America's greatest revivalist, being credited with conversion of about half a million people, over one percent of the population of the United States in his day. Finney was a leading figure in the Second Great Awakening, which made America the most religious country in the world. His Rochester revival of 1830 was called "the greatest work of God and the greatest revival of religion that the world has ever seen in so short a time." Indeed, religion was the topic of conversation in the house, in the shop, in the office and on the street, and it is said that Rochester's jail was empty for years afterwards. Finney's influence on America went beyond religion. He

was a committed abolitionist, a promoter of women's education, a professor of systematic theology and the second president of Oberlin College. Perry Miller, Pulitzer Prize winner and Harvard historian, asserts that it was not Jefferson, Madison, or Monroe who led America out of the eighteenth century but Charles Grandison Finney. *Power from on High*: Finney asserts that many Christians, and even Christian leaders, lacked "power from on high." In his view, "the baptism of the Holy Spirit" is more than speaking in tongues, but also, and more importantly, it is the ability to live lives of increasing holiness. In this book he describes

what it is, how to receive it, what the impediments are, and how to live by it. Principles of Prayer: Finney credited the remarkable revivals he was responsible for largely to prayer. Charles G. Finney Though Charles Finney is most often associated with evangelism and revival, his heart yearned over the Christian who, though forgiven of past sins, still lived in bondage to sinful habits. L.G. Parkhurst has carefully selected thirty brief but powerful readings from Finney, showing how freedom comes to a Christian only through a relationship with Christ. Chapter titles include: • Jesus My King • Jesus My All in All • Jesus My Strength • Jesus My Hope • Christ My Rock This new book is similar in format to Finney's Principles of Prayer, also edited by Parkhurst.

purposes of accurate continuity in all good things. It may have been the divine recognition of this need which provided through Moses ‘ the pattern of the things in the heavens ’ (Hebrews 9:23). Providence from time to time, throughout the Christian age, has raised up exemplary men who by their teachings and methods have given to posterity an enlightened process by which a wayward generation may find its way back to God. One of these, and by no means the least, was Charles G. Finney, who embodied in ministry and literature principles and methods which are certain to produce, anywhere, a genuine spiritual revival of Christian zeal and devotion. ” —From the Foreword

The peculiar circumstances of the church, and the state of revivals, was such, as unavoidably to lead me to the discussion of some points that I would gladly have avoided, had the omission been consistent with my main design, to reach and arouse the church, when she was fast settling down upon her lees. A classic series of sermons calling us to a genuine relationship of trust and obedience.

After more than twenty years of revival ministry, America's greatest evangelist had accumulated knowledge of spiritual awakenings, their implications and excesses, perhaps exceeding that of almost anyone in Christian history. This aggregate wisdom on the subject was first presented to the reading public in the form of a series of 32 open letters, printed on the pages of the Oberlin Evangelist in 1845. Some were recently reproduced in a volume titled Revival Fire. But fifteen of the original letters did not find their way into that book. In your hands you have all thirty-two of the invaluable epistles of the incomparable preacher. - Back cover.
