This volume traces the modern critical and performance history of this play, one of Shakespeare's most-loved and most-performed comedies. The essay focus on such modern concerns as feminism, deconstruction, textual theory, and queer theory.

On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

Translated by E. M. Macierowski Originally published in French, de Lubac's four-volume study of the history of exegesis and theology is one of the most significant works of biblical studies to appear in modern times. Still as relevant and luminous as when it first appeared, the series offers a key resource for the renewal of biblical interpretation along the lines suggested by the Second Vatican Council in Dei Verbum. This second volume, now available for the first time in English, will fuel the currently growing interest in the history and Christian meaning of exegesis.

The Birth of Purgatory

One of the most popular and widely read books of the Middle Ages, "Physiologus" contains allegories of beasts, stones, and trees both real and imaginary, infused by their anonymous author with the spirit of Christian moral and mystical teaching. Accompanied by an introduction that explains the origins, history, and literary value of this curious text, this volume also reproduces twenty woodcuts from the 1587 version. Originally composed in the fourth century in Greek, and translated into dozens of versions through the centuries, "Physiologus" will delight readers with its ancient tales of ant-lions, centaurs, and hedgehogs and their allegorical significance. An elegant little book . . . still diverting to look at today. . . . The woodcuts reproduced from the 1587 Rome edition are alone worth the price of the book. Raymond A. Sokolov, "New York Times Book Review"

A haunting, prophetic collection of writings by the six Jesuit priests of the Central American University massacred by Salvadoran soldiers in November, 1989. In a moving memoir Jon Sobrino recalls years of work with each of the priests and celebrates the ideals they embodied.

The Four Senses Of Scripture

Bibliografia nazionale italiana

Written especially for beginners, Sr. Lucy Rooney and Fr. Robert Faricy have distilled four centuries of retreat experience based on The Scriptural Exercises of St. Ignatius into simple steps that help the beginner grow in loving and being loved by God. Each of the forty-nine ways of praying suggested here only takes a few minutes a day.

Girolamo Zanchi's De religione christiana fides offers an insight into his mature theology and reflects the development of Reformed dogmatics and polemic more generally in the late 16th century. It therefore provides an interesting picture of the theology of a whole era.

Christianity and Classical Culture

The Bible is ancient, enigmatic, and from a culture vastly different from our own. That's why most of us find it hard to read. So how can we understand its importance in the church, and how can it enrich our lives? Central to lectio divina is the conviction that to read the Bible faithfully and prayerfully is to learn an ancient art—by entering into dialogue with the God who speaks to each of us through the biblical page. Enzo Bianchi touches on the essentials of the history of lectio, from the brilliant thinker Origen in the third century to the development of historical criticism in the modern era. He explains how to do lectio and how to understand and implement its four "moments"—lectio, meditatio, oratio, and contemplatio. This is not simply a book about how to approach the Bible, because Scripture ultimately wants to lead us beyond itself, to the truth and mystery of Christ that can never be captured fully in the written word. "With his deep biblical wisdom, Bianchi is able to explore the whole Christian tradition of prayerful reading. St. Benedict mandates at least two hours of lectio divina a day for his monks, which is a considerable challenge for the modern person. But with Enzo as our guide, we can do it!" —Terrence G. Kardong, osb, editor of American Benedictine Review "Enzo Bianchi was born in Castel Boglione, Piedmont, Italy, in 1943. In 1965, after graduating from the University of Turin, he founded an ecumenical monastic community—the Bose Community—of which he is still the prior. Friar Bianchi is a well-known author of books on lectio divina and the spiritual life, which have been translated into many languages. He has dedicated himself to the search for spirituality capable of giving life to Christians today and furthering communion among all people. The Bose Community now numbers over eighty brothers and sisters of various Christian traditions, and receives thousands of visitors annually. Enzo Bianchi is one of the most significant Christian voices in Europe. He shows what can be achieved by an immersion in Scripture that involves both intellect and imagination alike, and—in common with all the most serious Christian voices of our day—he cannot be labeled as a partisan "liberal" or "traditionalist." He offers exactly what the monastic voice at its truest has always offered: a way into the heart of our ecclesial and social questions that is honest, patient, and sensitive. His is a perspective that the English-speaking Christian world should welcome enthusiastically." —Rowan Williams, Magdalene College, Cambridge "I hope that these pages may be heard as a simple yet faithful echo of my personal experience, my community's path and my journey with the church. For years, I have broken the bread of the Word for the brothers and sisters in my community. Much of what I say here comes from that experience. It also comes from many years of preaching the Word to listeners from all walks of life. I would like to see this book ultimately as no more than a small gesture of gratitude to those witnesses of the Word whom the Lord has allowed me to meet, those "martyrs" of faith who have found ways to express all the richness of the Gospel in their lives. Only those people who put God's Word into practice have really heard it. They are the ones who truly understand the biblical text, because they obey without delay the word Christ never tires of speaking to us. The sequential sancti evangelii for today—today's Gospel—is not the product of brilliant scholarly research. It is the life and witness of God's holy people, those who are faithful disciples of the Word made flesh, their Lord." —Enzo Bianchi

Noting that the doctrine of Purgatory does not appear in the Latin theology of the West before the late twelfth century, the author identifies the profound social and intellectual changes which caused its widespread acceptance

Spiritual Theology

On Fostering True Religious Unity

The first part of Prof Jordan Aumann's magisterial *Spiritual Theology* is concerned with the theological principles of Christian holiness, while the second and major part derives from those principles' practical directives for the individual Christian's 'growth in holiness'. Based firmly on the work of three classical masters - St Thomas Aquinas, St John of the Cross, and St Teresa of Avila - this text has already proved of great benefit to contemporary students and general readers seeking to inform and develop their own spiritual lives.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.
