The time has never been better for investing in real estate, and this book arms the millions of investors who are returning to real estate as an established instrument of wealth creation with surefire strategies for making a killing in the real estate market. Due to the pent-up demand for housing caused by the lull in housing starts during the 90s, as many as 11 million would-be American home-owners are currently vying for a rapidly dwindling pool of available properties. In *Buy, Rent, and Sell* Bob Irwin, one of America's most well-known and respected real estate author/experts, provides nuts-and-bolts advice and guidance on how to find good investment properties, how to successfully rent them, and how to quickly turn them around for a profit. Written in Irwin's trademark down-to-earth, jargon-free style, *Buy, Rent, and Sell* is an indispensable guide for novices as well as experienced real estate investors.

Venturing into the business of real estate may be a daunting task, but it doesn't have to be. If you have decided to invest in real estate and work diligently, choosing the right investment vehicles that suit your purpose, you are likely to reap all the wealth of benefits that accrue to smart investors. When you decide to start a career in real estate investing, the first thing you should consider is that you are going into business. Unlike investing in stocks and shares, where you invest your money and go home and relax. You earn dividend and you watch your capital appreciates if the shares are doing well on the stock market. In real estate, you have control over your cash flow, and you decide the kind of profit you want to make. No matter your situation, young or old, beginner or well-established investor, there are different types of investment options you can choose from, but this can be accomplished if you have a plan that outlines what you are going to do and by extension, what you are going to achieve. Also, it is expected that you should have a real estate marketing strategy that shows how you go about accomplishing your goals. If we should go into details of your plan, it will reveal some of the following: 1. Property types - is it going to be a rental property, commercial or vacation property rentals? 2. Potential risks associated with the particular property such as economic downturn, timing, management expenses, etc. 3. Sources of funds: how to buy when you don't have money. 4. Returns expected from the investments 5. The right time to place your investment 6. What to do in order to achieve your investment goals Both the game plan and the marketing strategy will show you the goals you want to accomplish and also the roadmap to achieving them. This book is a concise game-plan bible for making profit in real estate investing. Following the strategies revealed in this book, you will avoid real estate beginner pitfalls and speed-up towards higher return on investment. "I DON'T KNOW WHERE TO BEGIN" - "I HAVE NO MONEY!" Here is what everyone thinks. Indeed, investing is a very risky action! Many people prefer to avoid it, but the most significant push of the most known Real Estate Investors was the will to be rich because they had NO MONEY left! In my life, I have learned a method not to fail that has pushed me to invest without fear and KNOWLEDGE. I asked myself: "What can be the right way to invest without losing?" And I informed myself. During my research, the word "REIT" often appeared, which means Real Estate Investment Trust. The Reit is to all effects of the s.p.a (Joint-stock company) listed companies that invest in real estate. We are talking about companies that own and manage real estates that generate income. From there, I began to deepen my research, but it was hard and jagged. I spent days, weeks, and months to get more information and study this field, to understand what it was really about. I had to get out of MY COMFORT AREA, I had to break myself because I didn't understand much about economics and numbers—imagine then without someone to guide and explain the notions! Tough nights and headaches were my traveling companions. BUT THEN I WON! I WON because after so much effort, and study I'VE BECOME A TRUE ENTREPRENEUR who agreed to risk it all by going ALL IN, against fear, and as a result, I began to EARN by doing what seemed impossible and too complicated for others! But producing successes just for me was not enough for me. I felt it was my duty to share on the things I learned while studying and gaining experience, and so I wrote TWO BOOKS full of information on how to invest in TOTAL SAFETY without being blocked by any obstacle, no matter what! And here they are, 2 in 1, I introduce you: Investing in Real Estate two guides to flipping houses and rental property, with secrets and strategies to avoid mistakes, make more profit, manage your tenants and create a solid passive income. Your research, your headaches, and despair are over right here on this page! Today with this BUNDLE, I want to share my victories with you by making your study easy and guiding you step by step through each topic! Every fear and every doubt will be ELIMINATED from your mind, and FINALLY, you can start earning money by investing! In Investing in Real Estate, I will explain to you: - How to Launch your Successful Business; - How to Achieve Your Entrepreneurial goals; - How to Manage your Team to Make more Profit; - How to Create a House Flipping Business Plan; - How to Finance Your Business; - How to Negotiate the Sale to Maximize Your Profit; - How to Protect your Investment; - And much more information than you think! Don't let fear stop you anymore, click the "BUY NOW" button, and start learning to invest in REIT and watch your profits grow!

