""Barry's book will help anyone improve their prospecting and appointment setting which are keys to a successful sales career."" - Hector LaMarque, Senior National Sales Director, Primerica

Do you need to find people and set appointments to be successful in sales, relationships and life? Are you stuck? This book will get you going - prospecting and setting appointments with confidence and commitment. Barry Andruschak was an ineffective, introverted newcomer to sales until he discovered the techniques in "Prospecting and Setting Appointments Made Easy" and built a remarkably successful career. Now a National Sales Director and trainer, Barry provides you with the easy-to-follow, step-by-step process you, and your team, can follow to boost sales to new heights. It's a fact that no sales can happen until you find prospective clients and set up an appointment. Barry's proven approach makes it easy for anyone. Plus, net profits on book sales go to KidSport to help children in communities across the country play a sport that they may not otherwise be able to afford. Thank you! About the Author Barry Andruschak was born and raised in Vancouver, BC. He has a diploma in Aviation Technology from Selkirk College in Castlegar, BC. After being a charter pilot for 3 years, he was introduced to the A.L. Williams Corporation, now called Primerica Financial Service Ltd., in 1985. He became Primerica Canada's first Regional Vice President independent sales agent in 1986. He is currently holds the title of National Sales Director and lives with his family in Victoria, BC.

A Wall Street Journal and USA Today bestseller Leadership lessons for enduring business and personal success from renowned motivational speaker, current leadership editor of Success magazine and former co-CEO of Primerica, John Addison In Real Leadership, author John Addison shares his straightforward practices for successful leadership through his personal and professional journey, helping leaders at any level understand and emulate the nine principles that fostered enduring results on his path to success. As co-CEO of Primerica--the largest independent financial services marketing organization in North America--from 1999 to 2015, Addison spearheaded the company through a period of rapid growth in the early 2000's, then helped navigate the company through the worst financial crisis since the Great Depression, and the separation from their parent company, Citibank, which created one of the most successful IPOs of the decade. Guiding the organization through these monumental changes while also working to keep morale high, Addison developed a passion and talent for motivating others that allowed him to inspire and empower over a million people during his career. The perspectives and personal laws of success that he's developed over decades of hard work and diligence boil down to the principles of living your best life. Because that, says Addison, is the essence of leadership: having the courage, honor, and integrity to live your true life, the one you were put here to live, and to do it in a way that makes the world a better place than it was before you got here. Addison's story shares his experiences--from small-town southern boy to influential CEO--providing a riveting read that is down-to-earth and profound in its simplicity and honesty. His practical takeaway lessons will help you lead better in every aspect of your life. It's the kind of leadership that others will follow over the long haul, through the good times and the bad, through the ups and the downs; it's real leadership. John Addison is the former Co-CEO of Primerica, the largest independent financial services marketing organization in North America. He currently serves as CEO of Addison Leadership Group as well as the leadership editor of Success magazine. As a renowned, world-class speaker, he has motivated millions with his insight and wisdom on leadership, personal development, and achieving success in both their careers and their personal lives.

How Anyone Can Win . . . Again and Again We all know people who seem to move from success to success, with barely a pause or dip in between. They're always excited about the next big project or goal. When trouble comes, they land on their feet. They are role models and opinion makers who lead rewarding lives. In a world full of people who almost win, these are the few who do it repeatedly and consistently. Larry Weidel has benefitted tremendously from the mentorship of some of these serial winners. Applying and adapting their lessons allowed him to achieve extraordinary success and coach others to do the same. In Serial Winner, he distills the 5 basic actions of the Cycle of Winning to help you: -Move forward when you feel stuck.- Crush early doubts and give yourself the best shot of succeeding.- Overcome obstacles to win anyway.- Maintain your mental toughness until you cross the finish line.- Avoid the winner's trap and use the momentum of each win to achieve the next. Through inspiring and funny stories and no-nonsense advice, Larry exposes the myths and facts about successful people and shares essential insights into achieving whatever you want in life. Whether you're just starting a venture or looking to get out of a longstanding rut, Serial Winner shows you the steps for creating a regular pattern of success!

A behind-the-scenes look at Wall Street's top banker Jamie Dimon is Wall Street's biggest player. Following the 11th-hour rescue of Bear Stearns by JP Morgan, his profile has reached stratospheric levels. The House of Dimon goes behind the scenes to recount the amazing events that shaped Dimon's career, including his rise to prominence as Sandy Weill's protégé at Citigroup, only to be fired and denied the top spot; his orchestration of the JP Morgan acquisition of BankOne, a deal that brought Dimon back to Wall Street as CEO of JP Morgan; and the drama surrounding the purchase of Bear Stearns and Washington Mutual--two opportunistic deals that helped avert government bailouts. Lively and engaging, the book provides insider accounts of how Dimon successfully integrated acquired companies; reorganized underperforming units; created efficiencies; and grew bottom-line results as the consummate hands-on manager. Through interviews with Dimon, Weill, JP Morgan board members, and people who worked with Dimon, readers will gain insight into Dimon's management style and his ability to inspire outstanding performance. Most importantly, the book explains Dimon in the context of contemporary Wall Street, an environment that has destroyed several top CEOs and led to the demise of several major financial institutions. Dimon has flourished by avoiding alluring, but potentially catastrophic risks and taking advantage of strategic opportunities. During one of the most difficult and tumultuous periods in Wall Street history, he has survived and thrived. The House of Dimon shows how he's done it and explores what lies ahead for Dimon, as he attempts to grow JP Morgan in the face of the unrelenting pressures of Wall Street. Primerica Training Guide

Living with multiple sclerosis has been an ugly battle. It is a daily fight that has taught me to be a fighter. This nasty battle has inspired me to write this book because I feel that people should know that the cure to everything lies within our heart. I hope that my words inspire all of those people out there fighting some strange illness, like myself. At only 22 years of age, life has been a dramatic journey. Being diagnosed with multiple sclerosis at only 19 years of age I have learned that things happen for a reason. Living with multiple sclerosis has been a big challenge. A difficult bump to overcome. My Story is about the struggles I have faced with the symptoms and how I have managed to over come them. My words have inspired those who have heard my story, and hope they will inspire you to never give up. Whether you're sick or not, life goes on. Time doesn't stop no matter how slow life may seem. Doors of opportunity are always around us. Life never stops and neither should we. We all walk a path. Sometimes under the light, sometimes in the dark.
