All India Institute of Medical Science or AIIMS is not just another medical college, it's a symbol of excellence in the field of medicine and research. AIIMS has been a paramount hospital and medical institutions in India, every year lakhs of students enroll for this entrance examination while it's the dream of many, 5 Year MBBS Programme is cut throat competition and hence it require great concept building with enough practice. 16 Years' Solved Paper AIIMS has consciously been revised as per latest pattern of the syllabus and question paper. This book has provided solved papers [2019-2014] to give the feel and difficulty level of the examination that are held in previous years. All the question in this book is provided with detailed explanations in a quick and easy-to-understand language so that all doubts regarding to the topics can be resolved. This explanatory workbook carries great value for the students who will be preparing for the medical examination of AIIMS. TABLE OF CONTENT Solved Papers (AIIMS, MBBS): Solved Paper (2019-2004)

In this book, four new sections have been added in this edition containing multiple choice questions (MCQs), problem oriented case studies, very short question with answer and Biochemistry course curriculum of different Universities. MCQ will definitely be useful to the students appearing for PG entrance examinations later. Problems relating to biochemical case studies have recently been introduced in question papers of many medical universities and in this context, these will be of immense help to the students for diagnostics analysis. In this new edition very recent questions have been incorporated, some short questions with answers and new case history are added. Guide line of Medical Council of India (MCI) for Biochemistry course curriculum is appended, so the students will be aware about the must know and desirable to know area in the subject. Through separate chapters have been earmarked for paper I & II in the courses of study of different Universities, sometimes the question setters do not strictly adhere to the instructions laid down in it, while setting questions. Although it happens occasionally the students have to bear this anomaly as there is no remedy for it.