*Profit by Investing in Real Estate Tax Liens introduces an investment alternative that is safe, secured by real estate, administered by the government, involves no brokers, is enforced by state law, and gives fixed returns. Selling tax liens or tax deeds (depending on the state) are the two ways that counties across the country bring delinquent property taxes up-to-date. This investment is one of the least publicized and safest ways of investing in real estate, designed to give the investor either a fixed return, as in the case of investing in tax liens, or a property for 10 to 50 cents on the dollar, as in the case of a tax deed sale. In most situations, the property is ultimately transferred free of any liens, such as mortgages. Profit by Investing in Real Estate Tax Liens also debunks the common myth that tax delinquent properties are run-down and shows that liens exist on every type of property. Author Larry Loftis, an attorney and active investor, has purchased liens on properties owned by Julius "Dr. J" Erving, Hector "Macho" Camacho (world champion boxer), Chase Manhattan Bank, LaSalle National Bank, and even a building whose major tenant was the local sheriff's department! In this authoritative guide, Loftis helps investors avoid the pitfalls while answering all the key questions they need to consider: * What's the difference between investing in tax liens and tax deeds? * How does an investor go about bidding at tax sales? And what is the process? * What are the different requirements in each state? * Where are the greatest risks in this kind of real estate investing? For investors eager to get started, Loftis's action plan provides details on the next steps to take, while real-life examples in every chapter bring the concepts down to earth. The Second Edition is updated and revised including: *A new section on using the internet to purchase liens across the country.*New and updated information for tax and other laws affecting the purchasing of tax liens. *Updated forms, contracts, and sample letters.*

The conservative, thoughtful, thrifty investor's guide to building a real-estate empire. Profitable real-estate investing opportunities exist

everywhere as long as you know what to look for and understand how to make prudent deals that transform property into profits. David Crook, of The Wall Street Journal, shows how to make safe and sane investments that ensure a good night's sleep as your real-estate portfolio grows, your properties appreciate and your income increases. The Wall Street Journal Complete Real-Estate Investing Guidebook offers the most authoritative information on:

- Why real-estate investing is a great wealth-building alternative to stocks and bonds and why it's crucial that you avoid get-rich schemes*
- How to get the financing and make the contacts to get started*
- How to start small and local, be hands-on and go step-by-step with a vacation home to rent out, a pure rental property or a small apartment building*
- How to find and value great properties, do the numbers and ensure you have that beautiful thing called cash flow*
- How the government blesses real-estate investors with tax breaks and loopholes, and how you can be one of the anointed*
- How to deal with the nuts-and-bolts of being a landlord and have a strife-free relationship with your tenants*

It's time to stop living deal to deal. Real estate investors have systems for almost everything-to make the phone ring, to find deals, and to fix, rent, and sell their properties. What they don't have is a system for their finances that ensures positive cash flow and profitability. This is why many investors end up scrambling to cover payroll, taxes, and even their own bills. In Profit First for Real Estate Investing, real estate finance expert, David Richter, reveals his simple cash flow system that not only makes "pay yourself first" possible; it makes it easy. Built on the proven Profit First method created by Mike Michalowicz, this system is tailored to the unique realities for real estate investors. Designed to help you reduce stress and build a healthy and profitable real estate company, this step-by-step guide will even show you how to get more deals using the Profit First System. An investment property is a real estate purchased with the goal of obtaining a return on the investment either by rental income, the property's potential resale, or both. The property may be owned by an individual investor, an investment company, or a corporation. An investment property may be a long-term or short-term investment undertaking. With the latter, investors also participate in flipping, where real estate is bought, remodeled or updated, and sold within a limited time frame at a profit. The term investment property can also be used to describe other properties acquired by an investor in the hopes of future appreciation, such as art, shares, ground, or other collectibles. *A fully revised, new edition of one of the bestselling real estate investing guides of all time Through its five previous editions, *Investing in Real Estate* has shown investors how to intelligently build wealth with their investments in houses, condominiums, and small apartment buildings. Unlike many titles in this genre, *Investing in Real Estate* steers clear of the hyped-up “no cash, no credit, no problem” promises. Instead, it provides sound, real-world advice and instruction that reflects the author’s time-tested wisdom and experience. This book shows you how to invest profitably, safely, and reliably as you navigate the risks and opportunities of today’s property market. It covers all the topics investors need to master, including how to find, negotiate, finance, lease out, and manage your property acquisitions. Plus, you will discover how to add tens of thousands of dollars of value to nearly any property. Whether you plan to start investing or move your current investing strategy to a higher level, two decades of sales success testifies to the fact that this investing guide stands superior to any others that you will find. This new edition covers all the recent changes in the market, including the latest housing rescue legislation from Congress, a historical review of how to profit from property cycles, and insightful new ways to gain from the current excess inventories of for-sale properties, foreclosures, and REOs. • Author Gary W. Eldred has also authored ten other successful real estate titles, including *The Beginner’s Guide to Real Estate Investing*, *The 106 Mistakes Homebuyers Make—and How to Avoid Them*, and *The 106 Mortgage Secrets that All Borrowers Must Learn—but Lenders Don’t Tell* • Completely revised to cover current ways to prosper in today’s property markets • Includes new, insider techniques for foreclosure investing • Features fifteen new ways to profit with property investments • Shows you how to buy properties for less than they are worth from many sources including auctions, bank sales, and homebuilders *Investing in Real Estate, Sixth Edition* retains its premier position*

