The Word of God is one of the most inspirational books ever written. The Scriptures in the Bible were not only given to inspire us to pray but also to be used as a source of guidance and power. When we pray the scriptures, we will experience breakthrough and victory in our daily lives. This book was written to help you master the art of spiritual warfare praying that will invoke passion and power, with each prayer specifically designed to meet the area of warfare that you may encounter. Whether you are a seasoned prayer warrior or novice intercessor, Breakthrough Prayers will equip you with the essentials needed to gain breakthrough and victory for yourself and the people that you are interceding for. This book is packed with prayers based on the Scriptures to uproot, pull down, destroy, rebuild and establish a new strength and revitalization of your God given potential. In essence with the reading of this book, you will also learn how to claim perpetual victory and take back what the enemy has stolen from you. This book will become your weapon of war against the powers of darkness.

A revived faith starts with a revived prayer life. This book will help you develop the faith and prayer life that God desires for you. What if your communication with God became as vibrant as the interaction between you and your best friend? What if God literally responded to your praise, your worship, and your requests? This is absolutely God's will for your prayer life! For many, prayer is only a matter of blessing their food, asking for help during a crisis, or whispering a need when they feel they are at the end of their rope. Unfortunately, this barely scratches the surface of the prayer life God wants to share with us. In Prayer That Changes Everything, Mary Colbert unpacks five principles to revolutionize readers' faith and help them experience the full dimension of the relationship they can have with God through prayer. She challenges readers to: Recognize that faith is alive and must be in action Live with a faith that excites God Realize that faith is the substance of all things See the thing they want God to do as done and begin to praise Him for it; and know that love is the fuel Whether a new believer or a longtime Christian, each reader will find accessible, fresh insights into prayer and practical wisdom that will revitalize his or her prayer life and transform his or her relationship with God.

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free.

This book is a call to prayer, a call from lethargy and apathy that is so common today, to effective prayer. This is a call to unlimited prayer; prayer that has great power and obtains wonderful results. Christian prayer is a source of great blessing and it is a means of focusing God's power and might on our needs and problems. It brings great answers, if we will pray. Why limit prayer, when God gives breathtaking answers, when we pray. Prayer has great power and brings wonderful results. It is like unleashing a dam of water, the pent up power rushes out of the reservoir and the power affects everything it contacts, it brings change. This book is a series of articles on prayer. A Call to Prayer is the first of four volumes on the prayer life. These articles were originally published in the online newsletter Voice of Thanksgiving. The articles are intended as lessons in prayer; written to promote thinking about prayer and to encourage further exploration of an effective prayer life. They were also written to foster a growth in devotion to God and the Christian life of faith. These articles are intended to encourage going to the Holy Spirit School of Christian life and prayer, where we learn to pray, not just prayers, but effective faith filled prayers.

Written in a clear, non-churchy, easy-to-read style, here are the ABCs of spiritual warfare that will help people break free from demonic oppression and also equip them to minister to others.

The Little Book of Prayers

This bonded leather compendium combines the two best-selling books by John Eckhardt in the Spiritual Prayers series, Prayers That Rout Demons and Prayers That Break Curses. This is a powerful, handy reference tool that enables the reader to access Scripture-based prayers and decrees to overcome demonic influence and opposition. This book includes warfare prayers for every circumstance, including avoiding Satan's attack in the areas of finances, pride, rebellion, relationships, healing, and demonic bondages. With the resources in this book, readers will break the powers of darkness and release the blessings and favor of God in their lives.

The perfect gift for seekers, the curious, and the spiritually hungry, The Little Book of Prayers now has a stunning new cover and a more prayer book-like format. Gathered from holy books and prayer books, from songs and spirituals, spoken traditions and poets, it is an unexpectedly approachable collection of common and uncommon prayers from around the world. The entries, one per page or spread, are chosen for their depth of feeling, beauty of expression, spiritual intensity, and sense of the universal. The book is organized into broad categories of praise, entreaty, contemplation, mourning, and grace; and two indexes—one by authorship, and the other by topic—make it immediately accessible. There are familiar prayers, like the Lord's Prayer and 23rd Psalm, which, placed in new context, shine with a renewed beauty and wisdom. You'll find prayers unfamiliar to many in the West, such as the "Opener" from the Koran or the four vows of the Boddhisattva, chanted every evening in Zen monasteries around the world. And the surprising—from the "Prayer of the Unknown Confederate Soldier" to the blues of Lightnin' Hopkins to the poetry of Rumi. God help us to live slowly: To move simply: To look softly: To allow emptiness: To let the heart create for us. Amen. —Michael Leunig You, whose day it is, make it beautiful. Get out your rainbow color it will be beautiful. —Nootka Song

