*agricultural economy in the United
States and Canada was depressed.*

*The prices paid to farmers for their
grain crops were very low, and
consequently most farmers in North
America could not afford to buy a
new tractor when needed; there*

fore, the sales of tractors and other farm machines were much below normal. The farmer who was the victim of the depressed economy was forced to "make do." Instead of purchasing a new tractor when the old one needed to be replaced,