as the most reliable, informative, and comprehensive guides to successful real estate investing.

THE HOUSE-FLIPPING HOW-TO THAT TURNS EVERYDAY PEOPLE INTO ENTREPRENEURS Everyone likes the idea of turning the ugliest house on the block to the best house on the block and making a profit. Until now a system has not been shared on how to successfully complete this task on time and budget without getting your hands dirty. This book not only cracks the code but shares the proven path and system to have a systems based rehab business that makes consistent profits for ordinary everyday people. The Real Estate Rehab Investing Bible reveals the lucrative seven-stage system that allows author Paul Esajian, and his students all across North America, to manage multiple rehab projects at once, while staying on time and under budget to build and grow their wealth. No experience? No problem. You'll learn strategies to find the right properties, negotiate the right offer, identify the right licensed and insured contractor for the job, and get the property sold to a happy homeowner for a profit. No capital? No problem. You'll learn how you can use other people's money to fund your deals and the IRS guidelines that help you keep more of the money you make. By learning and leveraging the principals of rehabbing and real estate, you'll start thinking like a business owner rather than a consumer. Breaking into residential real estate provides an amazing opportunity for those with little, or no experience, and using other people's money. This book gives you the information, education, and systems every investor needs to start flipping and rehabbing houses without doing the work yourself, and without losing your shirt to contractors and bad investing decisions. Find Deals:where and how to find deals, analyzing deals, and estimating repairs in minutes to acquire a rehab Fund Deals:where and how to borrow money, creative financing, and the finance request template to present to asset based lenders and private

lenders to fund your deal Fix Deals:how to run a rehab with a proven system without lifting a hammer, identify A+ licensed and insured contractors at wholesale pricing, and what to focus on to maximize your profit Flip Deals:how to properly price, stage, and add the sizzle features to get properties sold within weeks of listing the property by properly analyzing comparables and staging the rehab properly The proven techniques Paul shares work in any location, in any market. If you're ready to get in the game, The Real Estate Rehab Investing Bible teaches you how to play.

Introduction In this book, we'll show you all the elements needed for real estate investment at two different levels. At the Basic level, you'll learn the fundamental knowledge needed for buying real estate. First, you need to separate the truths from the myths so you have a clear understanding of the subject before you start to jump onto the boat. Then we'll show you the process in a step-by-step order, such as where you can find deals, how to analyze deals, how to make an offer and finally how to close the deal. Of course, it's unlikely that you can succeed in this business all by yourself. That's why we'll also explain to you who you should partner up

with. In the advanced topics, we'll show you more complicated concepts in real estate investment as you're ready to take your investment to the next level. For instance, if buying a property isn't easy for a novice investor, renovating and managing one is definitely even more challenging. We'll show you what you can do to facilitate your property renovation and management and to protect yourself. Then, we'll explain the different ways real estate can earn you profits (i.e. profit centers), how you can sell a purchase contract instead of the underlying property (i.e. wholesaling), and how to profit while helping people in a "rent-to-own" arrangement (i.e. lease option). And the most interesting topic of all, we'll show you how you can invest in real estate without your own money! As you can see, real estate investment is more than just buy-and-hold; there are a lot more strategies available. But of course, more options also come with more potential for pitfalls. So, after finishing the book, you'll have the knowledge to devise an investment pathway that suits your own needs and preferences.
