you need to get it right, but you don't know what you need to do and in what order to make sure it all runs smoothly and you come out of it looking great. You need Project Management Step by Step. Almost every manager and businessperson finds at some time that he or she has to complete a task that has sufficient complexity and importance that an ad-hoc approach to getting it done is just not enough. Managers in this common situation need the structure and rigour of a project management approach, yet very few

managers are formally trained in project management or have the inclination, time or finances to become trained. They need an approach they can feel confident is sufficiently robust to ensure their success, but also simple enough to be immediately applicable. Project Management Step by Step provides the solution to this problem; a practical and immediate way to become a competent project manager. This is a comprehensive and authoritative guide written and structured in a practical and rapidly applicable style.

Peel the Banana (with included music CDsee below) is arranged as a sequence of dances and singing games from many traditions that Paul Rosenberg has found to be popular during his years of leading school residencies, family dances and community celebrations. The book provides detailed instructions for each of the dances on the CD, as well as written music (with chords) for all of the tunes. It presents suggested age group (a number of the dances can be taught to children as young as three), formation and

The collection includes American dances such as the singing square Marching Through Georgia and the Virginia Reel. Other countries represented through their dances are Russia (Sasha), Israel (Zemer Atik), Germany (Kinderpolka) and Denmark (Seven Jumps). There are also dances from Ireland, Belgium, Quebec, England, plus two African-American singing games. For most tracks Paul calls the dance the first two times through.
