears, how hopeless things seem to be, all can be solved through a prayer. The book covers a wide range of topics such as how to heal oneself, how to overcome worry and fear, how to have a better future, and a lot more simply by following the steps given and regularly practiced, connecting with the divinity within us, and effectively praying. Through the study and application of mental laws, you can find the way to health, harmony, peace, and prosperity; scientific prayer is the practice of the Presence of God.

Subconscious Mind Power

From the renowned bestselling author of The Power of Your Subconscious Mind, an authorized collection of writings that unlock the secret to extraordinary success that lies within each of us Millions of readers have embraced Joseph Murphy's writings, including the phenomenal bestseller The Power of Your Subconscious Mind, a beloved classic that sits alongside the works of Napoleon Hill, Dale Carnegie, and Norman Vincent Peale. This new collection, authorized by the Joseph Murphy Trust, focuses on prosperity - and the simple yet powerful ways we can focus our attention and beliefs to achieve life goals, obtain riches, and live the life of our dreams. Whether you are a longtime reader of Murphy's insights or are discovering his work for the first time, this powerful and deceptively simple volume will illuminate the path to success. Comprised of original writings including some that have never been published in book form, along with modern-day updates, examples, and insights for the contemporary reader, the book goes beyond what we've already heard about the Law of Attraction and the power of positive thinking to reveal the ability that each of us has to manifest remarkable change in our lives.

"Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of The Man Who Mistook His Wife for a Hat What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.
