# Premiere Products Exercises Chapter 8 Answers

This two-color, spiral bound book offers users easy reference and access while they work at their computers—no matter what hardware environment they work in. It works for software across hardware platforms—both Mac and Windows, employing project-based instruction to teach users the basics of the software programs while they complete real-world projects. A user-friendly icon system indicates key information, activities, or instruction, and directs readers to these important areas—eliminating the need to pore over entire sections of the book. Chapter openers provide a

***This book explores “Making of” sites as a genre of cultural artefact. Moving beyond “making-of” documentaries, the book analyses novels, drama, film, museum exhibitions and popular studies that re-present the making of culturally loaded film adaptations. It argues that the “Making of” genre operates on an adaptive spectrum, orienting towards and enacting the adaptation of films and their making. The***

## Download File PDF Premiere Products Exercises Chapter 8 Answers

*book examines the behaviours that characterise “Making of” sites across visual media; it explores the cultural work done by these sites, why recognition of “Making of” sites as adaptations matters, and why our conception of adaptation matters. Part one focuses on the adaptive domain presented by the “Making of” John Ford’s *The Quiet Man*. Part two attends to “Making of” *Gone with the Wind* sites, and concludes with “Making of” *The Lord of the Rings* texts as the acme of the cultural risks and investments charted in earlier chapters.*
