Consider the strawberry: its familiar flavor and texture; its fresh, sweet smell. Now imagine the same fruit distilled and carbonated for a refreshing soda, slow-roasted for a reinvented strawberry shortcake, made into a creamy strawberry ice cream and a chewy strawberry leather, and combined with coconut cream and crisp chocolate pastry. Alone, each dessert is a taste of paradise, but together this “fourplay,” or tasting, created by Johnny Iuzzini, superstar pastry chef of the celebrated four-star restaurant Jean Georges in New York, is a sophisticated explosion of a familiar flavor that begins with the taste of strawberry rich on your tongue and

ends with an effervescent tingle in your nose. Far from the conventional slice of cake at the end of a meal, Johnny's seasonal creations—four mini desserts in a quartet of complementary flavors and textures—are a culinary adventure. In Dessert FourPlay, he shares his secrets and inspirations, delivering standout recipes for incredible desserts that can be served alone or combined into his signature fourplay groupings, creating the perfect sweet finale for any meal. With the home cook in mind, Johnny offers tips on simplifying professional recipes and provides basic recipes for transcendent cakes, cookies, tuiles, ice creams, sorbets, granités, and more. These building blocks can be used to create magnificent multifaceted desserts, or they can be perfect desserts by themselves. Some recipes have surprising versatility: the shiny smooth chocolate glaze Johnny uses to ice cakes doubles as the ultimate hot fudge sauce; a lemony madeleine batter becomes a layer in a cake. Iuzzini pairs cool with hot, crispy with creamy, sweet with spicy, and the expected—chocolate, strawberries, and cinnamon—with the unexpected—chiles, beets, and chocolatey puffs. The result: desserts that refresh, inspire, and satisfy beyond expectations. Dessert FourPlay invigorates all the senses and inspires home cooks to create innovative desserts of their own.

The timeless guide to culinary creativity and flavor exploration, based on the wisdom of the world's most innovative chefs Eight years in the making, The Flavor Bible is a landmark book that will inspire the greatest creations of innovative cooks and chefs by serving as an indispensable guide to creativity and flavor affinities in today's kitchen. Cuisine is undergoing a startling historic transformation: With the advent of the global availability of ingredients, dishes are no longer based on geography but on flavor. This radical shift calls for a new approach to cooking -- as well as a new genre of "cookbook" that serves no to document classic dishes via recipes, but to inspire the creation of new ones based on imaginative and harmonious flavor combinations. The Flavor Bible is your guide to hundreds of ingredients along with the herbs, spices, and other seasonings that will allow you to coax the greatest possible flavor and pleasure from them. This astonishing reference distills the combined experience of dozens of America's most innovative culinarians, representing such celebrated restaurants as A Voce, Babbo, Blue Hill, Café Atlántico, Chanterelle, Citronelle, Gramercy Tavern, the Herbfarm, Jardinière, Jean Georges, Le Bernardin, the Modern, Moto, and the Trellis. You'll learn to: explore the individual roles played by the four basic tastes -- salty, sour, bitter, and sweet -- and how to bring them into harmony; work more intuitively and effectively with ingredients by discovering which flavors have the strongest affinities for one another; brighten flavors through the use of acids -- from vinegars to citrus juices to herbs and spices such as Makrut lime and sumac; deepen or intensify flavors through the layering of specific ingredients and techniques; and balance the physical, emotional, mental, and spiritual aspects of cooking and serving an extraordinary meal. Seasoned with tips, anecdotes, and signature dishes from the country's most respected chefs and pastry chefs, The Flavor Bible is an essential book for every kitchen library.
