Project  
Management  
Optional Client. The

book is aimed at: 1.  
People who wish  
learn the software  
but are unable to  
attend a training  
course and find the  
software reference  
manual hard going.  
2. Project  
management  
companies who

Primavera P6

**Project Management Reference Manual**  
is designed to teach planners and schedulers in any industry how to setup and use the software in a project environment. It explains in plain English and in a logical sequence, the steps required to create and maintain an unresourced and

# Access Free Primavera P6

**Project Management**  
resourced schedule.  
It tackles some of  
the more complex  
aspects of the  
software that the  
user manual does  
not address. It  
highlights the  
sources of  
information and the  
methods that should  
be employed to  
produce a realistic  
and useful project