History has it that between the days of Malachi the prophet and the writing of the gospels were about four hundred years! Four hundred years of darkness. Four hundred years of famine of the word of the Lord. Four hundred years of lack of prophetic direction. Four hundred years with no major miraculous manifestations. Four hundred years of seemingly endless waiting for the coming Messiah. Within this window, the enemy took over. The house of prayer was overtaken by thieves and robbers. False prophets and priests invaded the temple. The place where men ought to come and encounter God became a marketplace. The house of God had turned to bureau de change. The Priests who ought to be about the Father's business were going about their own business. They became contractors in doves and currency exchange. The blind and the lame who ought to come and experience healing inside the temple ended up as beggars at the temple gates because there was no power to heal them in the temple. When God wanted to bring change, he sent and raised a man of prayer. John was sent by God (John 1:6) born of praying parents in answer to prayers (Luke 1:12-13) and was raised in the desert to cultivate a strong spirit of prayer (John 1:80). This is God's method of birthing change and revival. The greatest need of all time in all places is men and women of prayer. Like in the words of Wesley Duewel, the greatest lack today is not people or funds, the greatest need is prayer. If we seek to brighten our darkness, turn our night into day, we must be willing above all else to agonise in prayer until the day dawn, and the day star arise in your hearts. If we want to enjoy abundant flow of revelation of the word and receive ceaseless flow of prophetic vision for guidance, comfort and edification, we will need to cultivate the habit of bowing our knees in prayers. This was what men like Kenneth E. Hagin did and God opened him to abundant visions and revelations. If we desire to begin to bath in the river of the miraculous and experience signs and wonders as in the days of old, we must be ready to lay before God in the secret place of prayer until we are endued. This was what men like T.L Osborn and S.N. Wigglesworth did and they became men to be wondered at. If we will get the Messiah to come and visit our temples today, chasing out the robbers and them that buy and sell, we must be ready to raise intercessors who will labour in prayer day and night. John was a great intercessor. He prayed until he got his lost generation to return to God. Soldiers ran to him for baptism and yet he called them vipers. He was not a decorous preacher. He simply preached and there were convictions. His words were filled with power. To mention, John was not only a great intercessor, he raised other intercessors. He multiplied results by multiplying prayer as he taught his disciples to pray. When the Disciples of Christ saw the company of John wild and lost in prayer, they caught the appetite to pray. Then, they saw their master in prayer and the appetite grew. That is the essence of this book. It is my desire that God will use this book to create an insatiable hunger and thirst

Are you frustrated with your life? Are you struggling to find breakthrough and feeling like you are just spinning your wheels?

Seven prayers that offer the life-changing power to move life from ordinary to amazing. Stormie Omartian is well known for her powerful books on prayer. These seven life-changing prayers guide readers to find renewal and transformation into their spiritual lives. Prayer topics include: Confession, Salvation, Release, Submission, Praise, Promise, and Blessing. The brand new design appeals to a new and younger audience, spreading the power of prayer beyond borders never reached before.

More than 95 percent of the psalms express or invite audible words. This book will inform, equip, and inspire you to proclaim prayers that spread the gospel. We are living in times of great discrimination against the message of the church. Special interest groups boldly stand on platforms and speak out in ways much like Goliath did when he mocked the armies of the Lord. The generals of that time hid and were afraid to speak out, but we must learn from their mistake. God is recruiting voices from the wilderness of the America we live in today to stand and speak truth in love. The general attitude of many people is that prayer should be offered up only in the privacy of sanctuaries or the seclusion of prayer closets. This book defies that idea. As others are boldly coming out of the closet for whatever they are passionate about, so should believers! We know that there is life and death in the power of the tongue. We also know God's people perish for a lack of knowledge. Pray Out Loud not only informs and trains readers; it also equips them with prayers and declarations so they can intercede with power. This book encourages Christians to refuse to be silenced and instead to become violent interrupters who stand in the gap and with loud voices proclaim the gospel of Jesus Christ. FEATURES AND BENEFITS: Trains and equips you to overcome intimidation and receive impartation to intercede with power Includes declarations and decrees for intercession and spiritual warfare

Discovering the Secret of a Man's Soul

*A "playful, enlightening, and creative collection" (Spirituality and Practice) of spiritual lessons, anecdotes, and thoughts on the Divine's intervention in our lives, this brilliantly written and wonderfully entertaining book teaches us how to live purposefully and in line with the Force of Love. "What if the Divine is constantly igniting roadside flares to get our attention? What if there actually is a Supreme Organizing Principle with an unbridled sense of humor? And what if we each have this ardent inner suitor who's writing us love letters every day that often go unopened?" Whether we know it or not, we all experience the touch of the Divine in our lives every single day. After twenty-five years spent consulting and advising tens of thousands of people from all over the world, Tosha Silver realized that almost all of us have similar concerns: "How do I stop worrying? How can I feel safe? Why do I feel so alone?" and often, "Who am I really?" For the passionately spiritual and the bemusedly skeptical alike, she created *Outrageous Openness*. This delightful book, filled with wisdom and fresh perspectives, helps create a relaxed, trusting openness in the reader to discover answers to life's big questions as they spontaneously arise. *Outrageous Openness* opens the door to a profound truth: By allowing the Divine to lead the way, we can finally put down the heavy load of hopes, fears, and opinions about how things should be. We learn how to be guided to take the right actions at the right time, and to enjoy the spectacular show that is our life.*
