Is there any strange paternal occurrence in your ancestral lineage? What is the pattern of your marriage? What is the pattern in your financial life? What is the pattern of your economic life? Why are the men and women not getting married? Why must there be a strange sickness along the line? Why are there negative patterns of failure in the family? Why is there a history of rise and fall after a particular age? Why is premature death so rampant in your family? Why are there "born-one" syndrome in your paternal lineage? Many questions on the patterns of family history has necessitated the writing of this book. The sin of idolatry and ancestral curses are the main causes of most of the issues we are facing in life.

This book is a wonderful compilation of materials dealing with generational curses and we believe that it would be a wonderful asset for your library. It would also serve as a powerful guide and source for teaching on this subject. Most people believe that when they accepted Christ into their life that all curses against them were dealt with and broken. This is a correct statement, but let's look at Joshua the successor of Moses. He was promised the land but he still had to go in and fight for it. This holds true for us today because the word in Matthew 11: 12 states that, the Kingdom of Heaven suffers violence and the violent take it by force. As we will find out from this study, there are actions that have been done by some people who have brought a curse against their bloodline. This must be dealt with before they can be completely free to fulfil the call of God on their life. Rev. Agbo demonstrates that he has devoted much study to this subject and wants only to present the truth. Most people shun this subject of generational curses and would rather not be exposed to it. We were touched and blessed by the powerful prayer at the end of the book and recommend this man of God to any church or organisation to speak on this subject. Again, this book will compel you to live a holy life; totally dedicated to God. It deals with all areas of life. PUBLISHER: TEKTIME

Are you looking for ways to engage in Prayer and fasting more effectively? In this guide, Dr. Pauline Walley-Daniels reveals how Esther led people in an effective prayer fast that changed their circumstances for life. She explains how to fast and provides important prayer points that are applicable to any situation. Every year, Walley-Daniels's home church and its affiliates set themselves apart to perform a progressive prayer fast based on Esther's encounter. Queen Esther declared the fast when she discovered that Haman, the enemy of the Jews, was plotting to destroy her people. It was a time when all came before God, fasting and crying to Him for family members and for breakthrough and deliverance from any Hamanic decrees enacted against them and their lives. Building on that model, this guide is a song of inspiration, an encouragement through each season of the fast. The insights and practical guidelines it offers enable each of us to break through the challenges and difficulties that confront our environment and our spiritual lives. Dr. Pauline Walley-Daniels fights a good fight of spiritual warfare. She presents powerful, effective prayers that are specific to the challenges individuals may face in fulfilling their destiny. break curses in your life? Do you need to pay money to a prophet/prophetess in order to break curses in your life? The answer to these questions is all about. Your freedom has been paid for but ignorance kept many where they are, but the right knowledge has come. Now it is time to break the terrible. I wallowed in it, so I knew what it meant for someone to wallow under a curse. I am not writing out of a Theological knowledge, but a prophetic revelation coupled with my experience of wallowing under a curse, and how I got my freedom. "Near success syndrome," that is what it is then. It is said, "Nearly cannot kill a bird," and in fact that was exactly my story then. Always getting to the edge of breakthroughs but never getting through them. Something must always go wrong at the edge of every breakthrough. I dreamt, dreamt, but never saw my dreams come to manifestation. Ah! They are terrible. There is a way out, and in fact, the only true way out of all manners of curses, whether generational, parental or, spiritual curses, there is a permanent way out. You may have been doing the trial and error thing, just as I did in the past. I even consulted a witch (Babalawo) to assist me in breaking the curse operating in my life then. He asked me to bring money to get the materials he will use for the ceremony and I gave him, still to no avail. I even encountered fake pastors who used me to learn Taekwondo, Karate, Judo in the name of deliverance, but they will twist your neck, turn you round and round until you will fall down out of dizziness, and they will say that you have fallen under a curse. Which anointing? Mechanical anointing. The Native Doctor and the neck twisting of the pastors could not help me, until I discovered the authentic way out of all manners of curses and that is what I am sharing in this book. Do you want to be free permanently? Then come to the way. Let's go. This book Breaking Generational Curses makes no pretense about preaching the gospel of Christ. It showed no shame in an unabashed demonstration of the power of the finished work at Calvary. Curses can be ugly. They can be far-reaching and limiting. But a personal experience of hanging the Son of God on the rugged and dirty tree at Golgotha has reduced curses to a treated issue. It is a done deal. What Christ said has finished is finished. This book has further advertised the futility of running helter-skelter. Own it, read it, and practice the way. New York Times-bestselling author Platt takes readers on a heart-wrenching, soul-searching journey through impoverished villages in the Himalayan mountains. With riveting passion and surprising vulnerability, he dares readers to make a difference starting right where they live.

A curse is a counter force that fights blessings. A curse is being greeted with failure where success is smiling at others. A curse is a sentence calling for punishment, injury or destruction on a person, place or thing. A curse is a satanic mandate given to demons to wreck havocs on a person, place or thing. A curse is labouring under the burden of backwardness and stagnancy. A curse is labouring under a closed heaven. This book teaches you the operation, mechanism, manifestation, detection and destruction of curses. It is time for you to learn how to speak destruction unto any curse under which you are labouring.

This book contains powerful warfare prayers and decrees taken from Scripture that will break the powers of darkness and release the blessings and favor of God.
